**Off-Campus Housing Information**

Students may also live off-campus if they choose, but there are some important things to consider:

a. There is no public transportation in Arlington, so it is essential that students live within walking distance of UTA.

b. Many off-campus apartments may require a one-year lease.

c. Many off-campus apartments will not come furnished.

**Courses**
Courses available during the fall semester (August-December) will be posted in mid-March. Courses available during the spring semester (January-May) will be posted in mid-November.

**Schedule of Classes**
For course availability each semester please visit:
http://www.uta.edu/schedule

The Study Abroad Office will assist students with academic advising and enrollment.

**Enrollment**
Students may enroll in any course for which they meet the prerequisites. Courses are offered on a per semester basis only. Enrollment in any specific course cannot be guaranteed.

**Students cannot enroll in courses until they have completed International Student Orientation upon arrival at UTA.**

**International Student Orientation**
Students are required to attend orientation and will not be cleared to enroll in courses until they have completed a full-day orientation session.

Note: The $60 Orientation Fee will be waived for exchange students.

**International Student Welcome Center**
Students should visit the Welcome Center when they arrive at UTA to submit copies of their Passport, I-20 and I-94 documents.

The Welcome Center also serves as a resource for new international students to get information about transportation, campus events, etc. https://www.uta.edu/oie/?page=newstudents
# Health-Related Requirements

**Required Health Insurance**  
In fall 2014, all University of Texas System schools adopted new insurance regulations. Please read about these requirements here: [http://www.uta.edu/oie/?page=forms&form=HealthInsuranceWaiver](http://www.uta.edu/oie/?page=forms&form=HealthInsuranceWaiver).  
All international students (including exchange students) are required to purchase the UT System International Student Insurance. Students may submit a waiver request, but very few students will qualify for an insurance waiver. Students should plan to purchase the UT System insurance. They can pay the cost of the insurance in installments after they arrive in Arlington and have registered for classes. The cost for the 2019-20 academic year has not been set yet. We will send out an update when those figures become available.

**Tuberculosis Testing**  
All international students are required to have a TB screening before they can enroll in classes. Read more about TB testing requirements here: [http://www.uta.edu/healthservices/international%20students/health-reqs.php](http://www.uta.edu/healthservices/international%20students/health-reqs.php).

**Meningitis Vaccination**  
All new students under the age of 22 are required to have a meningitis vaccination. The vaccination must be done at least 10 days before the start of the semester. More information about this requirement is available online here: [http://www.uta.edu/healthservices/international%20students/health-reqs.php](http://www.uta.edu/healthservices/international%20students/health-reqs.php).

**Note:** Students are responsible for the costs of the TB screening and meningitis vaccination.
