Congratulations! You’ve made the decision to study in New Zealand. Studying and setting up a home in New Zealand is an exciting adventure. However, like all travel, this comes with some level of risk and for this reason, New Zealand universities have worked together to create a group insurance plan to cover our international students’ medical and travel requirements.

All international students in New Zealand are required by the ‘Code of Practice for the Pastoral Care of International Students’ to have compliant insurance while studying. Studentsafe insurance is compliant under the Code.

Studentsafe insurance has been developed in association with Marsh, and is issued and managed by AWP Services New Zealand Ltd trading as Allianz Global Assistance (AGA) and underwritten by Allianz Australia Insurance Limited ABN 15 000 122 850 (Incorporated in Australia) trading as Allianz New Zealand.

Visit our website at www.insurancesafenz.com to learn more about your policy. You should read the policy wording for detailed terms, conditions, limits and exclusions.

Pre-existing Medical Conditions

You are not automatically covered for pre-existing medical conditions.

A pre-existing medical condition is any medical or physical condition or circumstance that:

(a) you or

(b) a family member covered under this plan, or

(c) a parent or close family member (in your country of origin) not covered under this plan,

may have before you enrol in the plan, and which may result in a claim being made. This includes conditions or circumstances the individual was aware of, or ought to have been aware of, but did not seek treatment for.

Pre-existing medical conditions are a general exclusion under this insurance plan. For example, if a parent or close relative dies while you are in New Zealand and you are required to travel home, cover will not apply if that parent has died of a pre-existing medical condition.

However, we may agree to offer cover for (a) you or (b) a family member covered under this plan in certain circumstances. You will need to complete a Medical Risk Assessment form before cover can be confirmed. We will only agree to offer cover if we can satisfy that:

• the individual is not covered by any other medical insurance policy;

• the condition is not serious;

• the individual has not been diagnosed with the condition;

• the individual has had no treatment for the condition;

• the individual has been symptom free for at least 12 months.

• the expiry date of your Student Visa;

• the date you withdraw from your course of study and leave New Zealand;

• the date when you are being repatriated under this policy to your Country of Origin;

• or any date that we have otherwise agreed or notified in writing.

Provided the annual premium has been paid in your final year of study.

Recall your registration at the University together with payment of the premium is evidence of cover under the plan. Your student number is also your insurance number.

A record of your insurance cover is held by the University, AGA and Marsh. Once the University sends your enrolment details to AGA, a record of cover will be sent to your email address.

Arranging Cover

If you plan to study at The University of Auckland and are under the age of 60, you are automatically eligible for cover under the Studentsafe Inbound University policy for your study course. If you are 60 years of age or older, you will first need to complete a Medical Risk Assessment form before cover can be confirmed.

If you wish to insure family members under the plan, a Family Application form needs to be completed. If any of those family members are over 60 years of age, they will also complete a Medical Risk Assessment form.

The Medical Risk Assessment and Family Application forms are available from your International Student Office or you can contact us at help@insurancesafenz.co.nz or go to our website www.insurancesafenz.com

Payment

In order to be covered under the plan you and your family members need to also pay a premium. Full year students pay an annual premium and part year students pay a proportion of the annual premium. The premium is payable through The University of Auckland and may change from year to year.

Record of Cover

Your registration at the University together with payment of the premium is evidence of cover under the plan. Your student number is also your insurance number.
