Your Accommodation support team

How Accommodation | Ngā Wharenoho support you

Accommodation | Ngā Wharenoho is a department within the Campus Life service division. Accommodation | Ngā Wharenoho is led by the Associate Director – Kaitaki Wharenoho, Aimee MacAskill. The day-to-day operations of our accommodation and pastoral care of residents is headed up by the Head of Operations, with teams located in each of our communities and a Residential Experience Officer. As a partnership property, building and front desk management are operated by UniLodge in conjunction with the University. UniLodge NZ is headed by the Area General Manager – Poutaki Tiriwā Whānui, Laura Roberts.

Your welfare and community is the number one priority of your Resident Manager. They are supported in their role by a Resident Coordinator and Resident Advisers (RAs). RAs are successful senior students who live on-site and help you make the most of life on campus as well as support your academic journey and personal growth. During our summer months (November – February) your support could be delivered by a Summer Assistant and Senior Resident while our RAs are in training. These team members will provide you with good support, just as a seasonal team.

The smooth operations of your building are led by the Customer Service Manager and wider UniLodge team. They are supported by Customer Service Coordinators and various maintenance staff.

Your Accommodation team understands the requirements of university study and the additional pressures of living away from a home environment. All members of the Accommodation management team are trained in first aid, listening skills and cultural sensitivity. They are also given a thorough briefing on the function and whereabouts of campus facilities.

The Resident Manager and Customer service team are available on weekdays during normal office hours and the Resident Coordinator works 2:30pm – 10:30pm Tuesday to Saturday. Our Resident Adviser team are available on an on-call basis in their rooms if they are needed for emergencies. In addition to our RAs on duty, we will also have senior members of our staff on call to escalate matters to as appropriate. If you are experiencing any problems please do not hesitate to contact any member of our team. You are also encouraged to access all available University support services.

Your rights and responsibilities

As a member living in our diverse community, you are afforded certain individual rights that you, as well as those living around you, should respect.

In addition, these rights carry with them a reciprocal responsibility for you and every member in our community. When you uphold your responsibilities, you will be making the university accommodation a great place to live where all students can be successful!

The following is a listing of your “rights” (things to which you are entitled as a resident living in accommodation), as well as your “responsibilities” (what is expected of you as a resident) and they are summaries of what is in your Residential Agreement and Residential Rules of the University:

- **YOU HAVE THE RIGHT** to a safe and secure living environment.
- **YOU HAVE THE RESPONSIBILITY** to keep your living space secured, and to not prop doors open or allow in strangers. You also have a responsibility to uphold all security policies and procedures. Violations of policies and procedures put you and others at risk.
- **YOU HAVE THE RIGHT** to a reasonably peaceful and quiet space in which you can sleep and study.
- **YOU HAVE THE RESPONSIBILITY** to observe quiet hours, to keep your stereo, television, computer and your voice at a reasonable volume in your living environment, and to remind your guests and others that you expect the same of them.
- **YOU HAVE THE RIGHT** to privacy and to the fair use of your room, both in terms of space and time, and the right to be free of unwanted guests in your room.
- **YOU HAVE THE RESPONSIBILITY** to let your neighbours know of your wishes and preference for hours of sleep, study and visitation, and to work through any difference you may have in a peaceful manner. You also have a responsibility to make sure your guests do not violate any of our rules.
- **YOU HAVE THE RIGHT** to confront another person’s behaviour when it infringes on your rights.

This includes, but is not limited to this Resident Handbook, your Residential Agreement, Residential Rules, University Code of Conduct and other relevant material. You may report any alleged violation, whether or not you were personally affected by it.

Withdrawal process

Withdrawing from your Residential Agreement early

When you accepted your Residential Agreement you agreed to remain in residence and pay for the entire residential period. If you find that you cannot continue your study or you wish to withdraw from your residential agreement you must first speak with your Resident Manager to complete the required paperwork. There are financial consequences for withdrawing from a contract early that your Accommodation team can talk you through this.

For more information, explore our website:
www.auckland.ac.nz/en/on-campus/accommodation/how-to-apply/withdrawing-from-residential-agreement.html

Your accommodation journey

Preparing for move in

Make your move-in as seamless as possible by following our easy steps! Don't worry, we will email all new students before they arrive, and we will expand these below!

1 Familiarise yourself with Accommodation

2 Check your immunisation status

3 Make your payment arrangements

4 Connect with us and let us know when you're coming

5 Pack all your essentials!

Step 1: Familiarise yourself with Accommodation

It is important that you familiarize yourself with Accommodation before you arrive! Reading this Resident Handbook is a great first step. Make sure you also read our Residential Rules, information on our website and all emails that are sent to you.

Step 2: Check your immunisation status

We want to make sure that Accommodation is a safe living environment, the University of Auckland strongly encourages all of our Residents to have up-to-date inoculations for all preventable diseases such as MMR (measles, mumps and rubella) whooping cough, diphtheria, chickenpox, polio etc. It is strongly recommended that you consider getting immunised for meningococcal disease as well.

The University's Covid-19 vaccination policy and procedures take effect on 4 January 2022. Find here (www.auckland.ac.nz/en/news/notices/2021/uoa-confirms-vaccination-policy.html) information regarding conditions to be on campus as a student, staff, or visitor – including vaccine mandates, exemptions, and requirements on My Vaccine Pass. Please note that all Accommodation residents, staff, and visitors must be fully vaccinated against Covid-19 and have their My Vaccine Pass to enter Accommodation buildings. Contact your Accommodation team with any questions.

If you are unsure about your immunisation history, please consult your GP before you arrive. University Health and Counselling services also recommend you bring a copy of your immunisation records with you. Before you arrive, you will be asked to complete a medical information form on the Accommodation Portal, which will ask whether or not you have had these vaccinations.

Step 3: Make your payment arrangements

Your advance payment and Residential Services Fee are charged to your account prior to the start of your residential period and payment must be received before you are permitted to check into residence.

It is important that you have a plan for paying your accommodation fees throughout the year. Talk with your whanau and come up with a budget and payment plan. This will help you keep to the timetable throughout the year.

Step 4: Connect with us online and let us know when you are coming

Prior to your safe arrival, we will let you know via email how to tell us your move in date and time. It will be important for us to have this information to manage traffic on the day. We will also let you know how to join our online community!

You can join our online community through our Facebook group UoA – 55 Symonds 2022. This is a great way to get to know your fellow residents and keep up to date with activities and events in the Residence. Apply to join and one of the staff will accept you to the page.

Social media

Accommodation communicates regularly on Facebook. Our Accommodation Facebook page is subject to all of our normal rules and regulations. Remember our Facebook group is: **UoA – 55 Symonds 2022.**

Social media guidelines

The University encourages students to explore social media responsibly to enhance communication and further support the conduct of teaching, learning and research. You should be aware of the following guidelines:

- Be transparent (honest about who you are), be accurate (thoughtful before you post), maintain confidentiality and be respectful (respect privacy and copyright).
- You should assume that all activities on social media are public. Be mindful that actions or content posted may be visible for a long period of time.
- You should uphold and protect the image of University, including your Residence, when publishing content online or carrying out activities in an online environment.

Note on the permission of others

You should also be mindful of having sought and gained the consent of involved parties, whether posting to the Residence Facebook page, your own Facebook or any other social media channel (Instagram, Snapchat, Twitter etc). This is particularly relevant for photos and videos. You must always gain permission from someone whose photo/video you intend to post. If they don't want their photo/video posted, respect that decision. If you post something without the express permission of the person involved, it may be a breach of their privacy. Depending on the nature of the material, there may be more serious repercussions, such as legal action or a police investigation. If in doubt, always ask the person concerned. You can't assume they will agree. And if you can't contact them or have any doubts about what you're doing, don't post.

