9TH ANNUAL
**Research
Showcase**

15 September 2017 | Large Chem Lecture Theatre

On 15 September 2017 the School of Chemical Sciences will hold its 9th Annual Research Showcase. This event provides an excellent opportunity for PhD students to showcase their research, and network with the New Zealand chemistry community. The exciting, one-day event will feature PhD student presentations, a poster session, two high-profile keynote lectures and will be followed by a reception to bring together students, staff, industrial partners and researchers from other New Zealand universities.
