Areas of Practice
Clinical Exercise Physiology and Exercise Sciences

ROD MAP FROM UNDERGRADUATE TO POSTGRADUATE STUDY IN THE EXERCISE SCIENCES

BSc Conjoint (4 or more years)

BSc Exercise Sciences (3 years)

BSc Double Major (3 years)

PGDipSci Clinical Exercise Physiology (1 year)

MSc Exercise Sciences Research (2 year)

MSc Clinical Exercise Physiology (1 year)

PGDipSci Exercise Sciences (1 year)

BSc Honours Exercise Sciences (1 year)

MSc Exercise Sciences Research (2 year)

MSc Clinical Exercise Physiology (2 year)

PhD Exercise Sciences (3 years)

Science-based careers in:
Biomechanics
Clinical Exercise Physiology
Exercise Physiology
Exercise Psychology
Movement Neuroscience
