GENERAL EDUCATION

Should you not have taken your General Education course yet:

You may take ENGLISH 121G or any other General Education course available from the appropriate schedules, i.e. either the Open schedule or the Education and Social Work schedule - see details following.

Go to www.auckland.ac.nz/uoa/cs-general-education to find out what General Education courses are available. Choose a course that does not clash with your BEd(Tchg) ECE timetable. Please allow for travelling time if the course you select is taught at the City campus.
Only courses with the **G suffix** from the Open and Education & Social Work Schedules satisfy the General Education requirement. Also note that you must select courses from outside of your degree area (i.e. no identical course codes e.g. EDUC 100G and EDUC 114).

General Education is also available in Summer School 2022.

**Repeating course(s)**

If you need to repeat a course(s) for the third time or if there are possible enrolment clashes with practicum placement please contact the Education Student Centre on education@auckland.ac.nz.

**Please note** that there is a specific form available at the Education Student Centre when requesting third time repeat approval. Completed applications need to be **submitted at least one month before semester starts** to allow for processing time.

**Timetable**

You are able to view your timetable from the following link:

**Enrolment Concession**

When an enrolment fails due to an error, there may be an opportunity to apply for an online concession providing it meets the listed criteria. A reason for the concession must be selected from the drop down box.

**Note:** If the class you have selected is full, please check back to see if a student has moved. We cannot approve concessions for full classes.

Please be aware that there may be a time delay in processing your concession.

**DELNA**

DELNA is a diagnostic procedure designed to identify a student’s strengths and weaknesses in academic English. All first-year students do the initial 30-minute DELNA Screening. Visit DELNA for more information.

Enrolment in future practicums i.e. EDPRAC 306 will be restricted until DELNA requirements are successfully completed.

**Academic Integrity**

Please ensure that you have completed this online course around academic integrity and the University rules relating to academic conduct. **Completion of this course is a requirement for your degree to be awarded.** See the link https://www.auckland.ac.nz/en/about/learning-and-teaching/policies-guidelines-and-procedures/academic-integrity-info-for-students/about-academic-integrity/academic-integrity-course.html