Self-catering

Self-catering can be a new experience for many of our Residents. It is important to make sure you are safe, respectful and courteous of others when you are cooking in your flat kitchen or a shared communal kitchen.

Tips on self-catering

- Please ensure to wash your hands for 20 seconds with soap or sanitise before preparing your meal;
- After your meal, please ensure you dispose of food and other waste appropriately;
- Please ensure you clear up any spills or mess efficiently;
- Please ensure you clean your own dishes and leave the benches clear and clean for others to use;
- Please ensure you store your food correctly for everyone's health, safety and wellbeing;
- Label food in your cupboards, fridge and other storage locations if you are not wanting others to use, and don't take items that are clearly not yours.

Cooking facilities

- All of our studio apartments offer a small kitchen with a fridge, kettle, microwave and cooking hobs.
- A large communal kitchen is available for group activities on Basement Level. Please clean up the kitchen after yourself and make sure you do your dishes.

- Please note: You may bring a rice cooker or other small appliances with you to the residence and store them in your room, however, you must use them in the communal kitchen area, never in your room. Please ensure you remove rice cookers and other small appliances from the communal kitchen once you have finished cooking.

Recreational facilities and common areas

Barbecue

A barbecue for your use is available outside the communal kitchen. If you need assistance with this, please see a member of the Accommodation team.

If you use the barbecue you must clean it after use and leave it in good condition for other residents to use. Please bring your own BBQ utensils and cleaning equipment. You will be liable for any costs associated with cleaning, repair or replacement.

Please be mindful of residents living near the courtyard; please keep the volume and the general noise in the courtyard to a minimum.

Games and social lounge

A communal lounge with Sky TV is available on Basement Level and all studios are equipped with a television set. Please be mindful of residents living near the common areas; keep the volume of the television and the general noise in the common room to a minimum.

You are responsible for keeping the common areas in a reasonable state of tidiness. Please treat the furniture with respect.

A pool table and table tennis are provided in the games room for your use.

Please be conscious of your noise level, particularly after 10pm.

Music room

The music room is located on the Basement Level of 55 Symonds.

Grounds

We appreciate your assistance in maintaining the surroundings in the best possible condition. A friendly reminder that the University of Auckland is smoke and vape free.

Study spaces

Communal study

There is a large group study lounge located on the basement level of 55 Symonds. Additionally, there are 5 small silent study rooms located on floors 2, 4, 7, 11, and 13.

Bicycles

There is bike storage available at 55 Symonds. You will need to register your bike with the Reception team to be given access to the bike storage area.

- You may not store a bicycle in your room or any area other than the bicycle storage area unless this has been arranged with the Accommodation team.
- Please note that if you wish to leave your bicycle over the summer, you must arrange this with the Accommodation team. If you leave your bicycle over the summer without authorisation, it will be deemed abandoned property and we will dispose of it accordingly.
- The University of Auckland assumes no responsibility for your bicycle while it is parked or stored within our properties. We strongly recommend that you insure your bicycle and keep it securely locked with a D lock (chains and padlocks are often insufficient) at all times.

Cars and parking

There is no on-site parking available at 55 Symonds. You are encouraged to find private parking options in the city if you require it.

Confidentiality

Staff and residents of University accommodation endeavour to treat one another with respect and to treat private matters in confidence. There are, however, rare occasions when it may be necessary for staff to contact other concerned outside adults (such as guardians or study abroad agents).

Cleaning and room inspections

Cleaners are employed to clean the common areas, hallways, kitchenettes and bathrooms. You are responsible for cleaning your own bedrooms. Rooms are to be kept clean and tidy, and in a condition that does not create health or safety hazards. Vacuum cleaners are available at reception for you to use.

Vacuum cleaners

You are responsible for cleaning your own rooms. Our Residence has vacuum cleaners available for you to use. These are located at reception during business. You can borrow the vacuum cleaner for 20 minutes. When you have finished with the vacuum cleaners you are responsible for emptying and returning it in good working condition. Please do not vacuum up liquids or large objects. If the vacuum is faulty, please let your Customer Service Team know.

Room inspections

Room and flat checks will be conducted twice a year. If your room and/or flat is found to be in an unsatisfactory condition you will be given a specific time period to rectify the problem. If you cannot meet the required standard then your room may be cleaned by the cleaners at your expense.

We will also be checking your starter kitchen pack items during the room inspections. If you are missing any items we will replace these at your own cost.

Reporting cleaning issues in the Residence:

If you notice any cleaning issues in the communal spaces of the Residence, please report this as soon as you can to the reception team. We will then work with our Cleaners to resolve the issue.

Cost recovery

There are times when students may cause damage to the building, communal areas and/or furniture, where items from the Hall might be taken and not returned. When situations like these occur, your Resident Manager will lead an investigation for more information. This investigation will include:

- Communication of the damage via email, social media and posters
- A request for anybody to provide information on the damage/taken item
- Checks of all available security and staff information

If after all the above, there is no specific Resident(s) to attribute the cost to, then as per the Residential Rules a communal damage charge will be placed on all in-room Residents' accounts.

It is in the best interest of our whole community if everyone respects and looks after our home and keeps it safe.

If you cause accidental damage to accommodation property then you will be charged a recovery cost for the repairs and/or replacement of the property, as per the Recovery Cost Schedule, up to a maximum value of \$1,500 + GST per incident. For a schedule of recovery costs, please refer to the Incident Recharge Costs web page: www.auckland.ac.nz/en/on-campus/accommodation/university-accommodation/residential-rules-flats-and-apartments/accommodation-fees/incident-recharge-costs0.html.

If the person responsible for the damage cannot be identified, the cost will be borne by all the resident students as part of a cost recovery levy. Any damage that is deemed malicious or intentional will be recovered at the full cost of the repairs and/or replacement and the \$1,500 cap will not apply.

Civil defence

The University of Auckland has made civil defence preparations that will assist us in managing an emergency such as an earthquake. We expect co-operation from each individual student about these preparations. Students should also take their own personal steps to make sure they are prepared in a civil defence emergency. We encourage students to visit the Civil Defence website www.getthru.govt.nz for more information and to ensure you have what you need to get through.

The location of your civil defence cabinet is here:

Basement Car Park by the main door.

Fire evacuations

On the continuous sounding of the fire alarm you are to proceed to the evacuation point in a sensible manner.

The evacuation point is on the grassed area on the corner of Wakefield St. and Airedale St.

Before evacuating, you are to make sure that you turn off any appliances you are using that could be a potential hazard.

Residents are to follow all printed evacuation material and staff instructions. If you fail to evacuate the residence you will be required to attend a conduct meeting.

Earthquakes

In the event of an earthquake, you should seek cover away from glass and brace yourself (drop, cover, hold). Remain in this position until shaking stops and it is safe to exit building. Assemble in our emergency evacuation point. A roll call will be taken promptly. Please do not leave the site without informing a staff member.

The location of your emergency evacuation point is:

the grassed area on the corner of Wakefield St. and Airedale St.

Accommodation arrangements during a pandemic

If there was a global pandemic, as we saw with H1N1 in 2009 or Covid-19 since 2020, unless otherwise directed accommodation will remain open with strict safety protocols in place. The University will introduce specific policies and rules for the safety of all residents, staff and community members.

