BEHON Conjoint Degree Planner

BEHON component (420pts), other conjoint component (255pts) or Law component (405pts), GenEd (15pts)

**Restrictions:** Approval from Biomedical Engineering is required if conjoint with BSc in Physiology.

Engineering conjoint students should always prioritise Engineering course enrolments.

### Biomedical Engineering

**Remaining conjoint courses**

### Notes:

* The 105 points of Part IV Engineering courses may be spread over the fourth and fifth year of the conjoint, as long as A/B double-semester courses are completed in a single year.

** Please seek degree planning advice for your other component degree early on your conjoint from the Student Centre of the Faculty who owns it.
