2024

60 points

SOCWORK 796A - Thesis (60 points)

**Semester Two**

2024

60 points

SOCWORK 796B - Thesis (60 points)

**Thesis Enrolment**

Prior to enrolment in a Thesis, you must complete a Research Methods Course and apply for Research Approval through the Postgraduate Research Approvals and Examinations sub-committee. (This is not Ethics approval - that process is completed with your supervisor). The steps you need to take are as follows:

- Decide on a research topic and describe this for yourself, once you have a description
- Look for those with a similar interest area and review the list of potential supervisors on the Supervisor Register
- Send emails to potential supervisors in the Faculty along with your description of the research you would like to engage in
- Once you have found a supervisor and are both happy with your proposal, please submit your research proposal online.

It will then be tabled at the following meeting of the Postgraduate Research Approvals and Examinations sub-committee. For further information, please see Guide to Theses and Dissertations.

For further assistance and advice, please email studentinfo@auckland.ac.nz or visit one of our Student Hubs. You can also access a range of information about the University of Auckland online at AskAuckland.