In the event of a Pandemic all residents are expected to be prepared and adhere to:

- Ministry of Health Directives and Guidelines
- Instructions from Accommodation and other University staff
- Social Distancing Guidelines and Restrictions
- Sanitising Requirements

Residents must comply with the following:

- Report to on-site staff member confirming their location
- Report any illness that they or a neighbour is currently experiencing
- Abide by best practices and recommendations provided by on-site staff
- Limit any movement and conduct as and when require by on-site staff
- Await further instructions from the University, Ministry of Health, Local Council, Central Government and/or emergency services

During a pandemic lockdown Accommodation staff will still support you and most of our engagement offerings will become digital. Staff will still be present in the buildings to safely respond to emergency and welfare situations.

If accommodation does remain safe and open your accommodation fees will still apply unless otherwise specified by the University.

COVID-19

The University of Auckland has robust plans in place to ensure the safety of our community during these COVID-19 times. These plans are regularly reviewed to ensure that fit for purpose. Depending on what stage of the COVID-19 protection framework we are at will determine which measure we have in place. Some of our measures include:

- Creating bubbles on floors or in flats
- Applying alcohol bans
- Enforcing social distancing
- Closing of communal areas where transmission is likely to occur
- Amending dining services in order to minimise any possible transmission
- Restricting guests and services onsite
- Enforcing the use of mask/face covering wearing on UoA grounds

We will keep you informed which measures are in place at any time and communicate with you regularly through our Facebook group and email. Learn more about our Covid-19 plans: www.auckland.ac.nz/en/on-campus/accommodation/university-accommodation/resident-support/covid-19.html

Heating & air conditioning

Studios are heated and cooled by air conditioning units. These are user controlled by a thermostat on the wall. We encourage you not to use heating during the summer months.

Restricted access areas

Roof access

You are not permitted to be on the roof of the Residence at any time. If you are found to be on the roof, there will be a conduct process initiated.

Administration areas

The offices and administration spaces of the Accommodation staff and kitchen staff are off-limits to all residents.

WiFi

Wireless internet access is available through the use of the University of Auckland administered WiFi system. The Residence is a wireless accommodation unit. If you are experiencing issues with the WiFi please let a member of the Accommodation team know so that we can report it quickly for resolution.

Please note that Accommodation does not guarantee a minimum speed for internet access. WIFI provided in accommodation is managed by the University's Connect department through the Digital Services division and not through Campus Life.

Having WIFI issues:

Are you having WIFI issues? It is important to provide accommodation with as much information as possible. Accommodation will then report this issue to Connect on your behalf. Key information to provide would be:

- Your name, room number and student ID number
- Summary of the issue you are experiencing
- Screen shots of your issues
- Log of times when this is experienced
- Speed test results conducted through sites like: www.speedtest.net

Email all of this information to 55symonds@auckland.ac.nz

Laundry

Complimentary automatic washing machines and driers are located in the laundry room on the basement floor.

- Hand washing tubs are also provided.
- We recommend that you mark all your clothing and personal possessions clearly.
- Out of consideration to other users, please do not leave your clothing in the machines after the cycle is finished.
- Ironing boards and irons are available in the laundry rooms.
- Do not leave your laundry in the laundry room unattended for long periods of time.

Lost property

Please hand in any unattended belongings you find to an Accommodation staff member to be held in lost property until it can be returned to the owner.

- Report any belongings you lose to an Accommodation staff member with a description of the item and when and where it was last seen.
- We will communicate on our Facebook group any lost property. These uncollected items will then be disposed of, or donated to charity.

Maintenance

If you notice anything in your room or any other part of the residence that needs repairing please let the Accommodation team know. You can do this by logging a 'My Maintenance' request on the Accommodation Portal at www.accommodation.ac.nz or by letting one of the team know at Reception. If urgent repairs are required and the Reception is closed please contact the on duty staff member.

Maintenance response

Accommodation works hard to quickly to resolve all maintenance jobs logged. Once you have logged a 'My Maintenance' request on the Accommodation Portal, you can expect the following response times:

Urgent — Same day

High — 24 hours

Routine — 5 work days

Please note that these times are estimates and in some circumstances it may not be possible for repairs to be completed in the above time. This will depend on the complexity of the job, parts available and other factors out of our control. If your request has not been completed in the above time, you can reach out to your Administrator for more information.

Printing

There is a communal printer/copier located in the lobby at 55 Symonds available through the University's printing services system.

Recycling and waste

55 Symonds has labelled rubbish and recycling bins. Please pay attention to what you are putting in each bin. It is your responsibility to empty the rubbish in your studio and take it to the rubbish areas located on the basement level.

Please make sure you rinse out all bottles, cans etc. before you put them into the recycling or we will have trouble with flies, rodents and odours.

Do not leave rubbish lying on the ground in this area as this incurs extra cleaning charges by the waste removal company, as well as creating fire and pest hazard.

Please do not contaminate any of our recycling receptacles. If contamination occurs then we are required to divert the contents to general waste.

Please empty your studio rubbish bins regularly.

Storage

No storage is available at the residence. If you need storage of your belongings after leaving the residence you will need to contact private suppliers.

Vending machines

There are food and drink machines located in the common area on the basement level. These are provided by EFTPOS Vending and do not accept cash. If you have any questions or concerns regarding the vending machines please contact EFTPOS Vending directly on the numbers advertised on the machines.

Residential Advisory Committee | Komiti Whakamāherehere Wharenoho

Accommodation operates a Residential Advisory Committee | Komiti Whakamāherehere Wharenoho (RAC). The RAC is made up of student representatives | Māngai Wharenoho Taura from every Accommodation property as well as Resident Advisers and Management. The committee meet on a quarterly basis and provide valuable feedback and insight from the student perspective on the running of accommodation at the University of Auckland.

The entire 55 Symonds community will elect a Representative | Māngai Wharenoho Taura to sit on the Residential Advisory Committee | Komiti Whakamāherehere Wharenoho. They will be commonly know as the 55 Symonds RAC Rep.

If you have any questions please email your Residential Experience Officer at: residentialexperience@auckland.ac.nz

Resident interest groups

In your hall we also encourage and support students to manage their own interest groups. Examples of these are our Rōpū Kakariki (green team), Rōpū Hauora (Wellbeing team), Rainbow group, philanthropic groups, music groups and more. See your Resident Manager, Resident Coordinator or Residential Experience Officer if you are interested in setting up or being part of an interest group.

Your community, your events! – Resident Grant Scheme

This is your community and as such, it is important that you have the option to facilitate opportunities and events that meet your community needs. This is where the Resident Grant Scheme comes in!

The Resident Grant Scheme is an initiative where you as a resident can request event funding and support from your Accommodation team to deliver an event in your accommodation community. You can request funding between orientation week and study week.

How does the Resident Grant Scheme work? The high-level process for the resident grant scheme is:

- You have a fantastic idea for an event and let your Resident Manager or Coordinator know!
- Your Accommodation team will support you in completing an application and letting you know the ways in which we can help;
- All ideas welcome as long as they are reasonable and able to be practically facilitated;
- Events will have to be on-site in accommodation (sadly we are unable to support off-site events due to risk factors);
- The only criteria for events are they need to be:
 - Safe;
 - Inclusive and open to all;
 - Some educational aligned to the Waka of Wellbeing (Mind, Body, Spirit, Environment, Social);
 - Submitted on time (at least two weeks before facilitation);
- Accommodation staff will purchase and arrange for supplies, equipment, food, resources, and other items;
- You will host, facilitate and pack up your event;
- You will complete a brief post event reflection that can be used to help future residents maybe facilitate the same or similar event.

Who reviews events?

All events are reviewed by a panel which consists of:

- Your Resident Manager – Chair
- Your Resident Coordinator
- Your Residential Advisory Committee student Representative(s)
- One Resident Adviser from your community
- The Ngā Wharenoho Residential Experience Officer

If you have a great idea or want to know more specifics contact your Resident Manager or Coordinator! We can't wait to see what special character you add to our community!

