**Western University**

Western University is one of the oldest and most beautiful universities in Canada. Located in London, Ontario – just 200 km west of Toronto – Western has 38,000 students, including 4,000 international students from 121 countries.

Our 12 faculties and three and two affiliated colleges share an outstanding academic reputation and are recognized for offering the best student experience in Canada.
Our exchange program is one of the most active in Canada. Each year we welcome 30-40 visiting students from our partner law schools around the world.

1. Academic excellence
Western Law is one of Canada’s leading law schools and boasts a number of professors with international reputations. This excellence is displayed in our courses, conferences and faculty research.

2. Student experience
Western Law has a diverse and collegial atmosphere where students study and socialize together. Our many student legal and recreational associations contribute to the rich extra-curricular student life.

3. Innovative Programs
Our unique January intensive courses are taught by visiting international scholars. During the Fall and Winter terms, visiting scholars - who are leaders in their field of study - teach special one week intensive courses. Our Community Legal Services clinic offers students an opportunity to gain valuable “hands-on” experience and exposure to a wide range of legal matters.

4. Location
London, Ontario is Canada’s tenth largest city with close to 500,000 people in the metropolitan area. Located halfway between Toronto and Detroit, this thriving university town combines the affordability, charm and security of a mid-size community together with easy access to major urban centers such as Montreal, Chicago and New York.

5. Life in Canada
Canada is known for its open-mindedness, multiculturalism and dedication to human rights. During your exchange term, take advantage of our great Canadian wilderness and way of life. Hike and bike London’s trails along the Thames River. Learn to ice skate and ski. Camp, canoe and backpack in numerous provincial parks. Enjoy the pristine sandy freshwater beaches of Lake Huron and Lake Erie.

Housing

On-Campus Housing
Information about on-campus residence arrangements may be viewed at:
www.residenceatwestern.ca/exchange_students

NOTE: Exchange students attending for only one semester may receive a guaranteed offer or waiting list information, depending on availability.

- University residence accommodations include both traditional dormitory-style rooms and apartment-style suites, with most offering or requiring a meal plan.
- During the 2017-18 academic year, both the London Hall and Alumni House Residences were reserved for upper year students. Visiting law exchange students have enjoyed living in these suite-style residences. London Hall is located close to the law school and the recreation centre. A meal plan is optional in these residences since cooking facilities are provided in each suite. In past years, London Hall residence has been the most popular choice amongst exchange students.
- Note that all other University residences are primarily occupied by first-year undergraduate students (that is, most residents are 18-19 years of age). These residences will require the purchase of a meal plan and will have more rules regarding visitors and overnight guests.

Off-Campus Housing
- Western is located in a residential area with many housing options close to campus. Western’s off-campus housing office provides a wide range of services including listings for off-campus housing rentals; average rental prices for various types of accommodations in London; and advice and translation of rental agreements, terms and conditions. Staff are also available to provide personal assistance via email or phone: offcampus.uwo.ca/exchange_students
