About our Hall | Mō mātou
O’Rorke Hall is a 12-storey traditional corridor-style Hall of Residence. Students are housed in single rooms with shared bathroom, common and dining facilities. O’Rorke is home to over 366 students each year and is located on Mount Street in the heart of the City Campus. O’Rorke Hall is the third largest hall offered through the University.

History
The original O’Rorke Hall was opened in 1949 and was torn down in 1987 to make way for a more modern building, which opened in 1989. Between 2015 - 2017 O’Rorke Hall had some extensive work done to the exterior and interior to ensure that the Hall continues to provide a high-quality living environment.

O’Rorke Hall was the University of Auckland’s first Hall of Residence and was named after Sir George Maurice O’Rorke (1830 - 1916), who was the first Chairman of the University Council, a lawyer, politician and Speaker of the House of Representatives.

There are financial consequences for withdrawing from a contract early that your Accommodation team can talk you through this.

Your rights and responsibilities

As a member living in our diverse community, you are afforded certain individual rights that you, as well as those living around you, should respect.

In addition, these rights carry with them a reciprocal responsibility for you and every member in our community. When you uphold your responsibilities, you will be making the university accommodation a great place to live where all students can be successful!

The following is a listing of your “rights” (things to which you are entitled as a resident), as well as your “responsibilities” (what is expected of you as a resident) and they are summaries of what is in your Residential Agreement and Residential Rules of the University:

• YOU HAVE THE RIGHT to a safe and secure living environment.

• YOU HAVE THE RIGHT to let someone know about a fellow member of your community.

Step 2: Check your immunisation status

We want to make sure that Accommodation is a safe living environment, the University of Auckland strongly encourages all of our Residents to have up-to-date inoculations for all preventable diseases such as MMR (measles, mumps and rubella) whooping cough, diphtheria, chickenpox, polo etc. It is strongly recommended that you consider getting immunised for meningococcal disease as well.

If you are unsure about your immunisation history, please consult your GP before you arrive. University Health and Counselling services also recommend you bring a copy of your immunisation records with you. Before you arrive, you will be asked to complete a medical information form on the Accommodation Portal, which will ask whether or not you have had these vaccinations.

Step 3: Make your payment arrangements

Your advance payment and Residential Services Fee are charged to your account prior to the start of your residential period and payment must be received before you are permitted to check into residence.

It is important that you have a plan for paying your accommodation fees throughout the year. Talk with your whanau and come up with a budget and payment plan. This will help you to keep to the timetable throughout the year.

Step 4: Connect with us online and let us know when you are coming

Prior to your safe arrival, we will let you know via email how to tell us your move in date and time. It will be important for us to have this information to manage traffic on the day. We will also let you know how to join our online community!

You can join our online community through our Facebook group UoA - O’Rorke Hall 2023. This is a great way to get to know your fellow residents and keep up to date with activities and events in the Residence. Apply to join and one of the staff will accept you to the page.

The University will hold you as the contract holder liable for all debt and if your balance is not at $0.00 on check-out, you could be referred to debt collectors. Please contact a member of the Accommodation team if you are having financial difficulty so that we may advise and support you as needed.

Social media
Accommodation communicates regularly on Facebook. Our Accommodation Facebook page is subject to all of our normal rules and regulations. Remember our Facebook group is: UoA – O’Rorke Hall 2023.

Social media guidelines
The University encourages students to explore social media responsibly to enhance communication and further support the conduct of teaching, learning and research. You should be aware of the following guidelines:
• Be transparent (honest about who you are), be accurate (thoughtful before you post), maintain confidentiality and be respectful (respect privacy and copyright).
• You should assume that all activities on social media are public.
• Be mindful that actions or content posted may be visible for a long period of time.
• You should uphold and protect the image of University, including your Hall, when publishing content online or carrying out activities in an online environment.

Note on the permission of others
You should also be mindful of having sought and gained the consent of involved parties, whether posting to the Hall Facebook page, your own Facebook or any other social media channel (Instagram, Snapchat, Twitter etc). This is particularly relevant for photos and videos. You must always gain permission from someone whose photo/video you intend to post. If they don’t want their photo/video posted, respect that decision. If you post something without the express permission of the person involved, it may be a breach of their privacy. Depending on the nature of the material, there may be more serious repercussions, such as legal action or a police investigation. If in doubt, always ask the person concerned. You can’t assume they will agree. And if you can’t contact them or have any doubts about what you’re doing, don’t post.

There is bike storage available at O’Rorke Hall located in the car park. You will need to register your bike upon arrival to be given access to the bike storage area.

• You may not store a bicycle in your room or any area other than the bicycle storage area unless this has been arranged with the Accommodation team.
• Please note that if you wish to leave your bicycle over the summer, you must arrange this with the Accommodation team. If you leave your bicycle over the summer without authorization, it will be deemed abandoned property and we will dispose of it accordingly.
• The University of Auckland assumes no responsibility for your bicycle while it is parked or stored within our properties. We strongly recommend that you insure your bicycle and keep it securely locked with a D lock (chains and padlocks are often insufficient) at all times.

Cars and parking
Should you wish to bring a car, you should be aware that you will face the parking problems common to all inner city residents. Limited space is available and parking will be offered on a priority and first-come first-served basis. Costs for car parking in 2023 are to be determined and will be updated on the Accommodation website.

• Your vehicle must only be parked in the space allocated to you.
• When parked in the residence car park, you must display a valid parking pass as issued by the Administrator.
• Vehicles that fail to display a current parking permit and/ or vehicles that are parked in areas other than an allocated space may be towed away and will only be released after the payment of all costs.
• If your vehicle does not display a current parking pass, that is parked in areas other than an allocated space, or that is causing obstruction may be towed without notice at your expense.

