GENERAL EDUCATION

You may take ENGLISH 121G or any other General Education course available from the appropriate schedules, i.e. either the Open schedule or the Education and Social Work schedule - see details following.

Go to www.auckland.ac.nz/uo/cs-general-education to find out what General Education courses are available. Choose a course that does not clash with your BEd(Tchg) Primary timetable. Please allow for travelling time if the course you select is taught at the City campus.

Only courses with the G suffix from the Open and Education & Social Work Schedules satisfy the General Education requirement. Also note that you must select courses from outside of your degree area (i.e. no identical course codes e.g. EDUC 100G and EDUC 114)

Practicum Placement

You will receive an email about how and when to indicate practicum choices online once you are enrolled in your practicum course. You will not be able to access the online site until 24 hours after enrolment.

DELNA

DELNA is a diagnostic procedure designed to identify a student's strengths and weaknesses in academic English. All first-year students do the initial 30-minute DELNA Screening. Visit [DELNA](#) for more information.

Enrolment in your final Practicums i.e. EDPRACM 304 will be restricted until DELNA requirements are successfully completed.

Repeating course(s)

If you need to repeat a course(s), or if there are possible enrolment clashes with practicum placement please contact the Education Student Centre on education@auckland.ac.nz.

Please note that there is a specific form available at the Education Student Centre when requesting third time repeat approval. Completed applications **need to be submitted at least one month before semester starts** to allow for processing time.
