

Why live in University of Auckland Accommodation?

LIVE WITH US YOUR WHOLE DEGREE FOR LESS!

Key Facts

- We guarantee you a bed in our Accommodation for your entire degree – whether you study with us for three years or more – undergraduate and postgraduate levels.
- First-year residents in our Accommodation statistically perform better than non-residents, 3% with a higher pass rate and 20% with higher 'A' grades.
- We offer a wide range of Accommodation scholarship opportunities to help you with your cost of living.
- Living in our Accommodation will cost you less than trying to set up your own flat in Auckland, or even at some other universities around the country. Really, it's true!

Catered accommodation

The University of Auckland offers quality accommodation in the heart of Auckland City, at comparable prices to other New Zealand universities – making Auckland an affordable option.

How much will it cost?

On the right is a comparison of catered accommodation at universities in Auckland, Dunedin, Wellington, and Christchurch, using published costs which shows that the University of Auckland has very competitive rates.
