BMus/BSc – Classical Performance major conjoint degree planner

For new students from 2018.

BMus Component Degree Structure

- For the BMus component of the conjoint degree you need to complete a minimum of 255 points from courses in one of the major subjects listed in the Bachelor of Music schedule.
- At least 150 points above Stage One, including at least 75 points above Stage Two.

BSc Component Degree Structure

- BSc requires 255 points in at least two Science subjects defined as majoring subjects in Science regulations.
- At least 60 points above Stage Two in the majoring subject and an additional 15 points from a Stage Three Science subject.
- At least 150 points above Stage One, including at least 75 points above Stage Two.
- If completing a double major, first major must include 60 points at Stage Three, second major must include 45 points at Stage Three as outlined in the BSc major schedule. Students must meet the requirements for each major separately, no double counting courses.

General Education and 15 points from any available University programme

- You must complete one General Education course chosen from either the **Open** or **Faculty** General Education Schedules available to either of your component degrees.
- You must also pass the Academic Integrity course as specified in the Enrolment and Programme Regulations.
- You are also required to complete one more 15-point course from any available University programme, including General Education.
- It is not advised to take the General Education course in your first year of study.

Enrolment Pattern

- BMus/BSc conjoint degree takes a minimum of four years to complete.
- You are recommended to enrol in not more than 135 points in the first year of BMus/BSc (with no more than 60 points in the first semester of enrolment).
- Of the 60 points taken in the first semester, 30 should be for the BSc component and 30 should be for the BMus component. Of the 75 points taken in the second semester, points should again be split reasonably equally between the two components. For the BMus component, you should choose courses that are within the schedule for your approved major.
- In order to remain in a conjoint degrees combination a student needs to achieve a Grade Point Average (GPA) of at least 3.5 each year.
- To complete in a minimum of four years, BMus/BSc students would usually enrol in 135 points each year. There is no requirement however, to complete within the minimum time of four years, and students may enrol in a more manageable study load and extend the overall timeframe.
- *The University of Auckland Calendar* defines fulltime study as enrolment in no less than 100 points in an academic year or no less than 50 points in one semester or no less than 25 points in Summer School.
- *The University of Auckland Calendar* states that the maximum number of points a student may enrol in over a single academic year is 170 points (students can enrol in up to 80 points in each of Semester One and Two, and up to 30 points in Summer School provided the overall limit is not exceeded).

Students should ensure they meet all degree requirements by using the 'My Programme Requirements' function in Student Services Online (SSO). The information included in this form is correct at the time of going to print, however no responsibility will be accepted for any errors, omissions or subsequent changes to timetabling or courses offered.