• The University of Auckland assumes no responsibility for your vehicle while it is parked in the car park. We strongly recommend that you insure your vehicle and keep it locked at all times.

Confidentiality
Staff and residents of University accommodation endeavour to treat one another with respect and to treat private matters in confidence. There are, however, rare occasions when it may be necessary for staff to contact other concerned outside adults (such as guardians or study abroad agents).

Cleaning and room inspections
Cleaners are employed to clean the common areas, hallways, kitchenettes and bathrooms. You are responsible for cleaning your own bedrooms. Rooms are to be kept clean and tidy, and in a condition that does not create health or safety hazards. Vacuum cleaners are available at reception for you to use.

Vacuum cleaners
You are responsible for cleaning your own room. Our Hall has vacuum cleaners available for you to use. Each floor has its own vacuum cleaner for resident use. You can borrow the vacuum cleaner for 20 minutes. When you have finished with the vacuum cleaner you are responsible for emptying the vacuum cleaner, and returning it in good condition. Please do not vacuum up liquids or large objects. If the vacuum is faulty, please let your Administrator know.

Room inspections
Room checks will be conducted twice a year. If your room is found to be in an unsatisfactory condition you will be given a specific time period to rectify the problem. If you cannot meet the required standard then your room may be cleaned by the cleaners at your expense.

Reporting cleaning issues in the Hall
If you notice any cleaning issues in the Hall, please report this as soon as you can to the Administrator. We will then work with our Cleaners to resolve the issue.

Cost recovery
There are times when students may cause damage to the building, communal areas and/or furniture, where items from the Hall might be taken and not returned. When situations like these occur, your Resident Manager will lead an investigation for more information. This investigation will include:

• Communication of the damage via email, social media and posters
• A request for anybody to provide information on the damage taken item
• Checks of all available security and staff information

If after all the above, there is no specific Resident(s) to attribute the cost to, then per the Residential Rules a communal damage charge will be placed on all in-room Residents’ accounts.

It is in the best interest of our whole community if everyone respects and looks after our home and keeps it safe.

If you cause accidental damage to accommodation property then you will be charged a recovery cost for the repairs and/ or replacement of the property, as per the Recovery Cost Schedule, up to a maximum value of $1,500 + GST per incident.

A schedule of recovery costs, please refer to the incident recharge-costs0.html

If the person responsible for the damage cannot be identified, the cost will be borne by all the resident students as part of a cost recovery levy. Any damage that is deemed malicious or intentional will be recovered at the full cost of the repairs and/ or replacement and the $1,500 cap will not apply.

Civil defence
The University of Auckland has made civil defence preparations that will assist us in managing an emergency such as an earthquake. We expect co-operation from each individual student about these preparations. Students should also take their own personal steps to make sure they are prepared in a civil defence emergency. We encourage students to visit the Civil Defence website getthru.govt.nz for more information and to ensure you have what you need to get through.

The location of your civil defence cabinet is here: Basement Car Park by the main door.

Fire evacuations
On the continuous sounding of the fire alarm you are to proceed to the evacuation point in a sensible manner.

The evacuation point is on the grassed area at the corner of Wakefield Street & Symonds Street.

Before evacuating, you are to make sure that you turn off any appliances you are using that could be a potential hazard.

Residents are to follow all printed evacuation material and staff instructions. If you fail to evacuate the residence you will be required to attend a conduct meeting.

Earthquakes
In the event of an earthquake, you should seek cover away from glass and brace yourself (drop, cover, hold). Remain in this position until shaking stops and it is safe to exit building. Assemble in our emergency evacuation point. A roll call will be taken promptly. Please do not leave the site without informing a staff member.

The location of your emergency evacuation point is: Grassed area at the corner of Wakefield & Symonds Street.
Accommodation arrangements during a pandemic

If there was a global pandemic, as we saw with H1N1 in 2009 or Covid-19 since 2020, unless otherwise directed accommodation will remain open with strict safety protocols in place. The University will introduce specific policies and rules for the safety of all residents, staff and community members.

In the event of a Pandemic all residents are expected to be prepared and adhere to:

- Ministry of Health Directives and Guidelines
- Instructions from Accommodation and other University staff
- Social Distancing Guidelines and Restrictions
- Sanitising Requirements

Residents must comply with the following:

- Report to on-site staff member confirming their location
- Report any illness that they or a neighbour is currently experiencing
- Abide by best practices and recommendations provided by on-site staff
- Limit any movement and consider the need to stay home
- Await further instructions from the University, Ministry of Health, Local Council, Central Government and/or emergency services

During a pandemic lockdown Accommodation staff will still support you and most of our engagement offerings will become digital. Staff will still be present in the buildings to safely respond to emergency and welfare situations.

If accommodation does remain safe and open your accommodation fees will still apply unless otherwise specified by the University.

Staff accommodation

The Resident Manager’s house and any accommodation allocated to members of the Accommodation team are private property and you may not have access to them unless invited. This includes Resident Adviser bedrooms.

WiFi

Wireless internet access is available through the use of the University of Auckland administered WiFi system. The Residence is a wireless accommodation unit. If you are experiencing issues with the WiFi please let a member of the Accommodation team know so that we can report it quickly for resolution. Students should not plug in routers as this may interfere with the broadband

Please note that Accommodation does not guarantee a minimum speed for internet access. WiFi provided in accommodation is managed by the University’s Connect department through the Digital Services division and not through Campus Life.