We are a community

Caring communities

By living on campus, you are part of a caring and supportive community. This means that we all look out for one another; we support one another and have respect for each other. Your Accommodation team work in partnership with you to help foster this community and ensure every member is OK. Our motto is: He waka eke noa! We are all in this together.

Are you worried or concerned about a fellow resident?

There are times where you might be worried or concerned about a fellow resident, friend or community member. We encourage you to start a conversation. You don't need to be an expert to reach out – just a good friend and a great listener.

Start a conversation with these four steps:

1. Ask R U OK?
2. Listen
3. Encourage action
4. Check in*

*Taken from www.ruok.org.au/

We encourage you to report up to an Accommodation staff member if you are worried about anyone or you have not seen anyone for a while. You can do this by:

- Popping down and seeing reception on the ground floor
- Calling our 24/7 duty number: **+64 27 405 0442**
- Emailing the Residence: **55symonds@auckland.ac.nz**

Have you seen any concerning conduct?

If you have seen behaviour that is concerning or would constitute misconduct please report this to an Accommodation staff member immediately using the duty number.

Living together

Learning to live together will be a huge part of your experience! So here are some helpful tips:

- Learn people's names, it makes them feel special
- Respect people's personal space, they will do the same for you.
- Clean up after yourself in common areas, a clean environment goes a long way.
- Be mindful when cooking and or preparing food, we all have different tastes.

- Think of others before making a lot of noise, whilst you may have a day off, someone may have an assignment to complete
- Remember to check in with each other, no one will be upset at you for simply asking "Hey, how are you going today?"

Loneliness and homesickness

Loneliness and homesickness can affect any student during their academic year. By choosing to live in a Residence, you have already chosen one of the more effective strategies to deal with loneliness and to succeed at your studies. However, it can be easy to feel isolated even in a community.

Here are some strategies that may help you overcome loneliness:

Sit in a common room or lounge, not in your bedroom. Watch some TV, play games or eat in a communal area to take the opportunity to meet others.

Get involved with organised activities, attend area meetings and look out for flyers or posters that announce events.

Talk to a member of the Accommodation team if you continue to feel lonely. They may not be able to fix the problem for you but are happy to listen and to try and help you to find the answers that will work for you. There are also professional counsellors and wellbeing groups on campus who are prepared to help students in a variety of ways.

Consent

Whether you are in a long term or casual relationship, you and your partner deserve to be treated with respect.

Consent is a free agreement made together about any sexual situation or experience.

Consent is always agreed to in the moment. Having consented previously doesn't mean you consent in the future. Being married doesn't automatically mean there is consent.

Consent is not a contract. You can change your mind. If you are not comfortable with something you have a right for it to stop. It's OK to say stop.

It isn't consent if:

- You are drunk or drugged;
- Someone forces, threatens or coerces you in anyway – verbally, physically or emotionally.
- You are under 16 years old.

For more information visit: www.bodysafe.nz/consent-1-1

Family violence – it's not OK

Family and relationship violence can take many forms including physical, psychological, sexual, financial or spiritual abuse. It can disrupt the ability to study or work and can negatively affect performance, effectiveness, safety and wellbeing. It can also impact colleagues, friends and other members of the University community.

The University is committed to being safe, inclusive and equitable. We affirm that family and relationship violence is unacceptable and that every person is entitled to respect, and to live free from fear and abuse.

See our Family Violence Policy and Family Violence Prevention and Management Guidelines for information about how the University provides reasonable support for students and staff affected by family and relationship violence.

For more information visit: www.2shine.org.nz/get-help/helpline.

If you are experiencing financial hardship please do talk to your Accommodation team, we are able to assist you and refer you support services. The University also offers a range of financial support services, you can explore these on the University website: www.auckland.ac.nz/en/study/fees-and-money-matters/financial-support.html

- Have an honest conversation with your whānau or support network on your arrangements for paying your accommodation fees
- Apply for any StudyLink support you are entitled to early
- Create a budget for the year with your income and expenses
- Actively monitor and review your spending

Theft and your personal responsibility

Living in a communal environment is great. However, sadly there are times when a guest or fellow resident might make the decision to steal or take items that do not belong to them. The University of Auckland does not take any liability for lost and/or stolen items. We encourage you to take personal responsibility for your items and recommend the following actions are taken to minimize any loss of items:

- Keep your bedroom closed and locked when you are not in it;
- Do not lend your keys and/or campus card to anyone else;
- Do not let anyone you do not know into the building;

www.auckland.ac.nz/en/health-safety-wellbeing.html

Reporting concerns, accidents, near misses

Your Resident Manager is the designated Health and Safety officer for your Hall. If you see any behaviour that you think is unsafe, witness a near miss or an accident please report it to them. You can also report online any Health and Safety Campus or Hall incident by visiting: www.auckland.ac.nz/en/health-safety-wellbeing/report-concerns-hazards.html

Healthcare, accidents and first aid

If you are ill, you should report this promptly to a member of the Accommodation team. They will assist you where appropriate, especially if you might need medical attention. It is important to seek assistance for medical conditions before they become too serious, as illness can spread very quickly in a group living situation.

Accidents, injuries and first aid

If you are involved in any form of accident or injury on-site, you must let a member of the Accommodation team know promptly. Each Accommodation staff member has undergone first aid training and, if present, can help with injuries on-site.

After the event you will be required to fill out an incident report, which is forwarded to the University Health and Safety department. This is an Occupational Health and Safety requirement.

If you call an ambulance for any reason, inform a staff member immediately so that they can ensure paramedics have access to the building and can be directed to the right area.

The University of Auckland's Health and Counselling service is also available to you from 8.00 am to 7.00 pm, Monday to Friday. Outside of these hours, for 24 hour help, residents are advised to visit:

Healthcare

If you're feeling unwell, let your Accommodation team know so that we can keep an eye on you and give you any assistance you might need. The University Student Health and Counselling service is found on level 3 of the Kate Edger Information Commons (building 315 on the City Campus map) on campus. The friendly team at reception can help you make an appointment with either a nurse, doctor or counsellor. The University provides Health and Counselling services across all of its Auckland campuses. You can find more information about the other campuses here:

www.auckland.ac.nz/en/on-campus/student-support/personal-support/student-health-counselling.html

We also have physiotherapists on campus. They are located next to our University Health and Counselling service on level 3 of Kate Edgar. Please email info@universityphysio.co.nz, see their website www.universityphysio.co.nz or call +64 9 379 4717 for more info.

If you are an International student you have compulsory StudentSafe health and travel insurance from the Vero insurance company. It's a good idea to download the StudentSafe insurance policy (visit www.auckland.ac.nz/en/on-campus/student-support/personal-support/international-student-support/health-and-travel-insurance/studentsafe-university-policy.html) and read it carefully. It is useful to know what you are entitled to. For example, if you hire a car for a short trip, StudentSafe insures you.

Supporting you through health issues

Accommodation cares deeply about your health and wellbeing. If you present with health issues while you are living on campus, Accommodation will support you in assessing the issue and determining the best way forward in partnership with you and assist you in making those appropriate connections you need to get well.

The support we can offer ranges from ensuring that you have meals in your room to connecting you with external support or calling an ambulance. There are times where it is not possible for Accommodation staff to join you on your way to a health provider, but where possible we will contact a nominated person and see if they will support you.

Hygiene and hand washing

It is important we all maintain excellent hygiene practices when we are living in communal environments. Hand hygiene is particularly important. We have a number of hand sanitizer stations located around our Hall. The Ministry of Health also recommends the following practice for Hand washing: Wash hands for 20 seconds. Dry hands for 20 seconds.

