MERERO FORBES (NGAPUHI)
Tumu Whakarae / Manager & Pou Hāpai/Academic Support
(Justice of the Peace)
“I believe that education is one of the tools that can help to
build a more positive future for our peoples. Māori students
come to the university with an aspiration - that aspiration is to
succeed. It is our responsibility to assist students to make their
goal a reality”.

WHAIA TE MATAURANGA - SEEK AFTER LEARNING

Nau te pāro, nāku te pāro, ka ora ai te īwi
Through united effort our people will prosper

Promoting Māori Academic Success
Te Korowai Atawhai means ‘the cloak of kindness, warmth and support’.

We believe that each student is unique, with potential to succeed in their chosen academic pathways. Students are central to the unique character that is the Faculty of Education.

Students who choose to study at the Faculty of Education have the right to expect a high standard of quality teaching and pastoral support that provides for unscheduled life events. At Te Korowai Atawhai we are committed to providing services that take into consideration both.

Te Korowai Atawhai privileges the ‘whole person’. We view the emotional, intellectual, social, cultural and spiritual components of the individual as integral to our teaching and service approach. Students are the driving source that is the communal success of our service.

“YOU” are the key to the success of Te Korowai Atawhai (Māori Academic Support Services).