Having WiFi issues:

Are you having WiFi issues? It is important to provide Accommodation with as much information as possible.

Accommodation will then report this issue to Connect on your behalf. Key information to provide would be:

- Your name, room number and student ID number
- Summary of the issue you are experiencing
- Screen shots of your issues
- Log of times when this is experienced
- Speed test results conducted through sites like speedtest.net

Email all of this information to ororkehall@auckland.ac.nz

If you notice anything in your room or any other part of the residence that needs repairing please let the Accommodation team know. You can do this by logging a ‘My Maintenance’ request on the Accommodation Portal at accommodation.auckland.ac.nz or by letting one of the team know at Reception. Urgent repairs are required and the Reception is closed please contact the on duty staff member.

Maintenance response

Accommodation works hard to quickly resolve all maintenance jobs logged. Once you have logged a ‘My Maintenance’ request on the Accommodation Portal, you can expect the following response times:

- Urgent — Same day
- High — 24 hours
- Routine — 5 work days

Please note that these times are estimates and in some circumstances it may not be possible for repairs to be completed in the above time. This will depend on the complexity of the job, parts available and other factors out of our control. If your request has not been completed in the above time, you can reach out to your Administrator for more information.

Recycling and waste

Please remove all rubbish from your room regularly and deposit it in the central rubbish room located at Level 0 and not in any bins provided in any lounge, common, dining and/or cooking areas.

Do not leave rubbish lying on the ground in this area as this incurs extra cleaning charges by the waste removal company, as well as creating fire and pest hazard.

O’Rorke Hall also has a number of recycling facilities available and encourages its students to recycle correctly. Our floor common rooms come equipped with three recycling waste receptacles.

Your residential experience and support

The holistic success of our residents and the experience they have while living in here is at the core of what we do in University accommodation. Every Accommodation event or opportunity for engagement in accommodation will have a focus on wellbeing.

Our approach to your hauora and engagement

In University accommodation, your success tool kit is represented as your Waka, with each paddle of the Waka symbolising an area of our Accommodation framework. The Waka is a symbol of the University as a means for you to journey forward in pursuit of education.

Our success dimensions (the paddles in your Waka) are:

- **Mind Hinengaro**: Ensuring our academic success, emotional state and finances are balanced, with connection to support readily available.
- **Environment Whenua**: Reflecting on both our personal and global environment, making sure we are positioning ourselves into a healthy place for success.
- **Social Whanaungatanga**: Taking opportunities to form successful relationships, connect with others and build networks and memories with others.
- **Body Tinana**: Looking after ourselves physically, through an awareness of our body’s development and ongoing care, ensuring that we are able to achieve.

Academic assistance

We endeavour to provide an environment that is conducive to academic excellence and success. If you require academic assistance, please do not hesitate to discuss this with your Accommodation team, who will be able to assist you in making the necessary arrangements.

Accommodation promotes self-motivated learning. You are encouraged to create and join study groups, general or subject focused. The RAs will assist in this wherever possible. Residents must be full-time University of Auckland students. Residents are expected to attend the lectures, tutorials and laboratory sessions for which they are enrolled.

**Peer assisted study sessions (PASS)**

Our Halls of Residence provide you with access to peer assisted study sessions (PASS). PASS sessions are held in the evenings and aim to complement your work in lectures and tutorials as well as provide networking opportunities. Sessions are led by senior students known as PASS mentors. If you are interested in what programmes are being offered, just ask a member of your Accommodation team.

**Our Hall engagement programme**

We aim to provide a healthy, engaging living and learning environment for you to achieve the amazing. We encourage you to get involved in the life of the Hall.

Accommodation provides a strong, vibrant and multi-cultural activity programme. Along with key calendar events organised by your Accommodation team, there will be an opportunity for you to collaborate on events for you and your peers.

You will have fortnightly floor meetings with your RA which will focus on building strong connections and developing your skills and knowledge to be successful citizens. These meetings will be structured around topics and learning outcomes from our Waka of Wellbeing.

Elections for the Association take place in the second week of Semester One (immediately after Orientation Week). Each floor will elect their own Floor Representative, and the Hall will elect the President and Vice-President.

The Association has no responsibility for the administration or management of the Hall.

They instead offer an important voice for residents and help facilitate opportunities for fellow residents, with the support of the Accommodation team.

If you have any questions or want to know how to get involved see your Resident Manager or Resident Coordinator.

**Residential Advisory Committee | Komiti Whakamāherehere Wharenoho**

Accommodation operates a Residential Advisory Committee | Komiti Whakamāherehere Wharenoho (RAC). The RAC is made up of student representatives | Māngai Wharenoho Taura from every Accommodation property as well as Resident Advisers and Management. The committee meet on a quarterly basis and provide valuable feedback and insight from the student perspective on the running of accommodation at the University of Auckland.

The President or in their absence, the Vice-President will represent your Hall on the Residential Advisory Committee | Komiti Whakamāherehere Wharenoho.

If you have any questions please email your Residential Experience Officer at: residentialexperience@auckland.ac.nz

**Resident interest groups**

In your Residence we also encourage and support students to manage their own interest groups. Examples of these are green teams, philanthropic groups, music groups and more. See your Resident Manager or Resident Coordinator if you are interested in setting up or being part of an interest group.

**We are a community**

**Caring communities**

By living on campus, you are part of a caring and supportive community. This means that we all look out for one another; we support one another and have respect for each other. Your Accommodation team work in partnership with you to help foster this community and ensure every member is ok. Our motto is: He waka eke noa! We are all in this together.

