1. DISCIPLINARY AUTHORITY, FINES AND LEVIES

The rules are formulated with a view to the safety and welfare of residents, consideration for the needs of others, and the protection of property.

The rules are intended to benefit all residents. However, the expectations from you as outlined in the rules should not be seen as an exhaustive list. In becoming a resident, you become a member of the residential community and accept the responsibilities and obligations of being a good neighbour and citizen, whether or not they are detailed in the rules.

If you fail to comply with these rules and any updated or variation of them which is notified by management at your residence, it will constitute a failure by you to comply with the provisions of your Residential Agreement and may lead to disciplinary action against you, including termination of your right to reside in the residence.

You must at all times comply with these residential rules, the Policies of the University of Auckland and all New Zealand law. This includes additional rules and regulations implemented by the Area Manager and the members of the accommodation management team and/or any duly authorised agent of the University.

The Area Manager or their designated authority has the power to take disciplinary action as outlined in the University Statutes (refer: University Statutes / Statute for Student Discipline, clause 3(g)).

**DISCIPLINARY FINES**

- The Area Managers, or other senior staff of Accommodation, have authority to impose disciplinary fines on you.
- The Area Manager can impose fines of up to $1000 on you if you breach the rules.
- You are expected to pay on receiving the notification of the fine, unless you make some other arrangement with the Area Manager.

You can appeal to the Associate Director (Accommodation) for Campus Life if you believe that you have been unfairly treated or the process has not been followed. Address all appeals to the Associate Director (Accommodation) for Campus Life

**LEVIES**

- You are responsible for your own actions, and you have a collective responsibility to the residential community.
- Levies can be imposed on each resident for costs incurred to repair damages/losses that cannot be attributed to a resident or group of residents, with the cost of repair or replacements attributed equally to those residents on a floor or the residence as a whole. Such levies cover the replacement of stolen or lost property and repairs to items such as broken windows and damaged furniture.

It is, therefore, in your own interest to discourage and to report any actions that might lead to cost recovery levies being imposed.

**RIGHT OF ENTRY**

The Area Manager, delegated staff or other duly authorised persons (including contractors) may enter your room at any time for any of the following reasons:

- If there is an emergency or there is reason to believe somebody is in clear or imminent danger.
- If there has been a breach of the rules by you or a guest.
- If there is external requirement for maintenance on the facilities.
- To perform maintenance in response to a request from you.

BULLYING AND HARASSMENT
Bullying is any repeated unreasonable behaviour, in any environment, that is directed towards a person, or group of people, which creates a risk to their mental or physical health and safety. This includes cyber bullying.

Harassment is unwelcome conduct that is offensive, humiliating or intimidating to any other person and is either repeated, or of such significant nature that it has a detrimental effect on the person, their performance or their work and study environment. It includes racial and sexual harassment.

Bullying and harassment have no place within a residential community.
- You may not behave towards other residents in any way that may constitute harassment or bullying.
- Any serious incidents of harassment or bullying may lead to the immediate termination of your residency.