Steps for clean hands

1. Wet your hands under clean running water. Use warm water if available.
2. Put soap on your hands and wash for 20 seconds. Liquid soap is best.
3. Rub hands together until the soap makes bubbles.
4. Rub on both sides of both hands ...
5. and in between fingers and thumbs ...
6. and round and round both hands.
7. Rinse all the soap off under clean running water. Use warm water if available.
8. Dry your hands all over for 20 seconds. Using a paper towel is best (or, if at home, a clean dry towel).

Always wash and dry your hands ...

Before:

- Eating or preparing food.

After:

- Sneezing, coughing or blowing your nose (or wiping children's noses)
- Gardening (or playing outside for children)
- Having contact with animals
- Going to the toilet or changing nappies
- Looking after sick people.

Cover coughs and sneezes

Some infectious diseases can be transferred in the air when an infected person coughs or sneezes. Examples include influenza, measles and chicken pox.

If you are unwell, avoid close contact with other people. Cover your coughs and sneezes to stop spreading the illness to other people.

- Cover your mouth and nose with a tissue when you cough or sneeze – then put the tissue in a bin.
- If you do not have a tissue, cough or sneeze into your elbow.
- Clean your hands after you cover a cough or sneeze.

Sustainable living

We are committed to being a sustainable campus and supporting you in being environmentally friendly. Accommodation has worked hard over the years to ensure our buildings are as efficient as possible, and you have a living environment that supports responsible environmental and sustainable practices. This requires everyone to work in partnership, so we need your help.

Sustainability tips:

Below are some tips on how you can work with us to be environmentally responsible:

Sustainable study:

- Think before you print, and print only if it is essential
- Use electronic rather than paper-based filing systems for all projects
- Design documents to minimise paper use by reducing the size of the margins
- Collect single-sided paper and re-use it for notes and drafts
- Use double-sided printing and photocopying modes wherever possible
- Recycle paper that has been used on both sides

Transport & and reducing your carbon footprint:

- You're living on campus! Take the opportunity to get some exercise by walking, jogging or cycling to and from the University.
- Support public transport by catching a bus, train or ferry, wherever possible.
- If you have no choice but to use a car try sharing a ride with friends and family
- Take part in tree planting activities – get a group of friends together and set up your own group or join an existing one to help plant and nurture native plants

Conserve energy:

- Turn off the lights that aren't needed in your room and flat, especially when you leave
- Turn off computer screens that are not in use, make sure that energy-saving modes are operating on all types of electronic equipment.
- Make sure appliances (such as TVs) are turned off when not in use

Save water:

- Use a cold water wash cycle whenever possible.
- Try showering for four minutes or less
- Put in the plug in the sink when you want to rinse something.
- Turn the tap off when you are soaping your hands.
- Turn the tap off when you brush your teeth
- Make sure you do full loads of laundry in the washing machine
- If there is a leaky tap – tell an Accommodation staff member who will organise for maintenance to fix it.

SUSTAINABLE DEVELOPMENT GOALS

Reduce your waste sent to the landfill:

- Think before you buy, use or waste and re-use whatever you can, avoid unnecessary consumption.
- Choose products that are more durable, have recyclable or compostable packaging, and have fewer environmental impacts
- Think about your everyday habits, can you carry with you a keep cup, drink bottle or other reusable item?
- Can you carry reusable shopping bags with you?
- Choose products with minimal, recyclable packaging.
- Avoid highly packaged foods and beverages.
- Avoid replacing products that are still functional
- Repair, rather than replace, repairable items
- Reduce your food waste, compost where you can and don't make or purchase more than you can finish
- Ensure you recycle effectively – do not contaminate the recycling bins with incorrect items

If you have other tips and tricks, please let your Accommodation team know, otherwise you can learn more about what the University is doing on our website: www.auckland.ac.nz/en/about-us/about-the-university/the-university/sustainability-and-environment.html

United Nations Sustainable Development Goals

The University of Auckland supports the United Nations Sustainable Development Goals (SDGs). Throughout the year Accommodation and the wider university will be providing further information and programmes on how you can support and get involved with the SDGs. This is in conjunction with our Waka of Wellbeing framework. If you would like to get involved and organize opportunities for your fellow Residents to learn more about the SDGs please let your Resident Coordinator know or the Residential Experience Officer.

Working in Auckland

The Career Development and Employment Services team (CDES) can help you look for a job. CDES manage CareerHub, a great resource for finding work, and they can help you with CV writing, and working on interview skills. We encourage all students to become familiar with this great University service. You can find them at www.auckland.ac.nz/en/students/student-support/career-development-and-employability-services.html

Student Job Search is also a good way to find jobs during semester and over the summer. To register with them you need your current student ID card and your passport. Find out more at www.sjs.co.nz

International students may be able to work up to 20 hours a week during the academic year. In order to work, you must have a 'Variation of Conditions' on your Student Visa or Permit. You can ask more about your Student Permit at the International Office on campus. Some Study Abroad or Scholarship students are not allowed to work during their time here so please remember to check before you apply for any jobs.

Staying active in Auckland

University recreation

University residents are lucky to receive a free membership to the Recreation Centre. The University gym is located at 70 Stanley Street, and offers an expansive gym floor with modern and functional equipment, group fitness classes and a cycle studio. The Mind and Body studio located on Level 2 is home to yoga, barre and reformer classes as well as low impact cardio and weights equipment. Additional programmes and services are also available such as dance, Boxfit, self-defence, personalised programmes and much more.

The interim sports courts which opened during Semester Two 2020, are located on Wynard Street. These courts will home to University sport for the next three years while the new Sport and Recreation Centre is being built at 17 Symonds Street.

The University also has an amazing sports programme, featuring social sports, interfaculty sports, tertiary sports and support for high performance athletes.

Please see the Sport and Recreation website for further information www.auckland.ac.nz/en/on-campus/facilities-and-services/sport-and-recreation.html

Recreation in the area

All of our residences are located within walking distance of the Auckland Domain, which is also home to the Auckland Museum and the Domain Wintergardens. Auckland Domain has several nature walks that showcase the native forest of the surrounding area, along with grassy fields and shady trees, perfect for an outdoor recreation or study spot.

Mission Bay, a popular beach area, is just around the corner via bus, has and is a great place to go for ice-cream or frozen yoghurt.

Eateries in Auckland

Our residences are located within walking distance of the Auckland CBD and Viaduct which offers dining alongside beautiful views of the Waitamata Harbour and entertainment courtesy of Holey Moley. There is also a mall on Queen Street which offers arcade style entertainment and a movie theatre.

The residences are also close to Ponsonby and Karangahape Road (affectionately known as K Road), which both offer a wide variety of good cafes, restaurants and bars.

Keep an eye on the Auckland Council website, www.aucklandcity.govt.nz, for seasonal events such as the Night Noodle Markets, Art Week and other festivals. There are also plenty of food, arts and crafts markets on most weekends scattered around the wider Auckland area. There is also plenty to do in the wider Auckland region if you want to go exploring on your weekends! The tourism 'i-site' near the Viaduct can provide you with brochures and local recommendations. Alternatively you can check out the Auckland Tourism page for inspiration: www.aucklandnz.com/visit

Insurance for students

Students should remember that they are not covered by any University insurance policy. Consider taking out contents insurance and ensure your property is stored safely and securely at all times. Remember to always lock your door. In New Zealand, ACC (accident compensation corporation) covers all injuries sustained in an accident, but you should still consider taking out medical insurance as ACC won't cover any medical problems not caused by an accident. We strongly recommend that international students take out travel insurance to ensure peace of mind during their time here. As stated in the Rules and Regulations, "the University expressly disclaims any liability for loss or damage to the property of a resident, or the property of any guests of a resident."