**Loneliness and homesickness**

Loneliness and homesickness can affect any student during their academic year. By choosing to live in a Residence, you have already chosen one of the more effective strategies to deal with loneliness and to succeed at your studies. However, it can be easy to feel isolated even in a community.

Here are some strategies that may help you overcome loneliness:

The University is committed to protecting the rights and dignity of members of the University community. The University does not tolerate any form of harassment, bullying or discrimination.

The University expects all students and staff to abide by the laws that protect against bullying, harassment and discrimination and to treat each other with respect, courtesy and consideration at all times.

**Consent**

Whether you are in a long term or casual relationship, you and your partner deserve to be treated with respect.

Consent is a free agreement made together about any sexual situation or experience.

Consent is always agreed to in the moment. Having consented previously doesn't mean you consent in the future. Being married doesn't automatically mean there is consent.

Consent is not a contract. You can change your mind. If you are not comfortable with something you have a right for it to stop. It’s OK to say stop.

It isn’t consent if:

- You are drunk or drugged;
- Someone forces, threatens or coerces you in anyway - verbally, physically or emotionally;
- You are under 16 years old.

For more information visit: auckland.ac.nz/en/students/student-support/be-well/healthy-relationships/consent.html
Family violence – it’s not ok
Family and relationship violence can take many forms including physical, psychological, sexual, financial or spiritual abuse. It can disrupt the ability to study or work and can negatively affect performance, effectiveness, safety and wellbeing. It can also impact colleagues, friends and other members of the University community.

The University is committed to being safe, inclusive and equitable. We affirm that family and relationship violence is unacceptable and that every person is entitled to respect, and to live free from fear and abuse.

See our Family Violence Policy and Family Violence Prevention and Management Guidelines for information about how the University provides reasonable support for students and staff affected by family and relationship violence.

For simple tips and contact details to help you stay safe on campus, visit: auckland.ac.nz/en/health-safety-wellbeing.html

Reporting concerns, accidents, near misses

Your Resident Manager is the designated Health and Safety officer for your Hall. If you see any behaviour that you think is unsafe, witness a near miss or an accident please report it to them. You can also report online any Health and Safety Campus or Hall incident by visiting: auckland.ac.nz/en/health-safety-wellbeing/report-concerns-hazards.html
Healthcare, accidents and first aid

If you are ill, you should report this promptly to a member of the Accommodation team. They will assist you where appropriate, especially if you might need medical attention. It is important to seek assistance for medical conditions before they become too serious, as illness can spread very quickly in a group living situation.

Accidents, injuries and first aid

If you are involved in any form of accident or injury onsite, you must let a member of the Accommodation team know promptly. Each Accommodation staff member has undergone first aid training and, if present, can help with injuries on-site.

After the event you will be required to fill out an incident report, which is forwarded to the University Health and Safety department. This is an Occupational Health and Safety requirement.

If you call an ambulance for any reason, inform a staff member immediately so that they can ensure paramedics have access to the building and can be directed to the right area.

The University of Auckland’s Health and Counselling service is also available to you Monday-Thursday 8:30am – 6:00pm, Friday 8:30am – 4:00pm during the academic year. Summer hours will vary slightly. Please note that students must be registered to use this service so be sure to sign up before you move in.

Outside of these hours, for 24-hour help, residents are advised to visit:

**White Cross - Ascot 24/7**
90 Greenlane Road East
Greenlane, Auckland
Mon – Sun: open 24 hours
(09) 320 9555

**First aid kits**

First aid kits are located at the Reception Office. Every Resident Adviser also has a first aid kit in their bedrooms for emergencies.

Healthcare

If you’re feeling unwell, let your Accommodation team know so that we can keep an eye on you and give you any assistance you might need. The University Student Health and Counselling service is found on level 3 of the Kate Edgar Information Commons (Building 315 on the City Campus map) on campus. The friendly team at reception can help you make an appointment with either a nurse, doctor or counsellor. The University provides Health and Counselling services across all of its Auckland campuses. You can find more information about the other campuses here: auckland.ac.nz/en/on-campus/student-support/personal-support/student-health-counselling.html

We also have physiotherapists on campus. They are located next to our University Health and Counselling service on level 3 of Kate Edgar. Please email info@universityphysio.co.nz, see their website universityphysio.co.nz or call 06 379 4717 for more info.

If you are an international student you have compulsory StudentSafe health and travel insurance from the Vero insurance company. It’s a good idea to download the StudentSafe insurance policy (visit auckland.ac.nz/en/on-campus/student-support/personal-support/ international-student-support/health-and-travel-insurance/student-safe-university-policy.html) and read it carefully. It is useful to know what you are entitled to. For example, if you hire a car for a short trip, StudentSafe insures you.

**Supporting you through health issues**

Accommodation cares deeply about your health and wellbeing. If you present with health issues while you are living on campus, Accommodation will support you in assessing the issue and determining the best way forward in partnership with you and assist you in making those appropriate connections you need to get well.

The support we can offer ranges from ensuring that you have meals in your room to connecting you with external support or calling an ambulance. There are times where it is not possible for Accommodation staff to join you on your way to a health provider, but where possible we will contact a nominated person and see if they will support you.

**Hygiene and hand washing**

It is important we all maintain excellent hygiene practices when we are living in communal environments. Hand hygiene is particularly important. Dry hands for 20 seconds.

Sustainable living

We are committed to being a sustainable campus and supporting you in being environmentally friendly. Accommodation has worked hard over the years to ensure our buildings are as efficient as possible, and you have a living environment that supports responsible environmental and sustainable practices. This requires everyone to work in partnership, so we need your help.

