Welcome to the Faculty of Education and Social Work at the University of Auckland.

The aim of all the faculty’s teacher education programmes is to develop graduates who are able to demonstrate an evidence-informed, outcomes-focused, inquiry-based approach to teaching. It is envisaged that you, as a graduate, will have the research, subject knowledge, pedagogical understandings and appropriate dispositions to enable you to teach in ways that focus on children and young people’s learning, and to address current disparities in educational achievement.

Underpinning teacher education programmes is the view that education encompasses the intellectual, moral and emotional growth of the individual and, consequently, the evolution of a democratic society (Dewey, 1916). Teaching, therefore, is a moral and ethical activity that requires you, as a student teacher, to develop critical knowledge, skills and dispositions to teach in ways that enable success for all learners. This is a complex undertaking that requires integrating many kinds of knowledge and skills in order to make the best teaching decisions for a diverse range of learners (Darling-Hammond & Bransford, 2005). Thus a variety of learning opportunities will be provided to assist you to develop, integrate and apply knowledge, understandings and skills that will enable you to become effective beginning teachers.

The faculty’s teacher education programmes are underpinned by a conceptual framework, at the centre of which is the overarching goal that you, as a graduate, will become: A research-informed, inquiry-based practitioner who leads the learning of others by creating purposeful, responsive and safe learning environments within which all learners achieve valued skills, knowledge and attitudes (please refer to the Conceptual Framework on page 5 of this handbook).

Each of the seven circles within the framework addresses a vital area of critical knowledge, skills and dispositions that provide a consistent focus across all courses and learning experiences in teacher education programmes. A related set of principles, along with specific graduate outcomes that contribute to each vital area and collectively address the overarching goal of the Conceptual Framework, underpin all teacher education qualifications. (These are included and detailed on page 6). Importantly the Education Council’s Graduating Teacher Standards (which are listed on page 7) are embedded in this framework.

Concepts relating to Māori and diversity are fundamental to the achievement of all other outcomes. The first concept is the recognition of the special place of Māori in education in Aotearoa/New Zealand. This recognizes the commitment to prepare teachers with a sound understanding of Māori education priorities and aspirations, and a preparedness to work towards the achievement of these aspirations as central to teacher education programmes. The second central concept embedded within programmes is the acknowledgment that all learners are entitled to quality education that addresses their diverse learning needs.

It is hoped that your programme will be a fulfilling, rewarding, gainful experience that results in you becoming a successful beginning teacher. Best wishes in your studies.

References:
Notes (refer to circles above):

1. What is expressed in MoE statement of intent, curriculum statements, and community expectations.

4. We acknowledge that students/learners bring into education their values, beliefs and dispositions which are shaped by language, culture, ethnicity, gender, sexual orientation, religious affiliation, marital status and ability/disability.

5. Theory refers to own, as well as formal theory.

7a. Responding effectively to the interests and aspirations of Māori learners and communities.

7b. Developing knowledge of tikanga Māori, te ao Māori and te reo Māori

Comments:

(i) The dashed interconnecting ring (___) indicates that the foci of the seven circles are interconnected in complex ways.

(ii) The numbers in brackets refer to the Education Council Graduating Teacher Standards (EC GTS).

(iii) The Education Council Code of Ethics for registered teachers underpins the EC GTS.

</table>
PROFESSIONAL KNOWLEDGE

Standard One: Graduating Teachers know what to teach

a. have content knowledge appropriate to the learners and learning areas of their programme
b. have pedagogical content knowledge appropriate to the learners and learning areas of their programme
c. have knowledge of the relevant curriculum documents of Aotearoa New Zealand
d. have content and pedagogical content knowledge for supporting English as an Additional Language (EAL) learners to succeed in the curriculum

Standard Two: Graduating Teachers know about learners and how they learn

a. have knowledge of a range of relevant theories and research about pedagogy, human development and learning
b. have knowledge of a range of relevant theories, principles and purposes of assessment and evaluation
c. know how to develop metacognitive strategies of diverse learners
d. know how to select curriculum content appropriate to the learners and the learning context

Standard Three: Graduating Teachers understand how contextual factors influence teaching and learning

a. have an understanding of the complex influences that personal, social and cultural factors may have on teachers and learners
b. have knowledge of tikanga and te reo Māori to work effectively within the bicultural contexts of Aotearoa New Zealand
c. have an understanding of education within the bicultural, multicultural, social, political, economic and historical contexts of Aotearoa New Zealand

PROFESSIONAL PRACTICE

Standard Four: Graduating Teachers use professional knowledge to plan for a safe, high quality teaching and learning environment

a. draw upon content knowledge and pedagogical content knowledge when planning, teaching and evaluating
b. use and sequence a range of learning experiences to influence and promote learner achievement
c. demonstrate high expectations of all learners, focus on learning and recognise and value diversity
d. demonstrate proficiency in oral and written language (Māori and/or English), in numeracy and in ICT relevant to their professional role
e. use te reo Māori me ngā tikanga-ā-iri in appropriately in their practice
f. demonstrate commitment to and strategies for promoting and nurturing the physical and emotional safety of learners

Standard Five: Graduating Teachers use evidence to promote learning

a. systematically and critically engage with evidence to reflect on and refine their practice
b. gather, analyse and use assessment information to improve learning and inform planning
c. know how to communicate assessment information appropriately to learners, their parents/caregivers and staff

PROFESSIONAL VALUES AND RELATIONSHIPS

Standard Six: Graduating Teachers develop positive relationships with learners and the members of learning communities

a. recognise how differing values and beliefs may impact on learners and their learning
b. have the knowledge and dispositions to work effectively with colleagues, parents/caregivers, families/whānau and communities
c. build effective relationships with their learners
d. promote a learning culture that engages diverse learners effectively
e. demonstrate respect for te reo Māori me ngā tikanga-ā-iri in their practice

Standard Seven: Graduating Teachers are committed members of the profession

a. uphold the Education Council's Code of Ethics/Ngā Tikanga Matakana
b. have knowledge and understanding of the ethical, professional and legal responsibilities of teachers
c. work co-operatively with those who share responsibility for the learning and well-being of learners
d. are able to articulate and justify an emerging personal, professional philosophy of teaching and learning
Whakatuwhuru ana nga paerewa nei te rite tahi o te mana me nga motika a te Māori me te Pākehā i raro i te Tiriti o Waitangi.

Ko te paouko paetahi e tomo ana ki nga māhi whakaako, ko mārama pū ki te wāhi nui ki ia e tutuki pai ai nga ākonga katoa tēnei mea te ako.

**Paerewa 1:**
E mōhio ana te Paouko Paetahi he aha hei whakaako māna

a. kua whai mōhiotanga marau e āhinga ana ki nga ākonga me nga wāhanga ako o tā rātau hōtaka
b. kua whai mōhiotanga tikanga akoako e āhinga ana ki nga ākonga me nga wāhanga ako o tā rātau hōtaka
c. kua whai mōhiotanga ki ita o nga marautanga o Aotearoa e āhinga ana
d. kua whai mōhiotanga marau, mōhiotanga tikanga akoako hoki, hei tautoko i nga ākonga koi te ako i te reo Ingiahi kēi he reo tuiraia, kia puta pai ai rātau i te marautanga

**Paerewa 2:**
E mōhio ana te Paouko Paetahi ki te ana o nga ākonga me ā rātau hōrāhah ake

a. kua whai mōhiotanga ki te whānuitanga o nga arū me nga rangahau e āhinga ana mō te wāhi ki nga tikanga akoako, te tipu i te tangata me te ako
b. kua whai mōhiotanga ki te whānuitanga o nga ākonga, nga mātātua me nga tikanga anomanaua, anomanaua kēi āhinga atua
c. kua mōhio me pēhea te whakapakari i nga rautaki whakairo hōhonu o nga mōmo ākonga huahua
d. kua mōhio me pēhea te kōwhiri i nga kai o te marautanga e tika ana ki nga ākonga me te horopoki ake

**Paerewa 3:**
E mōhio ana te Paouko Paetahi ki te wāhi ki te horopoki hei kavea i te whakaako me te ako

a. kua mātau ki te pānga matatini o nga āhuatanga whakairo, pāpori, ahurea tēra kēi pō mai ki nga paouko me nga ākonga
b. kua whai mōhiotanga ki te reo Māori me nga tikanga Māori e tika ai te kavea o nga māhi i nga horopoki kākano rau o Aotearoa
c. kua mātau ki te āhua o te mātauranga i roto i nga horopoki kākano rau, kākano tini, pāpori, tārangapō, āhanga, kōrero nehe o Aotearoa

**Paerewa 4:**
Whakamahi ai te Paouko Paetahi i te mōhiotanga ngaio ki te ita whakarite i te akomanga hei talao haumanu, kia tino pai ano hoki te whakaako me te ako

a. ka nuiro atu i nga mōhiohanga marautanga me nga mōhiohanga tikanga akoako, kēia kūtu atu ki ā rātau māhi mōherehere, whakaako, aronui hoki
b. ka whakamahi, ka whakaripapa i nga mōmo whaiao hei ārangi, hei whakaiao i te tutukinga pai o nga māhi ake ki nga ākonga
c. ka hāpai i nga whāinga tikiteke mō nga ākonga katoa, ka aromatahi ki te ako, ka hāpai ako i te kanorautanga

