Preparing for Your Exchange

CANADIAN IMMIGRATION

The Government of Canada regulates international study permits and visas through Immigration, Refugees and Citizenship Canada (IRCC)

When students arrive in Canada, a border services official will ask to see their travel documents. You should be ready to show the following documents for entry to Canada:

• Valid Passport or travel document
• Letter of Introduction confirming approval of your Study Permit (if applicable)
• Valid Temporary Resident Visa (if applicable)
• Admission letter from Western
• Proof that you have enough money to support yourself during your stay in Canada
• Any other documents recommended by the visa office where you applied (if applicable)

canada.ca/en/immigration-refugees-citizenship/services/study-canada/study-permit/prepare-arrival.html

It is the student’s responsibility to find out the immigration requirements and to obtain the necessary documents for travel to Canada. We recommend contacting a Canadian Consular Office:

canada.ca/en/immigration-refugees-citizenship/services/study-canada/study-permit/prepare-arrival.html

STUDY PERMITS

Exchange students studying in Canada are required to have a valid Study Permit except in cases where the duration of the program of study is six months or less. If you would like to enter Canada for short-term studies with a valid Temporary Resident visa or Electronic Travel Authorization, you must also qualify as a fully vaccinated traveller under current travel restrictions.

**We strongly encourage all exchange students to apply for a Study Permit.** There are advantages to getting a Study Permit, including facilitating re-entry to Canada if you travel during your studies.

If you have a study permit and you decide that you want to continue your studies in another program after you complete your short-term program, you can continue studying in Canada as long as you apply to extend your study permit before it expires.

International students who hold a valid Study Permit and are registered as full-time students are permitted to work on campus. International students without a valid Study Permit are not eligible to work in Canada.

canada.ca/en/immigration-refugees-citizenship/services/study-canada/study-permit/eligibility.html

TEMPORARY RESIDENT VISAS/ ELECTRONIC TRAVEL AUTHORIZATION

Most people require a Temporary Resident Visa (TRV) or an Electronic Travel Authorization (eTA) to enter Canada. A TRV or an eTA is not the same as a Study Permit. A TRV or an eTA gives the student permission to enter Canada, whereas a Study Permit gives him/her permission to study in Canada. See the IRCC website to find out if you need a visa to travel to Canada.

cic.gc.ca/english/visit/visas.asp

**Students must apply for a TRV (if required) before entering Canada.** They are available only at a Canadian embassy, consulate, or high commission outside of Canada. Consult the list of Canadian visa offices to find the office responsible for your country and what requirements you must follow when you apply:

cic.gc.ca/english/visit/visas.asp

If you apply for a study permit, you do not need to apply for a TRV or an eTA separately. Your TRV or eTA will be issued to you if your study permit application is approved.

DESIGNATED LEARNING INSTITUTION NUMBER

Recent changes with CIC require institutions to be approved as Designated Learning Institutions (DLI). Western’s DLI number is O19375892122. (Note: the first character is the letter ‘O’ for Ontario).

canada.ca/en/immigration-refugees-citizenship/services/study-canada/study-permit/prepare-arrival.html

LIVING ON CAMPUS

Traditional dormitory-style residences and apartment-style suites are available. Most residences offer a meal plan. Residence accommodation for students on exchange depends on availability. residence.uwo.ca

OFF-CAMPUS HOUSING

Western is located in a residential area with many housing options close to campus. Our Off-Campus Housing Office provides lists of available housing, advice and translation of rental agreements and terms and conditions. See: offcampus.uwo.ca/international.htm

HEALTH CARE

While in Canada and registered at Western, students are required to be enrolled in the University Health Insurance Plan (UHIP). For information about UHIP and what is included in the coverage please visit iesc.uwo.ca/uhip

While UHIP covers most doctor visits, it does not include any supplemental coverage for items such as prescriptions. **We strongly recommend buying supplementary health insurance in addition to UHIP.**