**Sustainability tips:**
Below are some tips on how you can work with us to be environmentally responsible:

**Sustainable study:**
- Think before you print, and print only if it is essential
- Use electronic rather than paper-based filing systems for all projects
- Design documents to minimise paper use by reducing the size of the margins
- Collect single-sided paper and re-use it for notes and drafts
- Use double-sided printing and photocopying modes wherever possible
- Recycle paper that has been used on both sides

**Conserve energy:**
- Turn off the lights that aren’t needed in your room and flat, especially when you leave
- Turn off computer screens that are not in use, make sure that energy-saving modes are operating on all types of electronic equipment.
- Make sure appliances (such as TVs) are turned off when not in use

**Save water:**
- Use a cold water wash cycle whenever possible.
- Try showering for four minutes or less
- Put in the plug in the sink when you want to rinse something.
- Turn the tap off when you are soaping your hands.
- Turn the tap off when you brush your teeth
- Make sure you do full loads of laundry in the washing machine
- If there is a leaky tap - tell an Accommodation staff member who will organise for maintenance to fix it.

**Transport & and reducing your carbon footprint:**
- You’re living on campus! Take the opportunity to get some exercise by walking, jogging or cycling to and from the university.
- Support public transport by catching a bus, train or ferry, wherever possible.
- If you have no choice but to use a car try sharing a ride with friends and family
- Take part in tree planting activities - get a group of friends together and set up your own group or join an existing one to help plant and nurture native plants

**Reduce your waste sent to the landfill:**
- Think before you buy, use or waste and re-use whatever you can, avoid unnecessary consumption.
- Choose products that are more durable, have recyclable or compostable packaging, and have fewer environmental impacts
- Think about your everyday habits, can you carry with you a keep cup, drink bottle or other reusable item?
- Can you carry reusable shopping bags with you?
- Choose products with minimal, recyclable packaging.
- Avoid highly packaged foods and beverages.
- Avoid replacing products that are still functional
- Repair, rather than replace, repairable items
- Reduce your food waste, compost where you can and don’t make or purchase more than you can finish
- Ensure you recycle effectively - do not contaminate the recycling bins with incorrect items

If you have other tips and tricks, please let your Accommodation team know, otherwise you can learn more about what the University is doing on our website: [auckland.ac.nz/en/about-us/about-the-university/the-university/sustainability-and-environment.html](auckland.ac.nz/en/about-us/about-the-university/the-university/sustainability-and-environment.html)

**United Nations Sustainable Development Goals**
The University of Auckland supports the United Nations Sustainable Development Goals (SDGs). Throughout the year Accommodation and the wider university will be providing further information and programmes on how you can support and get involved with the SDGs. This is in conjunction with our Waka of Wellbeing framework. Working in Auckland

The Career Development and Employment Services team (CDES) can help you look for a job. CDES manage CareerHub, a great resource for finding work, and they can help you with CV writing, and working on interview skills. We encourage all students to become familiar with this great University service. You can find them at auckland.ac.nz/en/students/student-support/career-development-and-employability-services.html

Student Job Search is also a good way to find jobs during semester and over the summer. To register with them you need your current student ID card and your passport. Find out more at sjs.co.nz

International students may be able to work up to 20 hours a week during the academic year. In order to work, you must have a ‘Variation of Conditions’ on your Student Visa or Permit. You can ask more about your Student Permit at the International Office on campus. Some Study Abroad or Scholarship students are not allowed to work during their time here so please remember to check before you apply for any jobs.

Insurance for students

Students should remember that they are not covered by any University insurance policy. Consider taking out contents insurance and ensure your property is stored safely and securely at all times. Remember to always lock your door. In New Zealand, ACC (accident compensation corporation) covers all injuries sustained in an accident, but you should still consider taking out medical insurance as ACC won’t cover any medical problems not caused by an accident. We strongly recommend that international students take out travel insurance to ensure peace of mind during their time here. As stated in the Rules and Regulations, “the University expressly disclaims any liability for loss or damage to the property of a resident, or the property of any guests of a resident.”

Personal safety

New Zealand has an international reputation as a safe and friendly country, but you should still take all the security precautions you would take anywhere in the world.

Emergency services

The number for the emergency services (police, fire and ambulance staff) is 111. Only use 111 to call the police when a crime is being committed or if life is at risk. Please also inform Accommodation staff if you have done this. For non-emergency calls (such as when a burglary has already been committed and the burglars have gone), call 105.

Essential safety advice

- Make it a habit to lock your door whenever you’re out of your room.
- If you are walking home at night, go in a group and keep to well-lit streets or consider taking a taxi.
- Register your phone with the operator and if it is stolen ask them to ban the SIM card immediately.
- Take care when using ATM machines late at night. Do not walk away from the machine carrying your cash in full view.
- If your credit and cash cards are stolen, inform the card provider immediately. Do not wait until you get home.
- Never write your PIN down.
- Do not carry large amounts of cash on your person, or store large amounts in your room.
- Make photocopies of your passport photo page, airline tickets, and other important documents you have, in case of theft. Keep these in a different place from the actual documents. It’s also worth scanning these and sending them to yourself so you have an electronic copy in your email account.

Check before you apply for any jobs.

Living in Auckland

Recreation in the area

All of our residences are located within walking distance of the Auckland Domain, which is also home to the Auckland Museum and the Domain Wintergardens. Auckland Domain has several nature walks that showcase the native forest of the surrounding area, along with grassy fields and shady trees, perfect for an outdoor recreation or study spot.

Mission Bay, a popular beach area, is just around the corner via bus, and is a great place to go for ice-cream or frozen yoghurt.

