ADMISSION CRITERIA – PGDipHSc(MRI)

Are you a registered Medical Imaging Technologist?

Yes

Do you have a clinical training position in MRI in New Zealand*

Yes

You may apply on-line to be admitted to the PGDipHSc (MRI) programme.

You will need to provide:
- evidence of your medical imaging qualification
- your MRTB registration number
- a completed University of Auckland Clinical Training Position Agreement.

Once admitted to the PGDipHSc (MRI) programme you must apply to the Medical Radiation Technologists Board (MRTB) for registration in a Training Scope of Practice (MRI), providing evidence of your enrolment in the programme.

No

You may apply on-line to be admitted to the PGDipHSc (MRI) programme. You may begin your study while you seek your clinical training position and may transfer your enrolment across to the PGDipHSc (MRI) once you have secured your position.

Should you not secure a clinical training position before you have successfully completed four courses, you will be eligible to graduate with a completed qualification.

You may be eligible to transfer this qualification into the PGDipHSc (MRI) should you subsequently obtain your clinical training position within a period of 5 years.

No

You will need to gain a Medical Imaging undergraduate degree to be eligible to enrol in the PGDipHSc (MRI).

From 2018, this qualification will be offered by the University of Auckland. Students for the BMedImag(Hons) programme will be selected from applicants who:
- have completed Year 1 of the Bachelor of Science (Biomedical Science) at the University of Auckland, or
- have completed a relevant degree such as science, health sciences or biomedical science within 5 years.

* If you are an international student please contact the Faculty Student Centre at fmhs@auckland.ac.nz for individual advice.
