* Accounting is also useful preparation
† Biology is recommended for students with an interest in Medical Physics

---

**Recommended subjects** are those that are required for University of Auckland degree programmes. **Recommended subjects** are those that are useful for degree preparation, but not required to gain entry. **Required subjects** are those that are needed to gain entry to a degree.

**Academic English Language Requirement (AELR)**

If you are applying for admission to an undergraduate programme and you are a domestic student, or an international student applying on the basis of a New Zealand secondary school qualification or on the basis of results at another New Zealand tertiary institution, in addition to any University Entrance Literacy standard, you must meet the Academic English Language Requirement either through your entry qualification or during your first 12 months of study.

**Meeting the requirement through school qualifications**

To satisfy the AELR via an entry qualification from a New Zealand secondary school you must achieve the following:

- For NCEA
  - Classical Studies, English, Geography, History, History of Art, Te Reo Māori (or Te Reo Rangatira)
  - Mathematics cannot be used in combination with Calculus and/or Statistics

- For CIE
  - Classical Studies, English, Geography, History, History of Art

---

**For NCEA**
