STUDY PROGRAM

COURSES
Students must attend the UW on a full-time basis. A full-time course load is 12-18 UW credits per quarter. 18 credits is the maximum. Quarters run for 10 weeks each. Incoming exchange students typically take three or four 100- to 400-level courses with each course carrying 4 UW credits.

Exchange students are responsible for ensuring that the credits they receive will transfer back to their home institution. Demand and space constraints make Finance and Accounting courses difficult to get into. Foster School incoming exchange students are allowed to take non-business coursework.