**Paerewa 5:**
Whakamahi ai te Paouko Paetahi i nga taunuihitaanga hei hāpai i te ako

a. ka ūia whaawsa, ka anuaheua i nga taunuihitaanga hei hūranui, hei whakapai ake an ōhaki i ā rātau ake māhi
b. ka whakawao, ka tātaru, ka whakamahi i nga mōhiohio aromatawhai hei whakapai ake i te ako, hei tahi hoki i nga māhere
c. ka mōhio me pēhea te tukui tika i te mōhiohio aromatawhi kē i nga ākonga, ki ā rātau mātua/kaikōkiri, me nga paouko o te kura

**Paerewa 6:**
Whakawhangaanga ai te Paouko Paetahi ki nga ākonga me nga tāngata o roto i nga rōpū ako

a. kua kīte i te pōinga o nga ura me nga whakapono ki nga ākonga me tā rātau ako
b. kua mōhio me pēhea te māhi tahi me nga hoaemihi, nga mātua/kaikōkiri, nga wāhau me nga hāpori
c. ka whai kē ia torokohe nga hono ki nga ākonga

**Paerewa 7:**
E ngākaunui ana, e pōmaia ana te Paouko Paetahi ki te māhi whakaako

a. ka hāpai i Ngā Tikanga Matariki o Matatia Aotearoa
b. kua mōhio ki nga kawenga taha matahia, taha ngāiao, taha ture kei runga i te pouako
c. ka māhi tahi ki ita atu tāngata he kawenga kei runga i a rātau mō te ako me te noho ora o nga ākonga

Bachelor of Education (Teaching) Pathways and Structure:

Bachelor of Education (Teaching)
The Bachelor of Education (Teaching) qualification consists of 360 points and is available both full-time (three years) and part-time, up to six years. The full-time course of study involves eight 15 point courses per year, four per semester. Each course involves approximately 42 hours face-to-face teaching and approximately 100 hours self-directed study.

The Bachelor of Education (Teaching) is a three-year full-time, and up to six year part time, programme of study leading towards teacher registration. The Education Council stipulates that this degree must be completed within six years. It is the student’s responsibility to ensure that the qualification is completed within this time. Students who are concerned about completion within this timeframe MUST contact the Associate Director/Programme Leader for their programme. The degree has four specialisations, all of which are grounded in the teacher education programme principles, conceptual framework and graduate outcomes. These specialisations are:

Primary Specialisation
The primary specialisation is designed to prepare student teachers to teach effectively in primary and intermediate schools. In addition to broader knowledge, skills and dispositions, the primary specialisation will develop graduates who are well grounded in the curriculum requirements of primary schools. All curriculum areas will be addressed in the first two years of full-time study. In the third year, students will have the opportunity to learn about the curriculum in an integrated way, either through a multi-literacy approach, a year-levels approach, or through a Pasifika, or a Māori education focus.

Huarahi Māori Specialisation
The Huarahi Māori specialisation is designed to prepare student teachers to teach effectively in Māori medium classrooms, including Kura Kaupapa Māori, immersion bilingual and enhancement and enrichment classes. The programme is underpinned by three broad philosophical drivers. These are:
1. Responding effectively to the needs and aspirations of Māori learners and communities (Tino rangatiratanga focus).
2. Developing skills, dispositions and knowledge of tikanga Māori, te ao Māori and te reo Māori (Bicultural focus)
3. Improving educational outcomes for Māori learners on the basis of evidence about learning and achievement (Article 3 – Equity focus).

The Huarahi Māori programme’s overarchinglewhakatauki, "Kia tū tangata te tauira i te ao Māori, i te ao mātauranga whānui tonu" echoes the programme’s commitment to the development of teachers who are: proficient and reflective speakers of te reo Māori; knowledgeable about effective pedagogy including second language learning theory and methodology; knowledgeable about curriculum (Te Marautanga o Aotearoa and its intent, content and implementation); inquiring, reflective and open-minded (Māori knowledge and knowledge of wider world); committed to the sustenance of te reo Māori, tikanga Māori (Māori ways of being and doing) and mātauranga Māori (Māori knowledge).

Early Childhood Specialisations
The early childhood specialisation is designed to prepare student teachers to be effective early childhood teachers. This specialisation has components integral to the qualification that acknowledge the generic nature of some aspects of teaching and are therefore, generic to all specialisations. The specialisation, however, also acknowledges the unique aspects and special nature of early childhood education, which is evidenced in the structure of the programme where twelve of the twenty-four courses have been written specially for the early childhood context.
Early Childhood Education Pasifika Specialisation
The early childhood Pasifika specialisation is designed to prepare student teachers to be effective early childhood teachers in Pasifika ECE Centres. This specialisation has components integral to the qualification which acknowledge the generic nature of some aspects of teaching and are therefore, generic to all specialisations. The specialisation, however, also acknowledges the unique aspects and special nature of Pasifika early childhood education, which is evidenced in the structure of the programme where twelve of the twenty-four courses have been written specially for the early childhood context.

Campuses
The Bachelor of Education (Teaching) Primary specialisation is available at the Epsom, Tai Tokerau campuses and at Manukau Institute of Technology.
The Bachelor of Education (Teaching) Huara Māori specialisation is available at the Epsom and Tai Tokerau campuses.

2017 Bachelor of Education (Teaching) Programme Overview:
An overview of the 2017 Year for programmes has been placed as a separate link amongst Programme Handbooks under “quick links” on the Faculty of Education and Social Work website.

Overview of Specialisations:
Information of each of these specialisations can be found on the following pages:

- BEd (Tchg) Primary Specialisation Overview
  BEd (Tchg) Primary Programme of Study

- BEd (Tchg) Huara Māori Specialisation Overview
  BEd (Tchg) Huara Māori Programme of Study

- BEd (Tchg) ECE Specialisation Overview

# Bachelor of Education (Teaching) ECE Specialisation

These courses are generic with the primary pathway - so have the same course number as the primary courses.

These courses have some parts of their content the same as primary and some different - so are a separate number from the primary specialisation.

The yellow boxes are specific to the early childhood specialisation.
The green boxes have Pasifika ECE Specialisation medium equivalency.

### Bachelor of Education (Teaching) ECE Pasifika Specialisation

These courses are generic within the BEd(Tchg).

These courses have some parts the same as general courses and some different so need separate number from the general pathway.

These courses are unique to the BEd(Tchg) ECE-Pasifika specialisation.

These courses have the same title as ECE-Pasifika curriculum courses, & will share most learning outcomes & content. Pasifika specialisation content includes Pasifika approaches to enabling all learners, & the use of Pasifika languages & cultures in teaching & learning in this course area.

Practicum:

Introduction
EDPRAC/EDPRACM courses comprise an on-campus class component and a practicum experience. The courses are EDPRAC 101/102 & EDPRACM 101, EDPRAC 201/202 & EDPRACM 201, and EDPRAC 305/306 & EDPRACM 302A/B.

Students should note EDPRAC and EDPRACM dates/times. Full attendance at both the on-campus classes and the practicum is a requirement of the course learning outcomes, refer to the Non Attendance section below.

Practicum Placements
Before enrolling in a practicum course, students must ensure that they have accrued the required number of pre-requisite points, met their DELNA requirements and have passed the necessary pre-requisite courses. Students can check their status with the Education Student Centre or online at Student Services Online (go to ‘Advisement’).

If a student is out of synchrony with his/her cohort due to failure, deferral, withdrawal, being part-time or for any other reason, they must confirm with the Education Student Centre that they are eligible to enrol and can be assigned to a block that does not affect attendance during other courses. Out-of-schedule placements may be made in exceptional circumstances, and only after consultation with the Practicum Course Co-ordinator. Students cannot assume that out-of-schedule placement times available in previous years will be available in the current year. Students should consult with the relevant practicum co-ordinator and confirm their enrolment arrangements before making any personal arrangements in order to avoid the possibility of conflicting commitments.

Procedures
Students may not approach a school or centre to organise their own placement. Students may only approach a school or centre when a confirmed placement has been emailed to the student’s university email address.

Please note while every endeavour will be made to place you in your area of choice, it is the responsibility of the Practicum Placement Co-ordinator to assign you to a designated school/centre. You may therefore be required to travel.

Requests for placement in schools and centres are made at the time of enrolment, via our practicum online process. Once enrolled, you will be provided with the link to allow you to complete the Practicum Placement Request Form: https://placements.education.auckland.ac.nz.

Once you are directed to the Practicum Placement Request Form you will be provided with a list of schools/centres. At this stage of the process the list does not advise school/centre availability. You will be asked to indicate a range of schools/centres that you can travel to.

