

The University of Auckland Entry requirements (Taylors)

Minimum academic and English language requirements for guaranteed entrance into undergraduate study from the Foundation Studies Certificate. Effective for students applying for entry to the University of Auckland in 2022.

Please note that students who do not enter the University with IELTS 6.5 overall with no band below 6.0 (or equivalent), or English minimum score 75% will be required to study and pass an academic English language course during their first year of study. This course will be included as part of the programme of study.

The above information is correct as at August 2020 and is subject to change.

English (EAP) is English for Academic Purposes

To qualify for the Foundation Studies Certificate, students must pass a minimum of four academic subjects and achieve 65% in EAP, or 50% in EAP and pass IELTS with an overall score of at least 6.0.

Age restriction: Students must be 17 years old to be eligible for entry.

¹ GPA includes all subjects taken.

² Faculties with programmes that specify "Selection" may have additional requirements such as a portfolio or interview and reserve the right to deny places to students who achieve the GPA and English language requirements stated in this table for that programme.

³ IELTS 6.0 no band less than 5.5 is still accepted if 70% English is not achieved.

⁴ The science subjects are: Biology, Chemistry, Information Technology, Geography, Mathematics A, Mathematics B, and Physics.

⁵ One year BSc (Biomedical Science) or BHSc, plus five additional years in the MBChB programme if admission is gained.

⁶ One year BSc (Biomedical Science), plus four additional years in the BOptom programme if admission is gained.

⁷ One year BSc or BHSc, plus three additional years in the BPharm programme if admission is gained.

⁸ Duration of conjoint programmes vary.
