Study Abroad and Incoming Exchange

As a Study Abroad or Incoming Exchange student at The University of Queensland (UQ), you will enjoy exceptional opportunities to develop the skills and knowledge you need to transform your world.

Consistently ranked among the world's top universities, UQ offers inspiring teaching across more than 4000 courses, world-class indoor and outdoor learning environments, and outstanding facilities. Of UQ's 52,000 student population, more than 18,000 are international students.

The University's outstanding 264,000-plus alumni include a Nobel laureate, the CEO of a Fortune 500 company, an Academy Award winner, and leaders in government, law, science, public service and the arts.

UQ is one of only three Australian members of the global Universitas 21, a founding member of the Group of Eight (Go8) universities; a member of Universities Australia; and one of only two Australian charter members of the prestigious edX consortium, the world's leading not-for-profit consortium of massive open online courses (MOOCs).

Where is UQ?

UQ offers one of the best campus experiences in the world in a location renowned for its relaxed and safe lifestyle, sub-tropical climate and unique architecture.

Brisbane, the home of UQ's St Lucia and Herston campuses, is the modern capital city of Queensland.

Young and progressive, the city is fast becoming a hub in the Asia-Pacific for business, investment, major events and education. With a population of 2.4 million, Brisbane is also home to over 200 nationalities and 220 languages.

Gatton, the largest town in South-East Queensland's Lockyer Valley, is the home of the UQ Gatton campus. Bordered by unspoilt mountain ranges and located only 87 kilometres from Brisbane, Gatton has a culturally diverse population of approximately 7000 people.

Queensland is Australia's largest state by area, and is home to some of the most important natural sites in the world, including the Great Barrier Reef. The state boasts pristine beaches, coral reefs, rainforests, mountain ranges, and outback towns. One of the best ways to discover these is to enrol in a UQ course with a field trip.

Choose a course

Study Abroad and Incoming Exchange students may select from most of our 4000 courses. Most courses at UQ are open to Study Abroad and Incoming Exchange students, but some require permission from the relevant UQ faculty or school prior to enrollment. For courses you list on your application, UQ’s Study Abroad and Incoming Exchange Advisors will request permission on your behalf, and you will receive a report with your letter of offer indicating which courses have been approved.

Follow these simple steps to find courses:

1. Go to my.uq.edu.au/programs-courses. Enter a search term in the search bar – you can search by course code or area of interest – and choose ‘Courses’ from the drop down menu on the right-hand side.

2. Check the level of the course (undergraduate or postgraduate), and which semester and campus it is offered: click on the semester for course description.

   **NOTE:** Course information for 2020 will not be available until September/October 2019. Until that time select the most recent year to view the course description.

3. On the course description page you will find a short description of the course as well as a link to a detailed course profile. If the course is pre-approved for Study Abroad and Exchange students, there will be a note on the sidebar on the left stating this (if the course is not pre-approved, you must meet the prerequisites to apply).

4. To refine your search, go back to the search results page and from the left navigation menu select as many filters as you want: for example, refine your search to include only pre-approved courses for Study Abroad students and/or courses offered in a particular semester.

   **NOTE:** Most Clinical Health Science courses (Medicine, Dentistry, Physiotherapy, Occupational and Speech Therapy and Vet Science) are not available for Study Abroad or Incoming Exchange Students.

This table does not include establishment costs such as rental bond, furniture and utilities set up, personal care, or health and medical expenses for a student or student with dependants choosing to live off-campus.

Cost of fully catered accommodation including utilities, these costs vary from residential college to college.

**Many student accommodation providers include electricity, gas and internet costs in rent; however, check with your provider to be sure. Please note – these fees are based on 2019 prices. Students should allow for a four to five per cent increase in living expenses each year. For the most up-to-date cost of living prices see: future-students.uq.edu.au/international/cost-living.

The Department of Home Affairs has outlined minimum cost of living requirements that international students need to demonstrate in order to obtain a student visa, see immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500/genuine-access-to-funds.