A practicum placement is an official arrangement between the faculty and the school. Faculty requests must be made to schools/centres within stated timeframes for your
practicum placement and so it is important that you complete your Practicum Placement Request Form promptly. Students will be advised in advance of their school/centre placement. **Requests for any changes must be made through the Practicum Placement Co-ordinator.** After placement requests have been made to schools/centres, no changes can be considered except in exceptional circumstances.

Should no requested schools or centres be able to confirm a student’s placement, the student will be informed via their university student email address and asked to make contact with the appropriate practicum placement co-ordinator.

Students who do not submit a request for placement in schools/centres within the stated timeframe may have their placement delayed or arranged for them without consultation.

When a change in a student’s circumstances means that s/he is unable to proceed with a placement that has been confirmed the student must contact the Practicum Placement Co-ordinator immediately.

If you experience a problem using the online system, please contact the relevant Practicum Placement Co-ordinator at Epsom or Tai Tokerau.

*If you have concerns about past convictions for specified offences or whether you could be assessed to pose an undue risk to the safety of children, you should notify us by emailing esc.manager@auckland.ac.nz. You should note that the Criminal Records (Clean Slate) Act 2004 does not apply to Police vets conducted to perform safety checks of core children’s workers under the Vulnerable Children Act 2014, even if it would normally permit that person to conceal their criminal convictions.*

**Placement Requirements/Restrictions**
(Placement restrictions with regard to links with practicum schools/centres)

Students may not be placed for practicum in a school/centre where:

1. A member of their family attends as a student or as a staff member;
2. The student or their family has been or is currently employed in any paid or voluntary capacity;
3. The student has submitted an application and/or is under consideration for a teaching position;
4. The student or a member of their family has a personal relationship with any member of the school/centre staff or Board of Trustees or Management Committee.

**Requests for an ‘Out of Area’ Placement (i.e., out of Auckland or out of Tai Tokerau)**

For the purposes of practicum placements, Auckland is defined as an area between and inclusive of Pōkeno in the south and Warkworth in the north. For the purposes of practicum placements, Tai Tokerau is defined as north of and inclusive of Warkworth.

**Practicum Courses**

There are pathway specific requirements for practicum placements:

- **Bachelor of Education (Teaching) Primary Specialisation**
  Each student teacher must experience:
  - practicum across a range of learner age settings
  - at least one practicum in a school where the decile falls within the 1-4 range.

Where possible, one practicum should be completed in a Normal or other Primary Partner School. Students should attempt to cover a range of localities.
Attendance during Practicum
Full attendance is expected during practicum. Non-attendance will put a student’s ability to meet learning outcomes at risk. Once practicum dates are confirmed an agreement exists between the student, the faculty and the school/centre in which the student is placed. No alteration is made to dates without the consent of all parties (Refer to the Practicum Handbook for more detail).

Requests for Leave during Practicum
At times students require leave during practicum. In all cases the Practicum Course Co-ordinator has oversight over leave that is approved. Applications for leave are made on the Request for Leave during Practicum form available from individual programme resource avenues (e.g., Bachelor of Education (Teaching) Primary/ECE Information in canvas - Forms). Note: supporting documentation is required. (Refer to the Practicum Handbook for more detail regarding anticipated and unanticipated leave).

Leave is not granted to attend work-related commitments. Leave, known in advance, must be applied for through the Practicum Course Co-ordinator and will be granted only in exceptional circumstances. Important note: It is the University of Auckland’s responsibility to confirm that graduates meet ‘satisfactory teacher’ criteria for registration and provisional certification by the Education Council. The university must have confidence that graduates are reliable (e.g., can “take on responsibilities with due regard for time and place”) and professional (e.g., is unlikely to be “absent from duty without valid excuse”).

Non attendance:
Your on-campus classes are structured to prepare you for your practicum experiences out in schools. These classes are an important and integral part of preparing you for the practicums and your future teaching profession. In our experience, students who miss lectures and/or workshops are often inadequately prepared for their practicums. We reserve the right to not allow you a place in practicum where we determine that you are not sufficiently prepared. This could result in failure of the practicum course in which you are enrolled. Should exceptional circumstances arise regarding attendance, students need to contact their practicum course lecturer directly as soon as possible.

Concerns during Practicum
If a situation of concern arises within the school/centre you must remain at the school/centre until the situation has been dealt with. Students should not leave the school/centre without confirmation (from the Practicum Course Co-ordinator or University Supervisor/Visiting Lecturer or Principal/Head Teacher) that this is the appropriate course of action. Leaving the school/centre without confirmation under any circumstances may amount to voluntarily terminating the practicum and may result in a failure for the course.

As a student teacher, you are placed in the school/centre on the basis of an invitation from the school/centre for you to be there. If, for any reason, the school/centre wishes to rescind your invitation and to terminate your placement, this may also be ground for a failure in the practicum course.

Bachelor of Education (Teaching) Primary - Huarahi Māori Specialisation
Each student should experience a practicum across a range of levels (i.e., years 1-3; years 4-6; years 7-8). Each student should experience TWO placements in a Māori medium classroom setting. (See Ministry of Education definition of 'Māori medium'.)
Placement out of zone must be made by written request to the appropriate kaikōtuitui noho a kura (Practicum Course Co-ordinator).
Bachelor of Education (Teaching) Early Childhood Pathway and Pasifika ECE Specialisation

Placements must include:

- A range of settings (variables from the range of: sessional services, full day services, public kindergarten, placement with infants and toddlers, multicultural, special nature services)
- At least one assessed practicum will be in a public kindergarten and at least one in a setting with a student focus on infants and toddlers.
- Pasifika students may be placed in Pasifika settings such as aoga amata or punanga reo, as well as English medium kindergarten or childcare centres as required.

Early Childhood – Community Placements

An opportunity for a special placement occurs for all students in this programme at the beginning of year three.

Resolving Concerns during any Practicum

Where students have concerns during practicum they must contact their Professional Supervisor in the first instance, and follow the procedures as outlined in the practicum handbook. A copy of the current practicum handbook is provided as a course resource in Canvas. Professional behaviour/responsibility is expected at all times. A decision to discontinue a practicum will result in a DNC (Did Not Complete) grade and require students to repeat the entire course including practicum placement. (Please refer to Repeated Fails).

Withdrawal from practicum courses

Where exceptional circumstances exist that require a student to withdraw from a practicum, the student must contact the appropriate Practicum Course Co-ordinator (Epsom, Huarahi Māori, and Tai Tokerau) and seek advice from appropriate Education Student Centre personnel with regard to the formal process to be followed. (Refer University of Auckland Calendar – Enrolment and Programme Regulations: http://www.calendar.auckland.ac.nz/regulations/academic/enrolment-and-programme.html)

While it is important to advise the Associate Teacher, Professional Supervisor/Visiting Lecturer and/or Practicum Course Co-ordinator of a decision to withdraw, this does not constitute an official withdrawal from the course. A student must action a withdrawal from a course through the Faculty of Education and Social Work Student Services Online website: http://www.studentservices.auckland.ac.nz/uoag/ and complete the appropriate form (Education Student Centre)

Assessment of a practicum involving school or centre placement

Practicum credits are awarded on successful achievement of practicum learning outcomes. It is an Education Council requirement that the practicum has specific learning outcomes that are supervised and assessed by the professional supervisor, recognising the advice and feedback provided by the associate teacher.

Summative assessment of the student teacher’s learning in the practicum will be based upon professional judgement in relation to their achievement of the learning outcomes and assessment criteria for each course. To gain a pass for the course, student teachers must achieve all of the learning outcomes.

Towards the end of the practicum, student teacher performance is jointly reviewed by the associate teacher, the student teacher, and the professional supervisor. While the provisional assessment is made by the professional supervisor, the contribution of all parties to this summative assessment meeting is particularly important. For all EDPRAC courses the ultimate responsibility for a student teacher’s assessment rests with the Faculty of Education and Social Work. Final assessments are moderated/confirmed by the practicum coordinator and course director prior to release of course grades at the end of the semester.
At the discretion of the Practicum Course Co-ordinator, a student who has narrowly failed to meet a small number of performance criteria for a practicum course may be invited, at no extra cost to the student, to complete additional placement of no more than two weeks duration to demonstrate achievement of these criteria. Where satisfactory achievement is not demonstrated, no extension of this additional placement will be granted and the student will have to apply for permission to re-enrol in the course.

**NOTE:** It is the student’s responsibility to ensure that all necessary practicum documentation is completed and returned to the Practicum Office. For primary students, a follow-up meeting with the Professional Supervisor to confirm provisional assessment is required.

