

Speech Language Therapy

Summer Clinic

We thought you'd like to know that speech language therapy sessions, supervised by an experienced clinical tutor, will still be available over the summer months, even though our teaching clinic is closed.

These summer sessions will be conducted by students who have recently completed their studies towards a Masters degree in Speech Language Therapy.

Sessions for both children and adults will be available at a cost of \$51 per visit, including GST.

CLINICS

7 February - 10 March 2017
