

## Semester Exchange Programme

360 International offers you the opportunity to complete part of your University of Auckland degree overseas. You will have access to more than 130 renowned overseas partner universities where you will be able to attend classes for one or two semesters while earning credit towards your University of Auckland degree. Tuition fees remain the same while you are overseas and we have scholarship funds available to support many of our applicants.

### Step 1 – Check eligibility requirements

Visit [www.auckland.ac.nz/360](http://www.auckland.ac.nz/360) to check your eligibility and the best time to go on exchange for your degree programme. Discuss your exchange plans with your faculty and complete a degree planner.

### Step 2 – Visit Via Traveller Relationship Management system (Via TRM)

The University of Auckland has launched an exciting new tool to help you find your perfect overseas programme. Explore your options online and get matched to programmes that suit your degree and personal preferences. Create a traveller profile at: [www.360international.ac.nz](http://www.360international.ac.nz)  
Read through the university profiles and fact sheets for requirements to ensure you are eligible to participate (e.g. language of instruction, course restrictions, years of study, etc). It is important to take into account your personal preferences, course availability, cost of living, and funding available when considering your list of preferences. You must research a minimum of five universities, and indicate your order of preference on your application.

### Step 3 – Submit your application

Complete the exchange programme application in the Via TRM system and submit your supporting documentation, including a course approval form, before the deadlines. Applications will be reviewed by the 360 International team and we will nominate you for exchange at a host university, taking into consideration preferences, GPA, availability of semester places at the host university, and suitability of the proposed academic programme. You will then be advised to complete the host university application based on your nomination.

### Deadlines

Apply by 1 July for Semester One Exchanges  
Apply by 1 December for Semester Two Exchanges  
Be aware that some universities only have a 1 December deadline. Please check Via TRM for more information.