**Confidentiality during Practicum**
The Privacy Act (1993) controls how agencies (i.e., individuals or organisations) collect, use, disclose, store, and give access to personal information. There are twelve Information Privacy Principles which set out rules and exceptions to those rules. In schools/centres, as individuals and organisations, we must be informed about and adhere to the requirements of the Privacy Act. However, for students on practicum, Principle 1 - Purpose of Personal Information, Principle 4 - Manner of Collection of Personal Information, Principle 10 - Limits on Use of Personal Information, and Principle 11 - Limits on Disclosure of Personal Information are particularly relevant. (Refer: [http://www.legislation.govt.nz/act/public/1993/0028/latest/whole.html](http://www.legislation.govt.nz/act/public/1993/0028/latest/whole.html))

Students should familiarise themselves with and adhere to school/centre policies that relate to confidentiality and the Privacy Act. In particular the following should be noted:

- Students wishing to photograph, audiotape, or videotape children or their work must ensure that the associate teacher is consulted in the first instance and that school/centre policy is strictly adhered to. Early childhood students must ensure that ethical procedures are followed as outlined in the practicum handbook.
- Information gained about children, their family/whānau, staff, other student teachers while on practicum must be kept confidential in accordance with Principles 10 and 11 of the Privacy Act 1993.

*Please note* that this does not preclude disclosing information through the appropriate channel regarding any concerns about the life or health of children (Principle 10d, (i) and (ii)) or; using the information in a form in which the individual concerned is not identified (Principle 10f, (i)).

Students should also note the Education Council’s definition of ‘Good Character and Fit to be a Teacher’ which includes promoting and nurturing the safety of learners within a teacher’s care as well as being reliable and trustworthy in carrying out duties. (Refer [http://www.teacherscouncil.govt.nz/required/goodcharacter2007.stm](http://www.teacherscouncil.govt.nz/required/goodcharacter2007.stm))

Students should also note the Education Council NZ Council Code of Ethics for Registered Teachers. (Refer [http://educationcouncil.org.nz/content/code-of-ethics-certificated-teachers](http://educationcouncil.org.nz/content/code-of-ethics-certificated-teachers))

**Students are required to show student (photo) ID as proof of identity when entering the school/centre.**

**Students with Family Responsibilities**
It is not permissible to take babies and young children on practicum. Students must either make their own private arrangements for the care of their babies and young children during practicum or defer their practicum to a more suitable time.

*For further details of placement requirements and procedures, and requirements for professional conduct on practicum, please refer to programme specific practicum handbooks.*

25
Please Note:
Your on-campus classes are structured to prepare you for your practicum experiences out in schools. These classes are an important and integral part of preparing you for the practicums and your future teaching profession. In our experience, students who miss lectures and/or workshops are often inadequately prepared for their practicums. **We reserve the right to not allow you a place in practicum where we determine that you are not sufficiently prepared.** This could result in failure of the practicum course in which you are enrolled. Should exceptional circumstances arise regarding attendance, students need to contact their practicum course lecturer directly as soon as possible.

**Vulnerable Children Act**
Every student applying for admission or admitted to an Initial Teacher Education programme or Bachelor of Social Work, Postgraduate Diploma in Counselling Theory, Master of Counselling and Master of Social Work Professional programme will be subject to safety checks under the Vulnerable Children Act 2014. A safety check includes (but is not limited to) a New Zealand Police vet and an assessment of the risk, if any, that the student would pose to the safety of children if employed or engaged as a children’s worker. If a student enrolled in an Initial Teacher Education, Counselling or Social Work programme is found to have been convicted of a specified offence (as listed in Schedule 2 of the Vulnerable Children Act) or otherwise assessed to pose an undue risk to the safety of children, they may not be permitted to perform the required practical work and so be unable to complete the programme. Please refer to the legislation [here](#) for more information.

If you have concerns about past convictions for specified offences or whether you could be assessed to pose an undue risk to the safety of children, you should notify us by emailing [esc.manager@auckland.ac.nz](mailto:esc.manager@auckland.ac.nz). You should note that the Criminal Records (Clean Slate) Act 2004 does not apply to Police vets conducted to perform safety checks of core children’s workers under the Vulnerable Children Act 2014, even if it would normally permit that person to conceal their criminal convictions.
The Academic Success Centre (ASC) is the academic support service for all students of the university. There is an ASC located on the third level of N Block at the Epsom campus for all students of the Faculty of Education and Social Work of the University of Auckland.

**The staff in this area and their roles are:**

- Hilary van Uden, Student Learning Co-ordinator, N321, Extn 46316 and a team from the City Student Learning Centre on a daily basis, N329
- Jenni Bedford, Academic English Language Support, N323, Extn 48186
- Elaine Tasker, Speech Language Therapist, N324, Extn 48756
- Angela Spavin, Mathematics Support, Extn 48217

The Centre has been set up as a student working area as well as a place where students are able to seek support. Complementary to the excellent facilities available in the Library, there are 12 computers in the main area of the centre for students’ general use. There are also several tables in the main area where students are able to work in groups.

The ASC is central in its location to the Library and to other support services and this area has the potential to be pivotal to student life and well-being in the faculty.

**Other support for students (and no less important):**

- Rochai Taiaroa, Māori Student Support Co-ordinator, B205, Extn 46388
- Tim Baice, Co-ordinator Pasifika Success (PS), N Block Level 2, Extn 48469
- Chris Moselen, Library Manager, Extn 48973
- Counsellors, Student Health Centre, R Block
- Rebekah Williams, Disability Services, Extn 48459
Academic Progress Reviews
At undergraduate level to maintain the status of ‘good’ academic standing a student is required to pass at least 50% of points enrolled in any one semester. Failure to meet the 50% threshold will mean that a student’s academic status in their next semester of study will be reviewed by the Associate Director BEd (Tchg) Primary/ECE or nominee.

Assessment and Grading Scale
Assessment comprises examinations and coursework. Examinations are run centrally. Programme coursework refers to all other assessments (assignments, seminars, practicum, tests etc.).

1. In courses that involve coursework and examinations students must complete both components to the satisfaction of the examiners.
2. In courses that only include coursework students must complete to the satisfaction of the examiners such oral, practical, written or other tests and assignments as have been prescribed for the completion of the course.
3. In any course, students must complete all assignments.
4. In any course that has a practicum component, a student must pass all components in order to have passed that course as a whole.
5. Course results are reported as grades. There are ten pass grades and three fail grades as set out below

Course results are reported as grades. There are ten pass grades and three fail grades as set out below.

</table>

- To reduce student confusion about the award of marks a clear marking schedule or specific feedback should be provided that identifies the characteristics that led to the award of the marks.
- The development of assessment criteria for coursework should be adapted from the general university expectations for grade-level performance set out below:
A large number of assignments are submitted either electronically, or via canvas, or in person.

Paper based and other non-electronic submissions will continue to be collected at the designated on-campus locations. These should be submitted with the coversheet that will be available via the Cover Sheet link located in the left hand navigation bar in your Canvas course site. The coversheets will be individualised with a QR code that will be scanned on receipt.

All non-electronic assignments are handed in at the campus where you attend the course (unless your lecturer advises otherwise).

Please see below for details of drop off locations and their opening hours:

- **Epsom Campus** (except Flexi Learning: see below): A114A (The Assignment Centre opposite the Education Student Centre is open Monday – Friday, from 9.30am – 4pm during semester, and reduced hours during semester breaks). Drop box on left hand wall; after-hours drop box located beside the main entrance.

- **City Campus**: Drop box for Liberal Arts courses is on Level 1, 15 Wynyard Street 8.30 am – 7pm during semester time. During semester breaks: 8.30 am to 5 pm.

- **Tai Tokerau Campus**: ICT Suite foyer 8.15 am to 4.15 pm.

- **Manukau Campus**: Programme office NQ227 7.30 am to 9.00 pm (and until 4 pm Saturdays)

---

</table>

Please note that the attainment descriptors must be adapted to different levels of learning or degree study.
Assignment Submission

Non-electronic submission of Assignments
Faculty students across all campuses will generate their own individual coversheets for each assignment. Every coversheet will contain a unique barcode to facilitate prompt processing and automated emails to confirm receipt and advise when an assignment is ready to be picked up.

Find the answers to common questions about preparing and handing in your assignments where it has been indicated the submission is to be on paper. If you still have questions please contact foedassignments@auckland.ac.nz.

Electronic Submission of Assignments
All electronic submission of assignments must be uploaded to an assignment dropbox on Canvas, Moodle, or Turnitin as assigned by your lecturer. You will be notified at the beginning of your course that the submission of assignments is electronic. You will also be notified about how you will receive your marked assignment back. Usually online submission means your marked script will be made available to you online. Information will be provided as to how to upload your assignment and how to access your marked script online from the Course Director. No coversheet is required for electronic submission. The submission times of 12:30pm for undergraduate and 4:30pm for postgraduate level 7 coursework apply to submission of online assignments.

