Summary of Comments on Practical Work Report: Software Engineering

Student Name ___________________________  Markers Initials _______________________

Section One

Adequate Work Experience has been carried out

General
General engineering (minimum 200 hours) work associated with skilled tradespeople, that is work associated with the fabrication, manufacture, installation, maintenance and configuration of mechanical, electrical and computer systems.

Sub-professional
Sub-professional engineering (minimum 200 hours) work associated with professional engineers, that is installation of software systems; design, implementation and testing of software systems; helpdesk, backup and system support; network configuration; computer security services; information system support, web services and Summer Research Scholarship projects.

Section One Result:  Section Passed ☐  You are required to resubmit this report ☐
Go to Section Two

Section Two

Appropriate Written Reflection of Work Experience

In this section you should critically appraise or evaluate your learning/knowledge gained within the practical work experience. This could include your impressions about the organisation and its performance. It would also be appropriate to comment on the skills you have developed and the lessons learnt in relation to professional engineering practice.

Section Two Result:  Section Passed ☐  You are required to resubmit this report ☐
