

## ❖ Accommodation for 2017

If accommodation is needed, Cursos Internacionales provides two possibilities:

. With a **Spanish family** (full board, 3 meals a day):

ACCOMMODATION	PRICE PER PERSON AND PER DAY
Double room	21.50 €
Single room	23.50 €

These prices include room and full board (breakfast, lunch and dinner). Families will also provide a packed lunch for excursions organized by *Cursos Internacionales*.

Management and assignment of accommodation **35 € fee**

Students may arrive at the host family's place in the afternoon the day before the beginning of the course (dinner included on the day of arrival) and they must check out in the afternoon the day after the course has ended (breakfast and lunch included).

Once you know the exact dates you will need a host family, you will be asked to pay *Cursos Internacionales* in advance. We will transfer the full amount to the host family.

For an additional price, students can also ask for their families to provide them with a laundry and ironing service. The price for this service is **14 €** per week and has to be paid directly to the host family.

. In a **dormitory** (full board):

At any time of the year, Cursos Internacionales can help you arrange a stay in a student residence hall, in which you will have the opportunity to meet people from all over the world who share your interest in leaning Spanish and getting to know the Spanish culture.

There are student residence halls which belong to the University of Salamanca and associated companies. You can get a single or double room, all of which have private bathrooms, internet access, and include full board.