Eaters in Auckland

Our residences are located within walking distance of the Auckland CBD and Viaduct which offers dining alongside beautiful views of the Waitemata Harbour and entertainment courtesy of Holey Moley. There is also a mall on Queen Street which offers arcade style entertainment and a movie theatre.

The residences are also close to Ponsonby and Karangahape Road (affectionately known as K Road), which both offer a wide variety of good cafes, restaurants and bars.

Keep an eye on the Auckland Council website, aucklandcity.govt.nz, for seasonal events such as the Night Noodle Markets, Art Week and other festivals. There are also plenty of food, arts and crafts markets on most weekends scattered around the wider Auckland area. There is also plenty to do in the wider Auckland region if you want to go exploring on your weekends! The tourism ‘i-site’ near the Viaduct can provide you with brochures and local recommendations. Alternatively you can check out the Auckland Tourism page for inspiration: aucklandnz.com/visit

Places of worship
There are many different places to worship in Auckland if you are religious. Search on the University website (auckland.ac.nz) or look through the International Student Handbook for a comprehensive list of various religious and spiritual centres in the region.

Shopping in Auckland
Grocery shopping
Auckland has a wide range of supermarkets such as New World, Countdown and Pak’n’Save that stock everyday groceries. For those with kosher or Halal dietary needs, there is information available online: ahc.org.nz/kosher-kiwi or search ‘Halal’ in the search bar of the University website (auckland.ac.nz).

There are two Countdown supermarkets near our University residences. The first, Countdown on Quay Street is open 24 hours — you can catch the inner Link bus to get to it. The second is inside the Westfield Mall in Newmarket (open 7am - 10pm daily).

Again, you can take the Inner-Link or Outer Link bus to get there.

Around the city there are Asian food supermarkets (such as Tai Ping on Beach Road or Lim Chhour on K Road), which are great places to buy cheap produce and specialty goods. There is also a market on the corner of Grafton and Carlton Gore Roads every Saturday morning, as well as a French Market in Parnell on Saturdays and Sundays.

Dairies are small convenience stores. There are many dairies close to the Residences. While they also sell a range of things, including essential items, they generally are more expensive than supermarkets.

The tap water in Auckland is safe to drink, which eliminates the need to buy bottled water.

Retail shopping
Auckland has a wide variety of shopping centres and stores to satisfy all your retail therapy needs. Within walking distance of the University residences is the newly developed Commercial Bay precinct, which has a range of stores that stock both basics and luxury garments. Newmarket is just a short bus or train ride away and also offers a wide range of retail shops in addition to rooftop dining options.

Other major shopping centres within bus or train distance include Sylvia Park and Westfield Malls in Newmarket and St. Lukes. These offer a huge range of stores, from specialist goods to essentials such as The Warehouse and Kmart. Normal business hours in New Zealand are 9am – 5:30pm on Monday to Friday. Most shops are also open over the weekends.

You will need to carry around your passport or other forms of legal ID as proof of age if you want to enter bars or buy alcohol. Alternatively (and a lot more safely), you can also get 18+ ID cards by applying through the Post Office. They cost $20 and you will need to get your signature witnessed by a Justice of the Peace.

Transport
Public transport is managed by Auckland Transport, an Auckland Council controlled organisation. Train, bus and ferry services are called AT Metro. AT Metro train and bus services depart from Britomart Transportation Station and Bus Terminal, located on the corner of Customs Road and Queen Street Downtown, as well as on Symonds Street.

The Inner and Outer Link buses stop on Symonds St near the K Road intersection. This service provides transport to many main attractions, shopping areas and entertainment venues around central Auckland. Downloading the AT Mobile app is a good idea as it has useful updates about transport options and traffic in and around Auckland.

The City, Grafton, and Newmarket campuses of the University of Auckland are within a 10 - 15 minute walk of the Residence.

Public e-bicycle and e-scooter sharing services are very popular and used widely around Central Auckland. If you choose to use these services please follow all health and safety guidelines outlined in the app and ensure that you leave any bikes or scooters outside of Accommodation property so that they remain accessible to non-residents using the service. Only registered, personal bicycles and scooters can be stored in Accommodation designated bicycle storage areas. At no time can battery operated transport be inside any University buildings as this poses a safety and security risk.

Departures
At the end of your Residential Agreement you will need to depart the residence. To prepare for departing the residence you will need to work closely with your Accommodation team to make sure that all of the correct steps are followed.

Generally you will need to provide a departure date, arrange a room inspection, tidy and clean your room, settle your account and hand back your keys. More information will be given to you at least one month prior to departure from the Hall.

Check out on the last day of your Residential Agreement needs to be completed by 10:00 am, unless otherwise arranged.

Conduct & Residential Rules

Residential conduct process

Introduction
Members of the University’s Residential Community are responsible for their own actions as well as the actions of their guests. It is the expectation of the University that each resident will respect all other residents and their property and the residential environment. However, some members of the community may, either by error or intent, violate community standards or push/test boundaries. As these situations occur it will be necessary to hold these members accountable for their actions. It is the intent of the University to approach these violations from an educational perspective, when possible. However, other sanctions or requirements may be necessary to ensure that the Residential Community continues to be a positive and supportive community, conducive to growth and academic achievement. It is the responsibility of each student to be aware of Residential Rules and expectations the University has for residents.

Conduct process steps
Residents who violate Residential Rules will be subject to a conduct process. The Resident conduct process typically occurs as follows

1. Incident report or formal complaint
Incident reports regarding alleged violations of the Residential Rules are submitted by staff members. Any community member may report an incident by submitting a written account of the incident to an Accommodation staff member.

