### Semester Period & Quarter System

Currently Hiroshima University has adopted two systems:

1. Semester system (2 semesters)
2. Quarter system (4 terms)

※ Students can take courses by combining both semester course and term course if they want if there is no class clash.

※ Please also refer to the chart above ‘Academic Calendar & Class Schedule’.

#### [Semester System : 2 semesters per year]

The academic year in Japan starts in April and ends in March of the following year.

1. Fall Semester (early October – middle of February), and
2. Spring Semester (early April – middle of August).

※ HUSA program participation is to be planned as follows, starting from fall semester.

A. Attending two semesters (Fall & Spring), or
B. Attending one semester (Fall Only).

#### [Quarter System: 4 terms per year]

※ Hiroshima University introduced the “Quarter System” (a 4-term system) in 2015.

※ The class periods of the first semester and the second semester are divided into two terms, in quarter system.

### Student Status

Students selected in the HUSA program will have the status as follows during their exchange period at Hiroshima University.

#### Special Auditing Students

**[Undergraduate Student or Graduate Student]**

- Japanese Immigration Law requires students to take at least 10 hours of classes per week.
- If a student fails to meet the requirement above in the 1st semester, the HUSA Committee will put students on probation and if necessary, participation in the HUSA program will be discontinued (first semester).
- Whether the credits taken at Hiroshima University can be transferred to the Program in the students' home university is up to the decision of the home university.

#### Special Research Students

**[Graduate Student ONLY]**

- Special research students are expected to conduct research in their specialized area and do not obtain credits.
- They are required to submit the ‘Detailed Plan of Research’ at the time of application.
- Special research students are required to find their own academic supervisor for the research by themselves, and report it in their ‘Detailed Plan of Research’ at the time of application. Please contact the professor who can supervise the research beforehand.

**Hiroshima University Exchange Program [HUSA program]**

| Program Name | Hiroshima University Study Abroad (HUSA) Program 広島大学短期交換留学(HUSA)プログラム
ひろしまだいがくたんきこうかんりゅうがくプログラム |
|--------------|--------------------------------------------------------------------------------|

**Exchange Program Features**

Established in 1996, the Hiroshima University Study Abroad Program, or HUSA, is an exciting and eye-opening international exchange program. Designed specifically for university students who are interested in Japanese culture and society or students who want to deepen and broaden their studies with a period of study abroad, HUSA offers an unparalleled cultural experience for either 1 semester (6 months) or for a full academic year.

**Participation Period**

- Fall Semester Only (one semester only)
- OR
- Fall Semester & Spring Semester (two semesters)

Please be reminded that HUSA students can participate in the HUSA program only from Fall semester (starting from late September).

**Language Requirement**

In order to participate in the HUSA program, applicants need to be proficient either in English OR Japanese.
(Native English speakers do not need to submit the document of language proficiency tests.)

1. **Criteria for English**: Equivalent to

2. Student must be a student of a university with which Hiroshima University has concluded a formal short-term student exchange agreement.
3. Students must have a good academic record.
4. Students must have strong academic interest in Japanese culture and society as well as cross-cultural learning.

**Areas of Study Open for**

HUSA students are eligible to take most of the undergraduate courses.
### Exchange Students

Courses can be mainly categorized as follows according to the language proficiency (English and Japanese).

1. Japanese Language Courses (5 levels are offered from elementary to the advanced.)
2. Courses Taught in English
3. Other Courses (Offered for regular students in Japanese)

#### [Japanese Language Courses]
- 5 levels of Japanese language courses are offered, from elementary to the advanced level.
- Any student who wants to take Japanese language courses are required to take the **On-line Japanese Placement Test** before the beginning of each semester. On-line placement test is to be held during the designated time for each semester.

“Glocal Internship” course is offered for HUSA program students. For the details, please see the homepage of Dr. Naomi Tsunematsu
https://home.hiroshima-u.ac.jp/~ntsunema/internship/

### Areas of Study NOT Available to Exchange Students

HUSA students are eligible to take most of the courses in most of the faculties if they have a fairly advanced proficiency in Japanese.

- At the time of application, applicants are required to provide the proof of 1) English language proficiency, or 2) Japanese language proficiency. Based on the language proficiency level of English and Japanese, HUSA students are eligible to take various kinds of courses offered in various faculties (except courses with special requirement or prerequisite requirement).

- Please be notified, in the field of medicine, law, practicum for pedagogy, and laboratory training for science and engineering courses, there are courses that HUSA students are not eligible to take.

- For Course List, please refer to the Hiroshima University Syllabus homepage below.
