Language requirements

Students whose mother tongue is not English are recommended to have at least a level of B2-C1, or equivalent of an overall IELTS score of 6.5 or an overall TOEFL score of 575 (paper-based/100 internet-based). **We do not need to see the test results but ask all our partners to make sure their students have this level before nominating them to us.** Please note that all our courses have mandatory active attendance. This is means that students are expected to come to their classes well-prepared and ready to actively discuss the contents of the day’s lecture/seminar/etc. For optimal class dynamics, it is therefore very important that your students meet our language requirements.