Find information about coversheets, forms and course information and assignments frequently asked questions via link: www.education.auckland.ac.nz/en/for/current-students/assignments

Assessment - Notification of Assessment Information
1 Students can expect to receive from the Course Director at the start of the course (in writing - hard copy or electronically), the following details of assessment requirements:
   a. detail of assessment tasks including specific referencing requirements
   b. weighting of each task in relation to the overall course assessment load
   c. expectations of word limits/workload for each task as appropriate
   d. criteria by which each task will be assessed and any significant weighting of criteria
   e. due date for each assessment task
   f. a statement detailing what “completion to the satisfaction of the examiners” entails
   g. reference to the Faculty statement on Cheating
2 All coursework must be submitted by 12.30pm on the due date.
3 Students can expect any change in coursework to be communicated by the Course Director in writing (hard copy or electronically) at least two weeks in advance of the original due date. Any changes to assessment dates will be made by the Course Director in conjunction with the Associate Director.
4 Students can expect to have marked assignments and tests returned within 3 weeks from the due date.

Assessment - Purposes and Roles
Assessment within teacher education courses relates directly to the learning outcomes established for that course.

Formative feedback provides on-going commentary aimed at enhancing students’ professional development and competence in line with course outcomes.

Summative feedback is used to establish students’ grades for each course. Such assessment is clearly linked to obtaining credentials through ascertaining a student’s level of professional competence against stated outcomes and ultimately their eligibility.
to proceed in the programme or to graduate from it. Summative assessment is formally applied, with purpose and timeframes clearly signalled. Summative assessment tasks include specific assessment criteria which define the relationship between performance demonstrated and results documented.

Attendance
**In order to be credited with a course, a student needs to have attended to the satisfaction of the Senate.** Students can expect to have any particular attendance requirements, especially those associated with professional programmes with registration requirements, notified at the start of the programme. Where attendance is a requirement either rolls should be taken or teaching and assessment should be structured in such a way that failure to attend compromises the students’ chances of passing the course.

*Note:* the University Calendar states that students must attend "to the satisfaction of the examiner."

Course Cut-Off Times
No assessment material will be received after semester cut-off times.

Course Pass Grades
To be eligible for a pass grade (or equivalent) a student must:
- complete and submit all assessment tasks related to learning outcomes **and**
- achieve a points total of at least 50% of the course total, unless notified otherwise in course outlines

Course Failure
D+, D, D- fail grades are awarded if:
- not all assessment tasks relating to learning outcomes are completed and submitted **or**
- the total of marks awarded is below 50% of the course total or, if notified, below 50% of each component of the course.

Extensions
Requests for extensions must be made to the Course Director (or nominee where applicable) in advance of the due date. Applications must be accompanied by evidence of the need for an extension. Extensions will not be granted for academic workload reasons (for example, a number of assignments due at the same time) but may be considered in the case of temporary illness or injury, or for compassionate reasons. Extensions are granted at the discretion of the Course Director (or nominee where applicable). For further information see [www.education.auckland.ac.nz/en/for/current-students/assignments](http://www.education.auckland.ac.nz/en/for/current-students/assignments).

Group Projects
a. The inclusion of any group project as part of the contribution to the final coursework percentage in a course should be restricted to relevant fields at higher levels
b. Assessment should be on an individual basis wherever possible,
c. Assessment criteria … should be able to assess individual contributions to the project.
d. Each group working on a project should be of limited size and not exceed a membership of four.
e. Where marks allocated for group projects are part of the final percentage, such marks should not normally constitute more than 20% of the total marks for the course.

Literacy Standards
Teachers must be able to **communicate easily and lucidly in the English or Māori official languages of New Zealand** (Education Council). Students are required to proof-read all submitted work and sign a declaration that they believe it to meet the above standard.
Penalties for Late Work
A student who submits coursework after the notified deadline, or after the approved extension, will have the marks for that coursework adjusted as follows:

a. within one calendar week late – deduct 10% of the total value of the assessment (e.g., for an assignment worth 40%, a student scores 32 but hands the work in a day late. The student loses 4 marks – 10% of 40 – and is awarded a final mark of 28)

b. one to two calendar weeks late – deduct 50% of the total value of the assessment

c. later than two calendar weeks but not after the handing back of other students’ work – 100% deduction.

Note: under Examination Regulation 1c and d (on page 55 of the 2017 University of Auckland Calendar) students must complete “to the satisfaction of the examiners.” This means that students still need to hand in assignment work even if it is later than two calendar weeks after the deadline.

Referencing
All assignments must use an accepted referencing system employed in a refereed international journal in the fields of Education and Social Work. For Education, this is usually APA referencing style but be guided by your lecturer if you are unclear.

Repeated Fails
A student who has failed an EDPRAC course once (Degree and Diploma regulations) or ‘who has enrolled twice in, but has failed to be credited with a pass in, a non-EDPRAC course is not entitled to enrol again in that course other than in exceptional circumstances approved by the Senate or its representative (Enrolment and Programme Regulation 6c).

In undergraduate programmes, a student who fails an EDPRAC course once, or a non-EDPRAC core course twice, must apply to the Director/Associate Director/Programme Leader to repeat the course. If the Director/Associate Director/Programme Leader, in consultation with the Head of School, grants the right to re-enrol the student must be informed in writing that a further fail may result in a recommendation to the Dean for discontinuation in the programme. ‘Application to Repeat a Failed Course’ forms are available from the programme’s Student Advisor in the Education Student Centre.

In undergraduate programmes, students in their first-year of the programme are required to pass a specified number of points prior to completing the first Practicum.

Student appeals against the Director/Associate Director/Programme Leader’s decisions about re-enrolment must be made in writing to the Associate Dean Initial Teacher Education within 10 days of the dated notification of the decision.

Return of Marked Assignments
Students can expect to have marked assignments and tests returned within three weeks from the due date.

Special Consideration: Unavoidable Personal Circumstances (Coursework only)
Where a student faces unavoidable personal circumstances that mean the student is unable to submit a component of coursework, he/she may apply to the Director/Associate Director/Programme Leader for special consideration. The application is made on the form Special Consideration: Unavoidable Personal Circumstances and must be supported by written evidence from a doctor or counsellor. The student must apply no later than two weeks after the due date of the assignment. If the Director/Associate Director/Programme Leader supports the application, the Course Director in consultation with the Head of School may:
a. either, require the student to re-enrol in the course, or
b. \textit{where at least 50\% of the coursework has been completed at a grade well above the minimum pass standard}, award an assessed grade for the course based on:
   i. \textbf{either} the grade achieved for completed work (one grade lower would normally be awarded in this case)
   ii. \textbf{or} the allocation of a mark for the missing work derived from the student’s ranking on the completed work, or
c. ask the student to submit the work by a revised deadline, or
d. submit a new task by a revised deadline.

\textbf{Student Concerns}

If a student has a concern about a \textit{COURSE/CLASS/ASSESSMENT TASK} he/she should:
   a. Approach the course/class lecturer to discuss the concern.
   b. If the concern is not resolved to the student’s satisfaction it should be discussed with the Course Director.
   c. If the concern is not resolved to the student’s satisfaction it should be notified in writing to the Head of School.
   d. If the concern is not resolved to the student’s satisfaction it should be notified in writing to the Deputy Dean.
   e. If the concern is not resolved to the student’s satisfaction it should be notified in writing to the Dean.

If a student has a concern about a \textit{PROGRAMME} he/she should:
   a. Approach the Associate Director or Programme Leader to discuss the concern.
   b. If the concern is not resolved to the student’s satisfaction it should be notified in writing to the Director responsible for the programme.
   c. If the concern is not resolved to the student’s satisfaction it should be notified in writing to the Associate Dean, Initial Teacher Education.
   d. If the concern is not resolved to the student’s satisfaction it should be notified in writing to the Dean.

Where a concern or issue about a course or a programme involves more than one student, i.e., it is a group or general class issue, the group or class would go through the process as above.

\textbf{Students with Failed Courses}

Students failing a course are required to resit the failed course. Where a failed course is a prerequisite for a further compulsory course, enrolment in the ‘further’ course may need to be delayed. This, and potential clashes with practicum, may require an extension to a student’s programme of study. In exceptional circumstances the Associate Director, in consultation with the relevant Head of School, may approve a request for the waiver of prerequisite requirements enabling enrolment in a ‘further’ course concurrent with, or prior to, the required resit.
Academic Integrity

All students admitted to an undergraduate or postgraduate degree, diploma or certificate are required to complete a compulsory, online Academic Integrity Course (see University of Auckland 2017 Calendar, pp 27. This online course, comprised of 5 modules, asks students to explore the concept of academic integrity. Students will learn how to demonstrate academic integrity in their study and research, improve their knowledge about University rules relating to academic conduct, and understand the consequences of academic misconduct. For more information visit this link: http://www.auckland.ac.nz/academic_honesty

Academic Misconduct

The University has a statutory responsibility to encourage the development of intellectual independence in its students. It assesses the achievement of this goal through coursework and examinations. The University expects all students to complete coursework and examinations with integrity and honesty.

