While in Canada and registered at Western, all exchange students are required to be enrolled in the University Health Insurance Plan (UHIP). Enrollment will be completed upon arrival. For information about UHIP and what is included in the coverage, please visit: <http://uhip.ca/>

- The UHIP fees for 2021-22 were: \$252 for a four-month term / \$504 for an eight-month academic year

While the UHIP plan covers most doctor visits and hospital costs in Ontario, it does not include any supplemental coverage for services such as prescription medications, dental care, eyeglasses nor for most out-of-country expenses. We encourage you to review the health insurance plan details on the UHIP website and strongly recommend purchasing supplemental coverage in addition to the UHIP plan.

Housing

At this time, and due to the current COVID-19 policies and guidelines in place, Western University cannot guarantee on-campus housing to visiting exchange students for the 2022-23 academic year. We are optimistic that on-campus housing will be available to visiting exchange student, however, students should be prepared for the possibility of having to privately secure off-campus housing.

On-Campus Housing

Information about on-campus residence arrangements may be viewed at:

https://residence.uwo.ca/resources/international_exchange_student_guide/

- University residence accommodations include both traditional dormitory-style rooms and apartment-style suites, with most offering or requiring a meal plan.
- Note that all other University residences are primarily occupied by first-year undergraduate students (that is, most residents are 18-19 years of age). These residences will require the purchase of a meal plan and will have more rules regarding visitors and overnight guests.

Off-Campus Housing

- Western University is in a residential area with many housing options close to campus. Western's off-campus housing office provides a wide range of services including listings for off-campus housing rentals; average rental prices for various types of accommodations in London; and advice and translation of rental agreements, terms and conditions. Staff are also available to provide personal assistance via email or phone.
