Kia ora

We’re counting down the days to Orientation and look forward to you starting with us. Despite being in the Red setting and teaching moving online, all our campuses remain open with measures in place to keep our community safe. To stay up to date with how the University is operating, visit our Covid information pages.

The University of Auckland wants all our students to be set up for success and have fun during their time with us. To ensure that we’re able to support you in the best way possible, please take our short survey.

Everyone who completes the survey by 18 February will be entered in the draw to win an Apple iPad Mini (6th Gen) and a pair of Apple AirPods (2nd Gen). Five runners up will each win a $100 gift card to the University’s Campus Store.

Semester One Orientation

We’re busy making plans for the upcoming Orientation activities and can’t wait for you to get started. With Red settings in place, we’re having to do things a little differently but still have lots for you to get involved with and help you settle in.

To help keep our community safe and ensure you get all the information you need, a combination of online information sessions and smaller on-campus orientation events capped at 100 people is planned. Please register as early as possible if you would like to attend the on-campus activities.

Our campus remains open to explore and we can’t wait to see you there!
Get yourself a UniGuide

Nervous about your first day at uni? Sign up for a UniGuide who can help you find your way around campus, give you tips on resources available and keep you in the know with what's happening on campus.

Sign up

Everyone is welcome here

The University of Auckland works hard to provide an equitable experience for everyone on campus no matter their age, gender identity, ethnicity, physical ability or sexual orientation.

Te Tiriti O Waitangi

The University places particular emphasis on promoting Māori presence and participation in all aspects of University life, including Orientation. As part of this, you will experience a Mihi Whakatau, your official welcome to the University.

**Things to do**

Use our **handy to-do** list and complete some easy tasks before Orientation.

- Upload your My Vaccine Pass into the [University's Vaccination Declaration Portal](#).
- Complete your **DELNA assessment**. We encourage you to do this before you start your programme. However, should this not be possible, you can use one of the computer clusters on campus to complete this in your first week of semester.
- Sort out your **2022 Campus Card** before classes even start.
- **Enrol** using Timetable Planner and select your courses for 2022. If you need help, check out the course advice sessions.
- Visit the [New Student section](#) on the University of Auckland website. You'll find useful information as you start your new journey.
- Register for **AT Tertiary Concession Fares** so you can access cheaper fares on public transport.

**Live with us**

Sorted your study, but haven't got a spot to sleep? Come and live with us! The University offers catered and self-catered accommodation options at several handy locations around the city.

[Find your new home with us](#)

**Get started at your library**

As a new student, the University of Auckland Libraries and Learning Services will provide you with a place to discover learning resources, develop your academic skills through our free workshops, and a cozy place to study. Learn more about what’s on offer at your library.
