**Note**: Priority access to engineering programs is given to students from the partner institutions that have Coordinated International Experience (CIE) or faculty specific agreements with UBC Faculty of Applied Science.

### Advanced / Graduates Studies
If any of your students may be interested in learning more about master’s and doctoral degrees at UBC, please direct them to [https://www.grad.ubc.ca](https://www.grad.ubc.ca). Feel free to use any of these promotional materials at [https://www.grad.ubc.ca/promotional-materials](https://www.grad.ubc.ca/promotional-materials).

### Transcripts and Additional Transcript Ordering
We will provide the official transcripts to the exchange office of the partner institution approximately six weeks after the end of exchange term. ## Accommodation
### Campus
- **UBC Vancouver**: [www.housing.ubc.ca](http://www.housing.ubc.ca)
- **UBC Okanagan**: [http://okanagan.housing.ubc.ca/](http://okanagan.housing.ubc.ca/)

### On-campus Housing
Limited number of rooms is reserved for exchange students. Due to high demand, on-campus housing for Term 1 exchange is not guaranteed; in fact, about 53% of Term 1 only exchange students will receive on-campus housing. This includes Split Year students. We recommend that Engineering CIE Term 1 only exchange students look for off-campus housing because of the low chance of getting into a UBC residence.

### Apply to Residence
As soon as students receive their UBC ID number, nominated students should submit a housing application online at [https://secure.housing.ubc.ca/](https://secure.housing.ubc.ca/). There is a $50 non-refundable application fee.

Currently, the housing office in the Okanagan will prioritize all exchange applicants if they apply by the deadline. Term 2 students will be able to apply for housing in the fall semester.
### Housing Placement

For **Term 1 only students**, priority is given to:
- Students from partner schools that evenly distribute Term 1 and Term 2 nomination spots;
- Students whose nomination is submitted during the regular nomination periods.

**Full year and Term 2 students** have priority access.

All residence offers are sent by email from Vancouver housing office and include an expiry date to respond and pay a deposit.

### Immigration Requirements

**Temporary Resident Visa (TRV) or Electronic Travel Authorization (eTA)**

International students who will study at UBC for less than 6 months will need to apply for a Temporary Resident Visa (TRV, “entry visa” or “visitor visa”) or Electronic Travel Authorization (eTA) in order to ENTER Canada. To find out if you are required for a TRV or eTA, please check [http://www.cic.gc.ca/english/visit/visas.asp](http://www.cic.gc.ca/english/visit/visas.asp) or contact the nearest Canadian visa office.

Additional information and tutorials can be found at: [http://students.ubc.ca/international](http://students.ubc.ca/international)

**Study Permit**

A study permit is required for international students who will study at UBC for more than 6 months. Single-term students need to obtain a study permit if they intend to work on campus, want to extend their study to full-year or plan to enter Canada early (more than one month before school starts). If students arrive too early without study permit, their extension request for the period of authorized stay in Canada may not be approved by immigration officers.

If you apply for a study permit, you do not need to apply for a TRV or eTA because it will be issued to you when your study permit application is approved.

### Cost

**Estimated Expenses**

### Health Insurance & Student Services

**Medical Insurance (Mandatory Plan)**

- **Students staying less than 6 months (one term only):** Single-term students are automatically covered under iMED (mandatory health insurance plan) for the duration of their exchange at UBC. The cost of iMED for one term students is $315 CAD + a one-time $9.94 CAD direct billing fee.

- **Students staying for more than 6 months (full year or split-year students):** Full year students are automatically covered by iMED ($75/month) for the first three months before they can be enrolled in BC Medical Services Plan (MSP) ($75/month). BC MSP is the basic medical insurance provided and required by BC government. The iMED plan will ensure that students have adequate medical coverage from the time they leave home (up to ten days prior to arrival if within the coverage dates) and while they are waiting to be enrolled in BC MSP. The total cost of health insurance for Full Year students is $609.94 CAD.

  Full year and split-year students must apply for BC MSP (online application available) as soon as they arrive in BC, Canada. There is a three-month waiting period before students can be enrolled in MSP, during which time the students are covered under iMED. More information: [iMED](http://students.ubc.ca/international) and [BC MSP](http://students.ubc.ca/international).
