### Housing

#### On-campus housing
UNSW affiliated Colleges and Apartments provide high quality accommodation and you need to apply directly to the College or Apartment as soon as possible. Please make sure you select the affiliated options when using the above link.

On campus accommodation is extremely limited and is not guaranteed even if you apply by the deadline.

#### Off-campus housing
Most exchange students choose to live off campus and enjoy the beautiful suburbs that surround UNSW. Sydney is a safe city, with public transport connecting the UNSW campuses, beaches, and city centre.

- **Resources and advice**
- We recommend you arrive 1-2 weeks early to find off campus accommodation. You may wish to book temporary accommodation to allow time to find more permanent housing.

You should never arrange off-campus accommodation or transfer money from overseas.

#### Approximate living costs
We recommend around AU$9,000 – AU$11,000 per half year and AU$18,000 – AU$22,000 per year. Note that this is for the basics and does not include holiday travel and entertainment costs.

### Insurance, funding and visas

#### Insurance
An Australian student visa requires you to have Overseas Student Health Cover (OSHC) for its full duration (most students from Belgium, Norway and Sweden are exempt). OSHC is a government requirement and cannot be waived with off-shore health insurance and/or comprehensive travel insurance.

The UNSW’s preferred provider is Medibank. Further instructions are provided upon acceptance.

#### Funding
Unless you are contacted with confirmation of a scholarship from UNSW, there are no other available funding opportunities. Students are responsible for funding their own exchange.

#### Working
Student visas allow you to work once you have commenced your course at UNSW. You can work up to 40 hours a fortnight during session and unlimited hours when your course is not in session.

UNSW Careers and Employment has a list of employment opportunities available for students and can assist you with your resume and interview preparation.

### Transcripts

#### Transcripts
An official transcript will be sent to you digitally through myEquals at the end of your exchange, after results are released, that you can share with your home institution.

See Grade Definitions and Comparing grading systems for details on our grading system.

#### UNSW Students
For Exchange Partners who send transcripts for UNSW students electronically, please send them to toc@unsw.edu.au