2. Investigation and request for information
The Resident Manager or Resident Coordinator review the report. After the review, staff will either close the case with no action deemed necessary or conclude that a potential violation may have occurred and a conduct meeting or request for more information is necessary.

3. Conduct meeting
If a conduct meeting is necessary, any one of the following may occur:

- The Resident Manager or Resident Coordinator will manage the meeting and process
- Cases involving allegations or serious violations or continued repeated offenses may be referred up to the Head of Operations - Accommodation and/or the Associate Director (Accommodation), Campus Life
- Cases may be reported to the University Proctor
- Cases may be also heard by the University Student Discipline committee, if deemed appropriate by the Associate Director (Accommodation), Campus Life

The appropriate conduct meeting forum is determined by a member of the Accommodation management team.

The Resident will receive notice via email through the student’s preferred email listed in SSO or phone call to their listed cell phone. Notices include information about who will be present at the meeting, a brief outline of the incident, and the date, time and location of the meeting. If a Resident chooses not to attend the meeting, the designated manager will review all of the available information in their absence and determine a response in conjunction with the Head of Operations - Accommodation.

Attendance is important at these meetings, therefore if a Resident cannot attend due to an academic conflict or other significant engagement then they will need to reschedule as soon as possible with the relevant manager.

The conduct meeting will serve as an opportunity for the Resident to share their perspective of the incident and any other relevant information and for staff to engage in a conversation about appropriate community living here at the University of Auckland.

During the conduct meeting the manager will introduce the situation, outlining the incident, why a conduct meeting has been called and the relevant Residential Rules that have been broken and asking for the resident’s version of events. The resident is welcome to bring a support person and/or residents that may have been involved in the incident in question but not noted on the report.

After the meeting the manager will go away and think about the evidence given and then make a judgement. The resident will be invited back to hear the decided outcome of the incident and any sanctions that may be issued.

Sanctions
Sanctions that may be issued at the Residence level by a Resident Coordinator include:
- Written warning
- Community Service
- Monetary fines or donation to an approved charity up to $100

The residential conduct process

The appeal may result in one of the following:

- All findings and sanctions of the initial conduct meeting are upheld
- Findings and/or sanctions will be modified as deemed appropriate
- Additional sanctions may be enacted in light of new information discovered during the appeal process

Only one appeal of the outcome of a conduct meeting may occur. Residents are not afforded multiple appeals for a decision.

**Appeal of decisions**

A Resident can appeal the outcome of a conduct meeting. However, students wanting to appeal an outcome are encouraged to first speak with the deciding Manager. If a student wishes to have an appeal they must contact the Associate Director (Accommodation) Campus Life in writing within five days of receiving the notification.

Residents may appeal based on one of the following:

- Lack of due process followed
- The severity of the sanction
- New and substantial information, not available at the time of original conduct meeting which is now available

The Associate Director (Accommodation) will review the information and the process undertaken and give a final decision. Where the sanction involves a decision made by the Associate Director (Accommodation) the Director of Campus Life or their nominee will undertake the appeal review.

**2023 TURE WHARENOHO | RESIDENTIAL RULES**

**WHARENOHO HORAKAI | CATERED HALLS OF RESIDENCE**

These rules are based on many years of experience in managing student accommodation. They are designed to ensure that the community life in accommodation is maintained and that an environment exists that is conducive for everyone to study, to sleep and to have positive social experiences. The underlying principle is consideration for others, particularly with regard to noise levels.

The Residential Rules form a part of your Residential Agreement. These rules apply to Grafton Hall (including Grafton Student Flats), O’Rorke Hall, University Hall – Towers, Waiapārūro Hall. By signing the residential agreement, you agree to abide by these rules.

The 2023 Residential rules are in effect from 1 January 2023 through 31 December 2023. If you have any feedback or clarifying questions about the Residential Rules please address these to the Head of Operations - Accommodation and email residentialexperience@auckland.ac.nz.

1. **DISCIPLINARY AUTHORITY, FINES AND LEVIES**
2. **BEHAVIOURAL RULES**
3. **ALCOHOL, DRUGS AND SMOKING**
4. **PROPERTY AND BUILDING**
5. **SAFETY AND SECURITY**
6. **LEAVING THE RESIDENCE**
7. **CANCELLING YOUR RESIDENTIAL CONTRACT**
8. **VISITORS**
9. **CHANGES TO RULES**

**1. DISCIPLINARY AUTHORITY, CONDUCT MANAGEMENT PROCESS, FINES AND LEVIES**

The rules are formulated with a view to the safety and welfare of residents, consideration for the needs of others, and the protection of property.

The rules are intended to benefit all residents. However, the expectations of you outlined in the rules should not be seen as an exhaustive list. In becoming a resident, you become a member of the residential community and accept the responsibilities and obligations of being a good neighbour and citizen, whether or not they are detailed in the rules.

If you fail to comply with these rules and any updated or variation of them which is notified by management at your residence, it will constitute a failure by you to comply with the provisions of your Residential Agreement and may lead to disciplinary action against you, including termination of your right to reside in the residence.

You must at all times comply with these residential rules, the policies of the University of Auckland and all New Zealand law. This includes additional rules and regulations implemented by the Head of Operations - Accommodation and the members of the Accommodation Management team.

The Head of Operations - Accommodation or their designated authority has the power to take disciplinary action as outlined in the University Statutes (refer: University Statutes / Statute for Student Discipline, clause 3(g)).