The University of Auckland will not tolerate cheating, or assisting others to cheat. It views cheating as a serious academic offence. To ensure that the standard of all University qualifications is maintained, students and staff have a responsibility to prevent, discourage and report cheating.
Allegations of academic misconduct at the Faculty of Education and Social Work shall be dealt with by the following process:

The University of Auckland’s full guidelines on procedures and penalties for academic dishonesty are detailed in the University’s “Guidelines: Conduct of Coursework” available at [www.auckland.ac.nz/academic_honesty](http://www.auckland.ac.nz/academic_honesty)
Academic English Language Requirement

The University has an Academic English Language Requirement (AELR) for all its bachelor degree programmes. The aim of the AELR is to ensure you have a sufficient level of competence in academic English to support your study at University. Those that have not met the AELR through their entrance qualification will be advised at the time of enrolment. The AELR may be met through your entry qualification or through satisfactory completion of an approved course in your first 12 months of study. For more information, see www.auckland.ac.nz/aelr.

Aegrotat and Compassionate Consideration

This is a University process that applies only to University Examinations (and Tests). Full details are in the University of Auckland Calendar Examination Regulation 13.
Appeal of Course Marks or Grades

A student who is concerned about a mark or grade for an assessment can appeal in writing to the Course Director for a reconsideration of the mark or grade stating the reason why they consider the mark or grade is inconsistent with the assessment criteria. The written appeal must be received within one week of the work being available for return or grade being notified. The Course Director reviews the mark or grade in relation to the stated reasons or seeks a second opinion if they were the original marker or assessor. If the appeal is not upheld and the student is still concerned a written appeal, restating the nature of the concern in relation to the assessment criteria, needs to be made to the Academic Head.

Availability of Examination Scripts

By making application during the three months after the end of the examination period for the examination, a candidate may obtain a copy of their examination script. For full details see the University of Auckland Calendar Examination Regulation 23.

Conceded passes

Conceded passes can only be granted in undergraduate degrees consistent with university regulations. For full details see the University of Auckland Calendar Examination Regulation 20.

Course Deletions and Withdrawals

- A course deletion means that the course will be removed from your academic record and fees are fully refunded. There are specified timeframes within which course deletions can occur. Specific dates at which deletions can occur can be obtained via the following link: http://www.calendar.auckland.ac.nz/en/genregs/enrolment-and-programme.html

- Withdraw means that you are withdrawing from a course after the deadline for deletion and before the last day to withdraw. Withdrawn courses remain on your academic record with a withdrawn grade and all fees remain owing. A withdrawn grade counts as a fail for Grade Point Average (GPA) calculations. Specific dates at which withdrawals can occur can be obtained via the following link: http://www.calendar.auckland.ac.nz/en/genregs/enrolment-and-programme.html

DELNA (Diagnostic English Language Needs Assessment)

In professional programmes, it is important that students have well-developed English language skills to meet the graduating standards of their particular programme. As a consequence, all undergraduate students in the Faculty of Education and Social Work (Bachelor of Education (Teaching); Bachelor of Physical Education; Bachelor of Human Services and Bachelor of Social Work), as well as the Graduate Diplomas in Teaching, Master of Teaching and Education Foundation students are required to complete the DELNA language requirements.

In the first instance students must complete the DELNA screening assessment. Those students who meet the minimum standard or above automatically meet the DELNA requirement and need do nothing more in relation to DELNA. If a student’s screening indicates that diagnosis is required he/she must undertake the DELNA diagnosis. A pass or above at screening indicates the student has met the DELNA requirements. Where students fail to meet the minimum requirement he/she will be required to develop an individual plan. This is a mandatory requirement.

An individual plan will be developed on the basis of students’ DELNA diagnostic results and identified areas of need. The individual plan is developed in conjunction with the Academic English Language Support person who assists students to seek the most appropriate support to meet their individual needs.
The DELNA diagnosis and, if required, the individual plan must be completed within three months of the beginning of Semester One of the degree.

Students who have an individual plan will then need to work on developing their English language skills in both an independent and supported manner. Students are expected to work independently utilizing a range of on-line resources such as Grammar Smart, Writing for Academic Purposes, Reading for Academic Purposes and Pronunciation. Enrolment in relevant Student Learning Centre workshops will be useful also. Regular meetings with the DELNA Language Support person are necessary for success.

**Group assessment**

There may be times when students are required to complete a group assessment task or team based project. Details of such tasks, including group work expectations will be published in course materials to ensure students are clear about what is being assessed and the allocation of marks to the various components of the assessment. Students should also refer to Module 2 of the Academic Integrity Course (Avoiding Academic Dishonesty) to clarify responsibilities when collaborating with peers. For more information visit this link: [www.auckland.ac.nz/academic_honesty](http://www.auckland.ac.nz/academic_honesty)

**Partial Resits**

Partial resits are not permitted. A student who has failed a course is required to complete all assessment requirements for the course in which they re-enrol.

**Student email**

All students enrolled at the university are provided with an email account called student email. At the time of enrolment, students are provided with an email address. This address includes a student’s username characters plus a generic address, e.g., jbon007@aucklanduni.ac.nz. Students are able to access student email through the following link: [http://mail.aucklanduni.ac.nz](http://mail.aucklanduni.ac.nz).

Student email is the main way in which the university communicates with students so it is vital that students access their email account on a regular basis. Failure to do means that students miss out on important information such as communications relating to coursework and academic progress, examinations, graduation, student financials and the library. Urgent and unexpected communications are also sent through this email, e.g., what will happen if a natural disaster strikes the university / the city of Auckland.

Students can forward their university email to a private address if they wish to do so and this can be completed by signing into your account and providing the appropriate details.

**Storage and Disposal of Student Work**

Examination scripts will be retained in secure storage for only four months following the examination period and thereafter be destroyed (Examination Regulation 23). Thesis, dissertation or research portfolios will be retained until six months after the assessment has been completed.

Assignments will be retained in secure storage until five weeks into the start of the following semester and thereafter destroyed.
Student Services Online (SSO)
Student Services Online is the University of Auckland’s comprehensive online system, which enables students to apply for admission to the university and once accepted into a programmed, enrol in courses. Students can access SSO via the following link: www.studentservices.auckland.ac.nz

SSO also provides students with access to a range of relevant academic information including:
- Course advice and information;
- Enrolment advice;
- Fees advice;
- Timetables, grades and course history advice;
- Graduation.

Course advice and information includes programme requirements and the course catalogue for your programme.

Enrolment advice includes closing dates for enrolment into courses. Students can enrol in their required / selected courses and, if necessary, apply for a course concession. Changes to programmes can be made such as the deletion and addition of courses.

Fees advice
This link enables students to check their account details for fees, charges, payments, credits and refunds. Students can also create an account statement and invoice and make payments online using a credit card.

Timetables, grades and course history advice enable students to view their programme and examination timetables. Grades, course history and unofficial academic transcripts can also be viewed. A request for an official academic transcript can also be made.

Graduation
At the successful completion of a programme students must apply to graduate. This link also provides information pertaining to dates and times of graduation ceremonies as well as advice about academic regalia.

The SSO website is the place where students can update their personal details such as their email address (if that is used to redirect university mail), contact address and phone number. It is vital that students ensure that their personal details are current to enable effective communication.

Submission in Māori
Assignments and examinations in courses that do not use Te Reo as the medium of instruction may be submitted in Māori provided the Course Director has been consulted within the first two weeks of the course and confirmed the availability of a suitably qualified person with linguistic and subject expertise to mark the work.

Third party assistance
While it is expected that at all levels of study students work independently producing work that is their own, there may be times when help is needed in regard to the improvement of written communication skills. The University of Auckland encourages students to improve their writing skills and permits students to seek assistance from third parties to do so. However, there are limits to the type and level of assistance that third parties can provide.
The following link provides full details regarding the type of advice and support that third parties can offer https://www.auckland.ac.nz/en/about/the-university/how-university-works/policy-and-administration/teaching-and-learning/students/third-party-coursework.html

Unsatisfactory Progress

In undergraduate programmes, students’ academic standing is assessed each semester. To maintain the status of ‘good’ academic standing a student is required to pass at least 50% of points enrolled in any one semester. Failure to meet the 50% threshold will mean that a student’s academic status in their next semester of study is amended and s/he will be reviewed. Continued failure to meet the criteria to attain ‘good’ academic standing will result in a student’s status being revised to ‘academic restriction’ and finally ‘enrolment terminated’.
Professional Requirements and Conduct

As in any professional programme of study, a high level of professional ethics is expected of both staff and students alike. Particularly when working in practicum settings and when conducting research, students will be expected to observe the University of Auckland and site-specific codes of conduct as well as the provisions of The Privacy Act.

Attendance
Full attendance is expected in all on-campus courses/classes and during practicum placements or other field-work. Non-attendance will put at risk students’ ability to meet learning outcomes. All absences should be discussed with the lecturer/s or the associate teacher as a matter of professionalism and courtesy. Please see the Associate Director/Programme Leader or a counsellor if you feel this is more appropriate.

Important note: It is the University of Auckland’s responsibility to confirm that graduates meet ‘satisfactory teacher’ criteria for registration and provisional certification by the Education Council. The university must have confidence that graduates are reliable, (e.g., can “take on responsibilities with due regard for time and place”) and professional, (e.g., is unlikely to be “absent from duty without valid excuse”).

