Driving time from downtown Auckland on either Mwy 1 or Mwy 16 is 1 hour – depending on traffic.

From Wellsford and Warkworth driving time is about 30 minutes.

Please keep directions handy. GPS signal frequently gets scrambled on this stretch of SH16.

If you are coming from the North Shore of Auckland-

1. Take the Northern Motorway to the Silverdale turnoff
2. Turn left and follow this road to the first road on the right - Pine Valley road
3. Follow Pine Valley Rd and then turn right on Kahikatea Flat Road.
4. Follow this road through Waitoki to the end of Kahikatea Flat Road.
5. Turn right onto the Kaipara Coast Highway (SH16) and follow this through Kaukapakapa village.

Just beside the community fire station and parking lot are very clean public toilets.

Further down the road is the Kaukapakapa Cafe - we are located 16km from the Cafe.

(Keep to the 50kmh speed limit when driving through Kaukapakapa village as there are often traffic cops in the area).

6. Continue along SH16 and you will go over the Makarau Bridge (a large white concrete arch) and after 5.6 km you will pass West Coast Road on your right. This road leads to Warkworth.
7. Slow down, continue on SH 16. 1.2 kms past West Coast Road is the entrance to 2704 on the right.
8. You will see a black wooden fence and a CUE Haven sign. There is a common driveway for 2704 and 2708. Turn right into the common drive and the entrance to 2704 is on the right. Open the gate and drive up to the cottage.

Note--If you are coming from the west side of Auckland, it is more convenient to take SH16 from Auckland all the way past Kumeu and Helensville. From downtown Helensville it is 10 km along SH16 to Kaukapakapa village. Stay on SH 16 and follow directions from 5 above.

Alternatively, as you come along SH 16, just before Kumeu turn right onto Old North Road (across from and just past Soljans Vineyard) and follow it to Peak Road. Turn right on Peak Road (follow sign for Kaukapakapa). Take Peak Road until you re-connect to SH16 (Kaipara Coast Hwy). Turn right and follow this to the Kaukapakapa Village.

Note - This route is shorter (by 10 minutes) than coming via Helensville, however it is a very winding road with no passing lanes.

Note -- From Wellsford – drive south on SH16 towards Auckland, CUE Haven is on the left 4km south past the road leading up to Mt. Auckland /Atuanui Scenic Reserve.

Note – **From Warkworth** – take Woodcocks Rd to West Coast Rd and on to SH16. Turn right on SH 16. CUE Haven is 1.2 km along SH16 on your right.