Personal safety

New Zealand has an international reputation as a safe and friendly country, but you should still take all the security precautions you would take anywhere in the world.

Emergency services

The number for the emergency services (police, fire and ambulance staff) is **111**. Only use 111 to call the police when a crime is being committed or if life is at risk. Please also inform Accommodation staff if you have done this. For non-emergency calls (such as when a burglary has already been committed and the burglars have gone), call **105**.

Essential safety advice

- Make it a habit to lock your door whenever you're out of your room.
- If you are walking home at night, go in a group and keep to well-lit streets or consider taking a taxi.
- Register your phone with the operator and if it is stolen ask them to ban the SIM card immediately.
- Take care when using ATM machines late at night. Do not walk away from the machine carrying your cash in full view.
- If your credit and cash cards are stolen, inform the card provider immediately. Do not wait until you get home.
- Never write your PIN down.
- Do not carry large amounts of cash on your person, or store large amounts in your room.
- Keep your valuables stored in a safe place, out of view.
- Keep your home secure by locking all windows and doors.
- Take out contents insurance so that you can replace your items in case of theft.
- Backup work on your computer regularly. Keep the backup hard drive in a special place, so that you don't lose vital work if your computer is stolen.
- Make photocopies of your passport photo page, airline tickets, and other important documents you have, in case of theft. Keep these in a different place from the actual documents. It's also worth scanning these and sending them to yourself so you have an electronic copy in your email account.

Places of worship

There are many different places to worship in Auckland if you are religious. Search the University website (www.auckland.ac.nz/) or look through the International Student Handbook for a comprehensive list of various religious and spiritual centres in the region.

Shopping in Auckland

Grocery shopping

Auckland has a wide range of supermarkets such as New World, Countdown and Pak'n'Save that stock everyday groceries. For those with kosher or Halal dietary needs, there is information available online: ahc.org.nz/kosher-kiwi or search 'Halal' in the search bar of the University website (www.auckland.ac.nz/)

There are two Countdown supermarkets near our University residences. The first, Countdown on Quay Street is open 24 hours — you can catch the Inner Link Bus to get to it. The second is inside the Westfield Mall in Newmarket (open 7am – 10pm daily). Again, you can take the Inner-Link or Outer Link bus to get there.

Around the city there are Asian food supermarkets (such as Tai Ping on Beach Road or Lim Chhour on K Road), which are great places to buy cheap produce and specialty goods. There is also a market on the corner of Grafton and Carlton Gore Roads every Saturday morning, as well as a French Market in Parnell on Saturdays and Sundays.

Dairies are small convenience stores. There are many dairies close to the Residences. While they also sell a range of things, including essential items, they generally are more expensive than supermarkets.

The tap water in Auckland is safe to drink, which eliminates the need to buy bottled water.

Retail shopping

Auckland has a wide variety of shopping centres and stores to satisfy all your retail-therapy needs. Within walking distance of the University residences is the newly developed Commercial Bay precinct, which has a range of stores that stock both basics and luxury garments. Newmarket is just a short bus or train ride away and also offers a wide range of retail shops in addition to rooftop dining options.

Other major shopping centres within bus or train distance include Sylvia Park and Westfield Malls in Newmarket and St. Lukes. These offer a huge range of stores, from specialist goods to essentials such as The Warehouse and Kmart. Normal business hours in New Zealand are 9am – 5:30pm Monday to Friday. Most shops are also open over the weekends.

You will need to carry around your passport or other forms of legal ID as proof of age if you want to enter bars or buy alcohol. Alternatively (and a lot more safely), you can also get 18+ ID cards by applying through the Post Office. They cost \$20 and you will

need to get your signature witnessed by a Justice of the Peace.

Transport

Public transport is managed by Auckland Transport, an Auckland Council controlled organisation. Train, bus and ferry services are called AT Metro. AT Metro train and bus services depart from Britomart Transportation Station and Bus Terminal, located on the corner of Customs Road and Queen Street Downtown, as well as on Symonds Street.

The Inner and Outer Link busses stop on Symonds St near the K Road intersection. This service provides transport to many main attractions, shopping areas and entertainment venues around central Auckland. Downloading the AT Mobile app is a good idea as it has useful updates about transport options and traffic in and around Auckland.

Please note that you are required to wear a mask while riding the bus or train. Face masks are available for purchase at most convenience stores. For more information on when to wear them, visit the Covid-19 website: www.covid19.govt.nz/health-and-wellbeing/protect-yourself-and-others-from-covid-19/wear-a-face-covering/

The City, Grafton, and Newmarket campuses of the University of Auckland are within a 10 – 15 minute walk of the Residence.

Public e-bicycle and e-scooter sharing services are very popular and used widely around Central Auckland. If you choose to use these services please follow all health and safety guidelines outlined in the app and ensure that you leave any bikes or scooters outside of Accommodation property so that they remain accessible to non-residents using the service. Only registered, personal bicycles and scooters can be stored in Accommodation designated bicycle storage areas. At no time can battery operated transport be inside any University buildings as this poses a safety and security risk.

Departures

At the end of your Residential Agreement you will need to depart the residence. To prepare for departing the residence you will need to work closely with your Accommodation team to make sure that all of the correct steps are followed.

Generally you will need to provide a departure date, arrange a room inspection, tidy and clean your room, settle your account and hand back your keys. More information will be given to you at least one month prior to departure from the residence.

Check out on the last day of your Residential Agreement needs to be completed by 10:00am, unless otherwise arranged.

Conduct & Residential Rules

Residential conduct process

Introduction

Members of the University's Residential Community are responsible for their own actions as well as the actions of their guests. It is the expectation of the University that each resident will respect all other residents and their property and the residential environment. However, some members of the community may, either by error or intent, violate community standards or push/test boundaries. As these situations occur it will be necessary to hold these members accountable for their actions. It is the intent of the University to approach these violations from an educational perspective, when appropriate. However other sanctions or requirements may be necessary to ensure that the Residential Community continues to be a positive and supportive community, conducive to growth and academic achievement. It is the responsibility of each student to be aware of Residential Rules and expectations the University has for residents.

Conduct process steps

Residents who violate Residential Rules will be subject to a conduct process. The Resident conduct process typically occurs as follows

1. Incident report or formal complaint

Incident reports regarding alleged violations of the Residential Rules are submitted by staff members. Any community member may report an incident by submitting a written account of the incident to an Accommodation staff member.

2. Investigation and request for information

The Resident Manager or Resident Coordinator review the report. After the review, staff will either close the case with no action deemed necessary or conclude that a potential violation may have occurred and a conduct meeting or request for more information is necessary.

3. Conduct meeting

If a conduct meeting is necessary, any one of the following may occur:

- The Resident Manager or Resident Coordinator will manage the meeting and process
- Cases involving allegations or serious violations or continued repeated offenses may be referred up to the Head of Operations – Accommodation and/or the Associate Director (Accommodation), Campus Life
- Cases may be reported to the University Proctor
- Cases may be also heard by the University Student Discipline committee, if deemed appropriate by the Associate Director (Accommodation), Campus Life

The appropriate conduct meeting forum is determined by a member of the Accommodation management team.

The Resident will receive notice via email through the student's preferred email listed in SSO or phone call to their listed cell phone. Notices include information about who will be present at the meeting, a brief outline of the incident, and the date, time and location of the meeting. If a Resident chooses not to attend the meeting, the designated manager will review all of the available information in their absence and determine a response in conjunction with the Head of Operations – Accommodation.

Attendance is important at these meetings, therefore if a Resident cannot attend due to an academic conflict or other significant engagement then they will need to reschedule as soon as possible with the relevant manager.