A copy of current Education Council criteria is included on pages 48 - 50 of this handbook. A review of a student’s progress may result from concerns in these areas.

Cheating and Plagiarism
The University of Auckland will not tolerate cheating, or assisting others to cheat, and views cheating in course work as a serious academic offence. The University Guidelines (2001) on cheating define plagiarism as the use of other people’s work in an assignment, and presenting it as your own without explicitly acknowledging or referencing where it came from. Work can be plagiarised from many sources – including books, articles, the internet, and other students’ assignments. Therefore, all assignments must be accompanied by a signed, student written declaration. This written declaration can be obtained via the following link: https://foedassignments.auckland.ac.nz/

You may have up to 100 percent of marks deducted for an assignment if it includes someone else’s unattributed, or less than fully attributed, work or ideas. In serious cases disciplinary action may be taken.

You can avoid cheating by:
1. Being honest, with appropriate referencing, about all sources you have used and the level of indebtedness to those sources.
2. Not copying any part of any other student’s work.
3. Not using material from previously submitted assignments.
4. Not making up or fabricating data.
5. Not using material from commercial essay or assignment services, including web-based sources.

You can help others avoid cheating, and avoid being accused yourself, by:
6. Not letting any other student copy any part of your work.

If you have any doubts about what is an acceptable level of collaboration or discussion with other students, you should talk about this with the Course Director BEFORE you hand in the work for grading.

There is a difference between “getting help” and cheating. “Getting help” is directed towards assisting you to understand the material and assignment questions so that you are in a better position to create your own answers – this is acceptable. “Getting help”
could be obtained through a discussion with a student group, academic staff or tutors in preparation for doing an individual assignment.

Talking about an assignment and methods of solving problems with other students is an acceptable form of collaboration in the learning process, and is encouraged. Cheating arises, for example, if a student copies another student’s answers or ideas, or someone else writes some, or all, of a student’s assignment. **You should keep all preparatory notes and assignment drafts.**

If you are having difficulties with your ability to manage the workload of the course you should seek assistance. It is better to deal with issues of workload and stress as they arise, rather than to be accused of cheating.

**Developing Oral Language Skills**
Free and confidential assistance is available for students to further develop their confidence and competence in English oral language skills to better prepare them for their professional roles in the classroom and school.

The following are some of the areas covered:
- Developing a more expressive voice
- Voice projection – especially for the classroom
- Classroom instructions
- Slowing down the pace of spoken English
- Reading aloud
- Speaking with confidence to groups
- Pronunciation and mastering ‘difficult’ sounds or words
- Losing your voice

The service is offered by a speech-language therapist, Elaine Tasker extn 48756, who offers speech language services to students both by referral and request.

**Graduation**
Once you have completed all of the requirements for your degree or diploma and you become eligible to graduate, **you must apply to graduate** online via Student Services Online. Please keep your mailing address up to date in Student Services Online to ensure that you receive any information relating to the graduation process - (http://www.studentservices.auckland.ac.nz/uoa/).

For further details about graduation go to: http://www.education.auckland.ac.nz/uoa/home/for/current-students/graduation

There are two graduation ceremonies each year - in Autumn (early May) and in Spring (towards the end of September).

**Jury Service**
If you are called up for jury service you are able to request a letter of support from your Programme Director/Programme Leader so that your programme of study is not put in jeopardy. Applications to apply for exemption are considered on a case-by-case basis by the court registrar and they are not always accepted. Please take your jury summons documentation to the Teacher Education Office Co-ordinator in H201A. (Please refer: http://www.justice.govt.nz/services/access-to-justice/jury-service-1/just-been-summoned).

**Library: Essentials for using the Sylvia Ashton-Warner Library**
The Library lending policy is explained in detail at: http://www.library.auckland.ac.nz/about/genlib/lending_1.htm. There is also a pamphlet at the Lending Desk which explains how many books you may borrow and the
length of the borrowing period. It also explains how to request an item and how much the fines are.

Key points to remember:
- There are Subject Librarians who can help you with your research. Go to: http://www.library.auckland.ac.nz/subjects/edu/eduinfoservices.htm.
- The Library provides training courses in searching the catalogue, using databases and EndNote. Make a booking at: http://www.library.auckland.ac.nz/booking/
- **Always** check your patron information on the Library Catalogue, to find out when your books are due back. You can also renew your books online from here.
- If you receive a recall notice, return the item immediately or by the new due date. There are heavy fines for recalled books not returned by the new due date.
- Email notices about recalled books or overdue items are sent to your university email address (netid@aucklanduni.ac.nz).
- If you are going to be away from the campus – on practicum or on holiday – please ensure that you return any library books before you go. The Library will not accept either of the above as excuses to cancel any penalty charges.

**Professional Ethics Related to Conduct and Research**
As in any professional programme of study, a high level of professional ethics is expected of both staff and students alike. Particularly when working in practicum settings and when conducting research, students will be expected to observe the University of Auckland and site-specific codes of conduct as well as the provisions of The Privacy Act.

**Professionalism and the Use of Social Media**
The faculty launched its Facebook Page in March 2011. Access the following links for professional and practical guidelines for the use of social media to help you maintain professional standards.

*Professionalism and the use of social media guidelines*  
http://www.teachersandsocialmedia.co.nz/

**Review of Student Progress**
The Associate Dean Initial Teacher Education or nominee will require a student to meet with a review committee if his/her performance is such that there is a risk that programme, provisional entry, or Education Council requirements may not be met.

Where concerns of an Education Council nature are raised about an individual student with the Associate Director, a Review Feedback Form may be circulated among staff working with that student. If there proves to be a pattern of concern, then a review meeting will be instigated.

**Tracking Student Performance**
Where student progress is causing concern the Associate Director will contact the student and he/she will be required to have ongoing communication with the Associate Director until there is improvement. This often involves ongoing engagement with the Academic Success Centre.
Programme Changes, Procedures and Regulations

**Change of Address / Personal Details**
The SSO website is the place where students can update their personal details such as email address (if that is used to redirect university mail), contact address and phone number. It is the student’s responsibility to ensure personal details are current to enable effective communication.

**Change of Name**
The Education Student Centre has forms to register name changes. Official evidence of name change is essential e.g., marriage certificate or deed poll papers.

**Deferring from Programme**
Full time students can apply to defer completion of their programme for up to one year, once they have enrolled and started the programme.

**Please note:** Students deferring should note that the programme from which they defer may not be available in the same form, sequence or time-frame when they return, and full credit may not always be awarded for previous study.

Follow the same procedure as for resignation (below).

**Please note:** You have not officially resigned or deferred until your forms have been signed by the Director/Associate Director/Programme Leader or nominee of your programme.

**Resignation from Programme**
A student is expected to complete the programme for which she/he was selected. Any intention to resign from the programme should be discussed with the Associate Director/Programme Leader.

Collect the relevant forms from the Education Student Centre. Then make an appointment to present the completed form to the Associate Director/Programme Leader. Arrange this appointment directly with the Associate Director/Programme Leader concerned.

**Transfer between University of Auckland, Faculty of Education and Social Work Programmes**
Transfer between University of Auckland, Faculty of Education and Social Work programmes may be possible in some circumstances, subject to the following provisions:

- All such transfers shall be subject to the approval of the Director responsible for the pathway where the student teacher resides and the Director responsible for the pathway into which transfer is sought.
- All requests for transfers will be considered on the basis of University of Auckland, Faculty of Education and Social Work’s ‘Recognition of Prior Learning’ policy in consultation with the RPL Co-ordinator. Where programme components vary, full credit for already-completed courses may not be awarded.

An administration fee will apply. Please refer to the University of Auckland Calendar 2017.

**Transfer to other Colleges/Faculties of Education**
A student is expected to complete the programme for which she/he was selected.

However, if a student decides to transfer to another college/faculty of education then they must resign from the Faculty of Education and Social Work programme in which they are enrolled by following the process for ‘Resignation from the Programme’ quoted above.
**Withdrawal from Courses**
Withdrawals from courses must be completed formally through the Education Student Centre. Please refer to the *University of Auckland Calendar 2017* and Education Student Centre for details.
University Statement on Student Feedback

The following statement was approved by Teaching and Learning Quality Committee and is available through the University’s ‘current students’ website to all first-year undergraduate students.

Having your say: Providing feedback to the university
As members of the University of Auckland community, an important responsibility of all students is to provide feedback periodically on your university experiences.

Why is giving your feedback important?
A student perspective – providing your views and opinions, having your say, suggesting changes – is an essential part of the university’s overall objective of providing high quality courses, teaching and learning experiences, and contributes to the vitality of the university.

The programme that you are enrolled in, the courses that you take, the teaching methods that are used, and the services and facilities to which you have access have been developed in part as a result of feedback from previous students.

How do you make your feedback matter?
The feedback you provide should be honest and forthright. It is also very important that open-ended comments are given at the professional – not personal – level, and are constructive and appropriate. Please keep in mind that feedback given by students through evaluations and surveys is usually anonymous (you are not identified personally), but it is not usually confidential – the de-identified results are shared and discussed within the university.

