

**Non-compliant policies**

Our experience has been that most policies purchased overseas do not meet the guidelines set out in the Code of Practice and, therefore, do not meet The University of Auckland's policy standards. You will be required to purchase a compliant policy before you can enrol.

If your policy does **not** appear on this list then you **must** provide your full policy wording and certificate of insurance in **English** for assessment.

**Note:** Please fill in a policy checklist application and email it with your insurance certificate and policy full wording or product disclosure in **English**.

All required insurance components must be covered under a single policy. Combination of multiple policies are **not** accepted.

The lack of policy detail reflects the general low level of information supplied or provided for assessment. This list will be updated from time to time. MARSH will review any policy that does not appear on this list or any policy on this list where a change may have occurred with the insurer.

**Disclaimer:** The University reserves the right to change or withdraw any of the above lists of policies at any time.