The conduct meeting will serve as an opportunity for the Resident to share their perspective of the incident and any other relevant information and for staff to engage in a conversation about appropriate community living here at the University of Auckland.

During the conduct meeting the manager will introduce the situation, outlining the incident, why a conduct meeting has been called and the relevant Residential Rules that have been broken and asking for the resident's version of events. The resident is welcome to bring a support person and/or residents that may have been involved in the incident in question but not noted on the report.

After the meeting the manager will go away and think about the evidence given and then make a judgement. The resident will be invited back to hear the decided outcome of the incident and any sanctions that may be issued.

Sanctions

Sanctions that may be issued at the Residence level by a Resident Coordinator include:

- Verbal warning
- Community Service
- Monetary fines or donation to an approved charity up to \$100
- Alcohol / Drug education
- Counselling and/or health services evaluation
- Educational project
- Cost recovery

Sanctions that may be issued at the Residence level by a Resident Manager include those of the Resident Coordinator, with the addition of:

- Written warning
- Community Service
- Monetary fines or donation to an approved charity up to \$200
- Room reassignment
- Restriction of privileges
- Guest bans
- Behaviour agreements

Sanctions that may be issued at the Residence level by the Head of Operations – Accommodation include those of the Resident Manager, with the addition of:

- Transfer to another University operated or affiliated Residence
- Exclusion from the Residence
- Recommendation for eviction from the Residence to the Associate Director – Accommodation
- Monetary fines or donation to an approved charity up to \$1500
- Referral to the Associate Director – Accommodation

Sanctions that may be issued at the Residence level by the Associate Director (Accommodation), Campus Life include those of the Head of Operations – Accommodation, with the addition of:

- Immediate emergency eviction from University accommodation
- Eviction from University accommodation
- Trespass orders for University accommodation
- Referral to the University disciplinary committee managed by the Proctor

The Head of Operations – Accommodation has the power to take disciplinary action as outlined in the University Statutes (refer: University Statutes / Statute for Student Discipline, clause 3(g)).

Appeal of decisions

A Resident can appeal the outcome of a conduct meeting. However, students wanting to appeal an outcome are encouraged to first speak with the deciding Manager. If a student wishes to have an appeal they must contact the Associate Director (Accommodation) Campus Life in writing within five days of receiving the notification.

Residents may appeal based on one of the following:

- Lack of due process followed
- The severity of the sanction
- New and substantial information, not available at the time of original conduct meeting which is now available

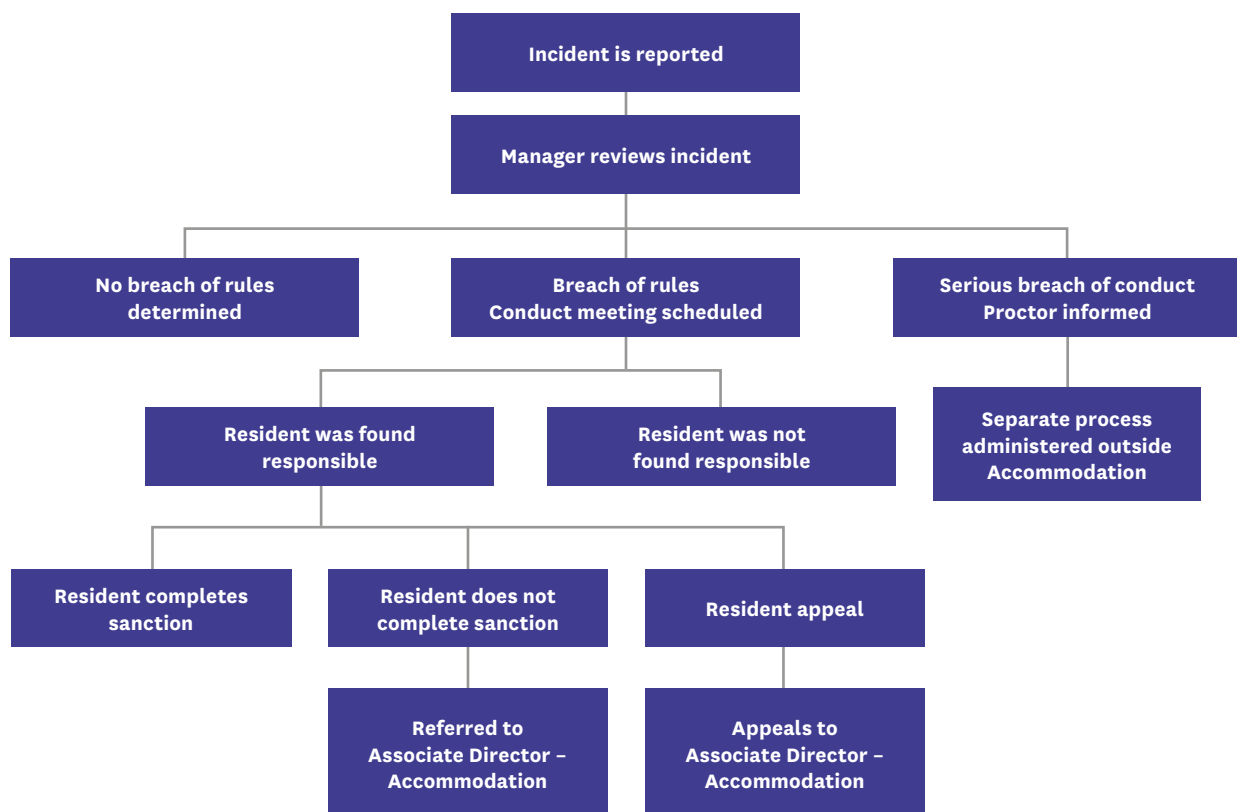

The Associate Director (Accommodation) will review the information and the process undertaken and give a final decision. Where the sanction involves a decision made by the Associate Director (Accommodation) the Director of Campus Life or their nominee will undertake the appeal review.

The appeal may result in one of the following:

- All findings and sanctions of the initial conduct meeting are upheld
- Findings and/or sanctions will be modified as deemed appropriate
- Additional sanctions may be enacted in light of new information discovered during the appeal process

Only one appeal of the outcome of a conduct meeting may occur. Residents are not afforded multiple appeals for a decision.

The residential conduct process

2022 Ture Wharenoho / Residential Rules

Wharenoho Horakai | Self-Catered Residences

These rules are based on many years of experience in managing student accommodation. They are designed to ensure that the community life in accommodation is maintained and that an environment exists that is conducive for everyone to study, to sleep and to have positive social experiences. The underlying principle is consideration for others, particularly with regard to noise levels.

The Residential Rules form a part of your Residential Agreement. These rules apply to 55 Symonds, Carlaw Park Student Village, Goldie Homestead, Grafton Student Flats, Te Tirohanga o te Tōangaroa, University Hall - Apartments and Waikohanga House. By signing the residential agreement, you agree to abide by these rules.

The 2022 Residential rules are in effect from 1 January 2022 through 31 December 2022. If you have any feedback or clarifying questions about the Residential Rules please address these to the Head of Operations – Accommodation and email residentialexperience@auckland.ac.nz.

1. DISCIPLINARY AUTHORITY, CONDUCT MANAGEMENT PROCESS, FINES AND LEVIES

The rules are formulated with a view to the safety and welfare of residents, consideration for the needs of others, and the protection of property.

The rules are intended to benefit all residents. However, the expectations of you outlined in the rules should not be seen as an exhaustive list. In becoming a resident, you become a member of the residential community and accept the responsibilities and obligations of being a good neighbour and citizen, whether or not they are detailed in the rules.

If you fail to comply with these rules and any updated or variation of them which is notified by management at your residence, it will constitute a failure by you to comply with the provisions of your Residential Agreement and may lead to disciplinary action against you, including termination of your right to reside in the residence.