Do students have to give feedback?
Giving feedback is entirely voluntary and you will never be compelled to do so. But just as your university experience benefits from previous student feedback, so too will future students benefit from feedback you may give. And you will also see changes resulting from your feedback during your time as a student at the university.

The types of feedback include:

1. Evaluations of courses, teaching and tutoring
Each year, about one-third of all courses are evaluated by students. All students are eligible to participate anonymously, usually in-class but sometimes on-line. Evaluation forms typically include ‘tick the box’ questions and an opportunity to provide open-ended comments. Most evaluations are done towards the end of the course, but sometimes you will be asked to provide feedback earlier so that the teacher can check how students are experiencing the course and make adjustments if necessary.

You may also be asked to evaluate a teacher or a tutor. Separate forms are used for this purpose.

2. University-wide surveys
From time to time you may be invited to provide feedback on such matters as your programme of study, your overall university experience, or your views on the university’s services and facilities. Some of these surveys use a random sample approach, and others may be targeted at specific groups of students, meaning that not all students may be invited to participate. Each survey is carefully constructed to provide needed information, and the university controls the number of surveys so as to ensure that students are not unnecessarily burdened with survey requests.
3. Other surveys/formal comment mechanisms

Your department, school or faculty may occasionally ask for your feedback on specific matters that are within their respective areas of responsibility. Providers of student services or facilities may also ask for your comments through suggestion boxes, on-line feedback links, etc.

4. Staff-student consultative committees (SSCC)

Each class has a student representative, and each department has a Staff Student Consultative Committee which meets periodically. You can provide your comments and suggestions on your teaching and learning experiences through the class reps, who are members of the departmental SSCC. The SSCC system provides a forum for consideration of your feedback and ideas at the departmental and faculty levels.

5. Speaking directly to your teachers and other staff members

Academic staff welcome your feedback on your learning experiences. Talk to them directly if you have a comment, concern, or praise – staff like to know that you appreciate their work.

What happens to your feedback?

All student feedback received through the sources mentioned above is carefully analysed and considered. Of course, not every comment or suggestion can be acted upon. Resource constraints can, for example, be a significant obstacle.

Evaluations of courses, teaching and tutoring are looked at by both teachers and their Academic Head. Adjustments in a course or teaching may be made whilst the course is being taught, or the next time the course is offered.

Student responses to university-wide surveys are discussed in detail in university committees and are also considered where appropriate by managers of services and facilities.

Reports on the results of university-wide surveys are posted on the ‘current students’ section of the university website.

Here is a short list of changes or improvements that have occurred in the past few years to which student feedback contributed:

- Upgraded lecture theatres and tutorial rooms
- More group study space and lounge areas
- More computers and computer labs
- More detailed course outlines
- Better academic advice
- More opportunities to have an international educational experience

When you are asked to provide feedback, please give it!
It helps you, fellow students and the university.
Teacher Registration

With few exceptions, teachers in New Zealand are required to be registered and hold a practising certificate. On successful completion of a programme of teacher education, graduates are eligible to apply for registration and provisional certification as a teacher. A teacher who does not hold a current practising certificate can't be employed in a teaching position, even if they are registered.

In awarding a teaching qualification, the University of Auckland, Faculty of Education and Social Work must be confident of each graduate’s ability to meet professional standards. During the course of their programme all candidates must demonstrate that they can meet the teacher registration criteria that are reprinted below. Failure to do so may result in a formal review of a candidate’s place in the programme.

Criminal Convictions while undertaking, or during deferment from, the programme

Criminal convictions must be declared at the time of enrolment. It is also mandatory that a student immediately informs the University of Auckland of any criminal charges (other than minor traffic offences) s/he may face and/or be convicted of during his or her enrolment in the Bachelor of Education (Teaching) programme. Failure to do so may have implications towards completion of the student’s programme and the teacher registration process.

Questions and/or declarations are dealt with by the Education Student Centre Manager.

Our enrolment form asks the applicant to declare a criminal conviction. Every year a number of applicants tick ‘No’ and then the Police Check reveals that in fact there is a conviction. While this conviction may be for something that you think should not impact on your eligibility or suitability for teaching, the Education Council NZ may view this differently. What appears to count against you is failure to disclose at the time of selection. If you are unsure of what constitutes a criminal conviction (note that many driving charges fall in this category) please check with the manager of the Education Student Centre as a matter of urgency. The Education Council do check with us as to whether or not you have disclosed. If you do not disclose you risk having your application for registration and provisional certification declined or held up at the end of the year.

Criteria for Registration and Certification of a Teacher

Is of Good Character
All applicants for registration and certification are considered by the Education Council to be of good character, unless there is evidence to the contrary. Evidence to the contrary could be conviction for an offence or a number of offences, or substantiated information brought to the attention of the Education Council that would lead a community to have doubts about entrusting pupils into the person’s care.

All applicants for registration and provisional certification will be required to give consent to disclosure by the police of convictions for any offences.

Is Fit To Be A Teacher
Those fit to teach possess a range of personal qualities which are listed below. A person who is ‘fit to be a teacher’ should have the personal qualities to operate in four domains: in the teaching/learning space (e.g., classroom/centre), in the learning centre (e.g., school, centre, kohanga reo), in the community and in the teaching profession. In each domain a teacher will interact with learners (children), parents/whanau/caregivers, employer and colleagues, and should at all times maintain high standards of:
Trustworthiness, to:
- work independently and without supervision;
- meet any reasonable requirement for the protection and safety of others;
- preserve confidences.

Honesty, to:
- demonstrate integrity in all contacts;
- respect persons and property;
- report clearly and truthfully.

Reliability, to:
- take on responsibilities with due regard for time and place;
- meet the expectations of caregivers and the learning centre when supervising learners;
- accept, plan and execute a variety of tasks and professional responsibilities.

Sensitivity and compassion, to:
- respect other cultural and social values;
- recognise and respect others as individuals;
- care for the learning of those who are disadvantaged and those with learning difficulties;
- demonstrate firmness when necessary.

Respect for others, to:
- demonstrate respect for the law;
- adopt accepted codes of language, dress and demeanour;
- accept and carry out collegial and employer decisions;
- respect the views of others.

Imagination, enthusiasm and dedication, to:
- support and inspire others in their work;
- generate excitement and satisfaction in learning;
- engage in co-curricular tasks which expand learning opportunities;
- show respect for learning and inspire a love of learning.

Communication, to:
- communicate easily and lucidly in the English or Māori official languages of New Zealand;
- exercise discretion;
- give and receive constructive criticism;
- seek advice when needed.

Physical and mental health, to:
- carry out duties safely and satisfactorily;
- show emotional balance and maturity;
- display warmth and humour.

Notwithstanding the above qualities a person could be considered not fit to be (or continue to be) a teacher if evidence was provided that as a teacher he or she had behaved in a way that was seriously unethical, irresponsible or unprofessional.

For example:
- disobeying lawful and reasonable orders or instructions;
- being negligent, careless or indolent in carrying out duties;
• misusing or failing to take proper care of property or equipment in his or her custody or charge;
• being absent from duty without valid excuse;
• engaging in sexual activity with a student;
• sexually harassing, verbally abusing or assaulting colleagues, parents or students.

Portfolios and Education Council’s Graduating Teacher Standards (EC GTS)
The Education Council mandated the Graduating Teacher Standards: Aotearoa New Zealand in 2007. Students need to meet these standards by the completion of the programme and they are required to provide evidence of this requirement in a personal electronic portfolio. The portfolio will be developed during each year as part of a student’s professional development journey.

Teacher Registration and Provisional Certification
(Refer: http://educationcouncil.org.nz/content/registration-faqs)

If you want to teach in New Zealand, the journey towards becoming a registered teacher begins with completing an initial teacher education (ITE) qualification, such as the Bachelor of Education (Teaching).

Teachers need to meet specific requirements in the Education Act 1989 to be issued with registration and a practising certificate.

Teacher registration and certification signal your official membership of the teaching profession. Registration and certification are two of the main ways that employers, colleagues, learners and the wider community can be assured that a teacher is qualified, safe and competent.

You need to be both a registered teacher and hold a current practising certificate. It is the practising certificate that enables you to be lawfully employed in a teaching position.

A current practising certificate is compulsory for those employed in teaching positions in free kindergartens, primary and secondary schools (state, integrated and independent schools), kura, and for employment in most teaching positions in early childhood settings.

Your registration is granted when you have met the requirements to join the teaching profession. It doesn't expire and you don't need to apply for it again unless it is cancelled. Registration alone doesn't allow you to lawfully work as a teacher - you also need a current practising certificate.

To keep working as a teacher you must renew your practising certificate every three years.

International Students
The Faculty International Office in A Block Annex provides assistance with ECNZ registration and immigration requirements. You can contact Associate Dean International or Maxine Ma (International Co-ordinator) extn 48211 for all of your enquiries.
