# Master of Business Administration (MBA)

Graduate with an MBA from NZ's top Business School. Gain the confidence, capabilities, connections and capacity to thrive under complexity and drive change.

## Quick facts

- Programme type:** Postgraduate
- Points:** 180
- Duration:** Part-time: 18 months (6 quarters)
- Location:** City Campus

## What will I learn?

The programme is interdisciplinary in approach and addresses challenges that managers face as they seek to maintain and grow organisations in a dynamic context. It is designed around three major themes:

- Achieving excellence in an existing business.
- Driving change.
- Thriving under complexity.

The MBA aims to expand participants' knowledge and experience of leadership and managing business growth in a local and international context.

## Is this programme for me?

The MBA programme is targeted at practising managers and has been designed for part-time students with courses delivered as two to three-day block courses.

Courses are taught using an interactive and experientially-based pedagogy with lectures supported by workshop-style activities, including the discussion of cases, simulations and action learning projects.

The programme is open to domestic students only. You will need a recognised bachelors degree with a minimum GPA of 5.0 and at least three years' relevant management experience to be eligible to apply.

## Career opportunities

MBA study is a life-changing experience. It is not about simply acquiring a set of professional skills. It is an important transitional stage in both personal and professional development as a leader and decision maker. You will gain not only the practical skills required to lead a business, but the confidence with which to apply them.