**CONDUCT MANAGEMENT PROCESS**

Accommodation will follow a conduct management process should there be a breach of residential rules, or other conduct matters that require attention. You can refer to the Accommodation conduct management process.
LEVIERS
- You are responsible for your own actions, and you have a collective responsibility to the residential community.
- Levis can be imposed on each resident for costs incurred to repair damages/losses that cannot be attributed to a resident or group of residents, with the cost of repair or replacements attributed equally to those residents on a floor or the residence as a whole. Such levies cover the replacement of stolen or lost property, such as cutlery and crockery from the Dining Hall, and repairs to items such as broken windows and damaged furniture.
- It is therefore in your own interest to discourage and to report any actions that might lead to cost recovery levies being imposed.

RIGHT OF ENTRY
The Head of Operations - Accommodation, delegated staff or other duly authorised persons (including contractors) may enter your room at any time for any of the following reasons:
- If there is an emergency or there is reason to believe somebody is in clear or imminent danger.
- If there has been a breach of the rules by you or a guest.
- If there is external requirement for maintenance on the facilities.
- To perform maintenance in response to a request from you.
- For purposes of routine inspection at all reasonable hours of the day.
- Where possible, you will be given at least 24 hours' notice of any inspection, but this may be instances where it is not possible to give notice.
- Unless life safety is at risk, before keying into a room the staff member will knock and announce themselves loudly and wait 20 seconds for a response.

BULLYING, HARASSMENT AND DISCRIMINATION
Bullying is any repeated unreasonable behaviour that is directed towards a person, or group of people, that can lead to physical or psychological harm. This includes cyberbullying. Harassment is unreasonable or unwelcome conduct that is offensive, humiliating or intimidating to any other person and is either repeated, or of such significant nature that it has a detrimental effect on the person, their performance or their work and study environment. It includes gender-based, racial, and sexual harassment.

Discrimination can occur when a person is treated less favourably than another person, in the same or similar circumstances, because of a prohibited ground such as their sex, colour, religious belief, race, marital status, ethnic or national origins, family status, ethnic identity or association with a person who is known to the person to share those characteristics (relatives of the same household, associates, friends).

Bullying, harassment and discrimination have no place within the University or a residential community.
- You may not behave towards other residents or staff in any way that may constitute harassment, bullying or discrimination.
- Any serious incidents of harassment, bullying or discrimination may lead to the immediate termination of your residency.
- Harassing behaviour may take the following forms (but is not limited to):
  - Offensive jokes
  - Expressing stereotypes (assumptions about an individual's behaviour/values, identity or perceived identity or culture (based on a group they belong to)) in an offensive or insensitive manner
  - Derogatory or offensive material sent through the mail, email, by mobile phone text or published on a social media website
  - Unwanted physical contact
  - Intimidation
  - Abuse
  - Assault

3. ALCOHOL, DRUGS AND SMOKING

ALCOHOL

The University of Auckland’s Accommodation respects the rights of tenants to consume alcohol in a legal and responsible manner. The University’s rules regarding alcohol use are intended to promote personal responsibility in regard to an individual’s decisions concerning alcohol use or abstention. It is expected that these decisions will be based on personal values and social responsibility, conform to the laws of New Zealand and support the health and welfare of oneself and others.

Anyone who chooses to consume alcohol will be held fully responsible for his/her behaviour while under the influence of alcohol. If you are in breach of the alcohol rules/guidelines or if the accommodation management team have concerns about your use of alcohol, they will intervene and set behaviour expectations for you.

Specific rules for halls consistent with responsible use of alcohol:

- You may keep a moderate amount of alcohol in the privacy of your own bedroom, unless you are under 18 years old. The Head of Operations – Accommodation / Resident Manager may define “moderate” as needed but in no case can it exceed 2 litres at any one time. Permitted types of alcohol are as follows: beer, cider, RTDs or wine. Spirits are not permitted; this is due to associated risky behaviour. Whenever possible and for reasons of health and safety, we recommend that the alcohol container is not breakable (metal or plastic).
- Consumption of alcohol in your room is not permitted after 10:00 pm.
- On Thursday, Friday and Saturday nights (except during alcohol-free periods) you are permitted to responsibly consume alcohol in the Hall’s dining room as part of your dinner meal during the dinner period. You may not consume alcohol in any other common area – including balconies, lifts, common rooms, corridors, and all other communal living areas, and within the grounds of the property - unless there is a special event organised with the written permission of the Resident Manager or their delegated authority.

Note: All dining rooms will create an alcohol-free zone when alcohol is permitted in the dining room. The alcohol-free zone should be located so that any student not wishing to be subjected to alcohol can enter the dining room, get their meal, sit and enjoy their meal without having to pass by tables where alcohol is being consumed.

- While everyone may describe “responsibly consume” differently, the intent is to allow you to enjoy a glass of wine (or two), an RTD (or two), a cider (or two) or a beer (or two) with your meal. You run the risk of losing this privilege if you supply or consume an amount that is not consistent with what one might have in a nice restaurant. Students who are intoxicated or behaving inappropriately will be asked to leave the dining hall.

- Boxes, crates, kegs, home-brewing apparatus and drinking paraphernalia (i.e., drinking funnels) are not consistent with the requirement of a moderate amount of alcohol/responsible use and will not be permitted.

- Storing alcohol in communal areas, including refrigeration is prohibited.

- On designated alcohol-free floors alcohol is not permitted to be kept or stored anywhere on the floor.

- Alcohol-free periods will be in force in the hall at various times during the year. The period leading up to and during examinations at the end of each semester. During these times you may not be in possession of, or consume, alcohol in any part of the hall. This will be at the discretion of the Head of Operations – Accommodation.
