Summary of Comments on Practical Work Report: Software Engineering

**Section One**

**Adequate Work Experience has been carried out**

**General**
General engineering (minimum 200 hours) work associated with skilled tradespeople, that is work associated with the fabrication, manufacture, installation, maintenance and configuration of mechanical, electrical and computer systems.

| Sub-professional | Yes (5) | No (0) |

Section One Result: Section Passed [ ] Revise and resubmit report [ ]
Go to Section Two

**Section Two**

**Appropriate Written Reflection of Work Experience**
In this section you should critically appraise or evaluate your learning/knowledge gained within the practical work experience. This could include your impressions about the organisation and its performance. It would also be appropriate to comment on the skills you have developed and the lessons learnt in relation to professional engineering practice.

| Yes (5) | No (0) |

Section Two Result: Section Passed [ ] Revise and resubmit report [ ]
Go to Section Three

**Section Three**