You must at all times comply with these residential rules, the policies of the University of Auckland and all New Zealand law. This includes additional rules and regulations implemented by the Head of Operations - Accommodation and the members of

the Accommodation Management team and/or any duly authorised agent of the University.

The Head of Operations - Accommodation or their designated authority has the power to take disciplinary action as outlined in the University Statutes (refer: University Statutes / Statute for Student Discipline, clause 3(g)).

CONDUCT MANAGEMENT PROCESS

Accommodation will follow a conduct management process should there be a breach of residential rules, or other conduct matters that require attention. You can refer to the Accommodation conduct management process here: www.auckland.ac.nz/en/on-campus/accommodation/university-accommodation/resident-support/resident-conduct.html

You can appeal outcomes of a conduct process to the Associate Director, Campus Life (Accommodation) if you believe that you have been unfairly treated or the process has not been followed.

DISCIPLINARY FINES

- The Head of Operations - Accommodation, or their delegate, has authority to impose disciplinary fines on you.
- The Head of Operations - Accommodation can impose fines of up to \$1500 on you if you breach the rules. You are expected to pay on receiving the notification of the fine, unless you make some other arrangement with the Head of Operations – Accommodation or their delegate person(s).

LEVIES

- You are responsible for your own actions, and you have a collective responsibility to the residential community.
- Levies can be imposed on each resident for costs incurred to repair damages/losses that cannot be attributed to a resident or group of residents, with the cost of repair or replacements attributed equally to those residents on a floor or the residence as a whole. Such levies cover the replacement of stolen or lost property, such as cutlery and crockery from the Dining Hall, and repairs to items such as broken windows and damaged furniture.
- It is therefore in your own interest to discourage and to report any actions that might lead to cost recovery levies being imposed.

RIGHT OF ENTRY

The Head of Operations - Accommodation, delegated staff or other duly authorised persons (including contractors) may enter your room at any time for any of the following reasons:

- If there is an emergency or there is reason to believe somebody is in clear or imminent danger.
- If there has been a breach of the rules by you or a guest.
- If there is external requirement for maintenance on the facilities.
- To perform maintenance in response to a request from you.
- For the purposes of routine inspection at all reasonable hours of the day.
- Where possible, you will be given at least 24 hours' notice of any inspection. There may be instances where it is not possible to give notice.

2. BEHAVIOURAL RULES

GENERAL BEHAVIOURAL RULES AND UNIVERSITY CODE OF CONDUCT

- As members of the University of Auckland community, we all agree to behave in ways that make our University community safe, inclusive and equitable for all. - As a Residential Agreement signatory, you are responsible not only for your behaviour but that of your partner, children and guests. This includes any actions which may threaten the safety and wellbeing of residents, their guests, staff members, and/or the property, which may result in the termination of your residency.
- Criminal acts will be reported to the Police

BULLYING, HARASSMENT AND DISCRIMINATION

Bullying is any repeated unreasonable behaviour that is directed towards a person, or group of people, that can lead to physical or psychological harm. This includes cyberbullying. Harassment is unreasonable or unwelcome conduct that is offensive, humiliating or intimidating to any other person and is either repeated, or of such significant nature that it has a detrimental effect on the person, their performance or their work and study environment. It includes gender-based, racial, and sexual harassment.

Discrimination can occur when a person is treated less favourably than another person, in the same or similar circumstances, because of a prohibited ground such as their sex, colour, religious belief, race, marital status, ethnic or national origins, family status, ethical belief, sexual orientation, political opinion, age, employment status or disability.

Bullying, harassment and discrimination have no place within the University or a residential community.

- You may not behave towards other residents or staff in any way that may constitute harassment, bullying or discrimination.

- Any serious incidents of harassment, bullying or discrimination may lead to the immediate termination of your residency.
- Harassing behaviour may take the following forms (but is not limited to):
- Offensive jokes
- Expressing stereotypes (assumptions about an individual's behaviour/values, identity or perceived identity or culture based on a group they belong to) in an offensive or insensitive manner
- Derogatory or offensive material sent through the mail, email, by mobile phone text or published on a social media website
- Unwanted physical contact
- Intimidation
- Abuse
- Assault

If you believe that you are being bullied, harassed or discriminated against, seek support immediately from one of the accommodation management team.

The accommodation management team is available 24 hours a day for all student emergencies.

3. ALCOHOL, DRUGS AND SMOKING

ALCOHOL

The University of Auckland's Accommodation respects the rights of individuals to consume alcohol in a legal and responsible manner. The University's rules and guidelines concerning alcohol use are intended to promote personal responsibility in regard to an individual's decisions concerning alcohol use or abstinence. It is expected that these decisions will be based on personal values and social responsibility, conform to the laws of New Zealand and support the health and welfare of oneself and others.

Anyone who chooses to consume alcohol will be held fully responsible for his/her behaviour while under the influence of alcohol. If you are in breach of the alcohol rules/guidelines or if the accommodation management team have concerns about your use of alcohol, they will intervene and set behaviour expectations for you.

Failure to comply with the specifics and spirit of the alcohol guidelines can result in terminating your Residential Agreement.

Responsible Use of Alcohol includes:

- Compliance with statutes regarding alcohol use, possession, and distribution.
- Making informed decisions about whether and/or when to use alcohol.
- Knowing your alcohol tolerance limits and not exceeding them.
- Behaving in a way that is not disruptive or otherwise harmful to you or others when you are consuming alcohol.
- Assuming accountability for your actions while under the influence of alcohol.

 - For women, drinking four or more standard* alcohol drinks per drinking occasion, for men, drinking six or more standard* alcohol drinks per drinking occasion.
 - * The definition of one standard drink is 10 grams of alcohol. If you drink a 330 ml can of beer or a 100 ml glass of table wine or a 30 ml glass of straight spirits, you are drinking approximately 10 grams of alcohol, depending on the alcohol percentage.
- Not coercing or forcing anyone of any age to consume alcohol.
- Refraining from engaging or participating in drinking games.

The Health Promotion Agency (www.alcohol.org.nz/) offers information and guidelines for responsible drinking. They also have a number of online self-assessment tools relating to alcohol consumption.

Specific rules for self-catered accommodation consistent with responsible use of alcohol:

- You and your guests are expected to use alcohol in a responsible manner at all times when on University property

8. VISITORS

GUESTS

A guest is any person who is not a current resident (in your specific residence) or staff member. This includes all former residents. The following rules are necessary so that the staff know how many people are in the building for fire and earthquake safety purposes.

- Your guests are most welcome to enter the residence provided they are sober, quiet and well-mannered; they behave responsibly while on the premises and they are quiet when they depart.
- Guests and visitors must be met at the front entrance by you, their host and must be signed into the guest register.
- They must remain in your company while on the premises and must leave the property before 1am. You must accompany them to the front entrance when it is time to leave.
- Your visitors are not permitted to enter the residence if you are absent, unless another resident undertakes full responsibility for the visit and the guest remains in their company until departure.
- You are held fully accountable for your guest's behaviour and actions from the time your guest arrives until the time they leave.

OVERNIGHT GUESTS

- If a family member or a friend wants to stay for a night or two, they are generally welcome to stay provided you have made arrangements in advance.
- You should discuss this with the accommodation management team who will advise of the terms/conditions for guest accommodation and will usually approve the arrangement. It is likely that visits exceeding 2 nights will be denied.
- Overnight guests must be signed into the guest register
- Twin-share rooms pose particular difficulties in accommodating overnight guests and thus where a room is twin-share it may not be possible to allow overnight guests
- You may not have any overnight visitor during study weeks and exam periods.
