International Student Advisers

Faculty Student Centres
Faculty Student Centres

Get in touch with your respective faculty student centre if you have any study-related/academic questions, such as:

- Degree planning
- Enrolment help
- Course concessions
Academic information

• Enrolment for offshore students
  – Identify the course/s you want to enrol in.
  – Select the OO class for each course and add to your enrolment cart. If you can’t see an OO class, this means the course is not available online for overseas students.

• Academic Integrity course
  – All students starting a new programme at the university are required to complete this course
  – Non-graded and you can’t fail but it is compulsory
  – Increase student knowledge of academic integrity, university rules relating to academic conduct

• VPN
  – The University Virtual Private Network (VPN) service will improve your experience when watching lecture recordings and downloading course content from Canvas, as well as access to other University applications.
  – Type “VPN” into search bar on the University for Auckland website for instructions
CANVAS

• Canvas is the University of Auckland’s Learning Management System.

• Access information, lecture recordings, assignments, grades and resources, related to your courses

• https://canvas.auckland.ac.nz/

• CANVAS student guide
International Student Advisers

- Immigration
- Personal and emotional issues
- Insurance questions

Our team can support you through phone, email or Zoom!
Meet our team

international.auckland.ac.nz → International student support
Student Visas

• You **do not need** a student visa when studying offshore

• Immigration New Zealand are advising not to apply for a student visa at this time

• When border restrictions are lifted you will need to apply for a student visa before coming to New Zealand
  
  – All international students must have a **valid visa to study** physically in New Zealand

  – Student visa must state the correct programme and the University of Auckland as the education provider
Post-study work visa

• You may be able to apply for a post-study work visa for up to three years after you have completed your programme.

• Current requirements for post-study work visa applications apply - **30 weeks minimum study** in New Zealand for qualifications at level 7 and above on the New Zealand Qualifications Framework.

• If you choose to study online in your home country first a future post-study work visa application may be affected.

• For more information check the [Immigration New Zealand website](https://immigration.govt.nz/).
Health & Travel Insurance

- You will automatically be charged with insurance when you enrol in your courses.
- You are required to pay the insurance fee together with your tuition fees by the start of the semester.
- Towards the end of Semester Two 2021, if you are still studying offshore, we will contact you with information about submitting an insurance waiver.
- If an insurance waiver is approved the fee will be refunded and applied as a credit to your student account.
Libraries and Learning Services

• Online resources and publications
• Academic skills workshops
• English Language Enrichment

www.library.auckland.ac.nz
