

Preparatory Chemistry Online

To access and enrol in the Preparatory Chemistry online course:

- Go to www.bestchoice.net.nz.
- Click on SIGN UP. Do the following on the page that comes up.
 - Choose The University of Auckland as your institution.
 - Enter a username and password.
 - Enter your email address and full name.
 - Enroll in the class ID 12379 with password atom.
 - Click on SIGN UP at the bottom of the page
- You will go directly to Prep Chem online.
- Click on BUY LICENCE on the dialog that comes up and follow the instructions to pay using your credit card. We are using PayPal's secure system for our transactions, but it is NOT necessary to create a PayPal account. The cost is \$85.00
- When the transaction is complete, you will have full access to all activities when you log in using your chosen username and password.
- Be sure to read the information page that is at the top of the menu at the left and to take notice of the recommendations for where you start based on your background.

If you have any problems with this contact Dr Sheila Woodgate (sd.woodgate@auckland.ac.nz).
