Total 360 points (24 courses at 15 points each). Of the 360 points required for this degree, a student must pass:

1. At least 135 points from the core courses listed in the Bachelor of Health Sciences Schedule.
2. Up to 120 points from the elective courses listed in the Bachelor of Health Sciences Schedule.
3. The requirements of a major of Population Health in Year 3.
4. a) 30 points (2 courses) must be taken from courses offered in either the General Education Open Schedule of the General Education Faculty Schedule approved for this degree.
   b) A student who is required to meet the Academic English Language Requirement, may substitute an approved academic English course for 15 points General Education.
   c) In order to meet the requirements for General Education students must pass the Academic Integrity Course.

It is the student’s responsibility to check that the final programme complies with University Regulations. The Faculty of Medical & Health Sciences Student Centre is the final authority on the BHSc regulations.
