You are:
- a new Trainee Sonographer with a Clinical Training Position
- admitted to the UoA PGDipHSc (Ultrasound) programme

You have a letter from your employer in support of your **full-time enrolment for on-campus attendance** in Auckland for the CLINIMAG 709: 'Principles of Clinical Ultrasound' course in either semester 1 or 2, 2018.
- The ‘Principles of Clinical Ultrasound’ course is a project in collaboration with the Northern Regional Alliance and major radiology providers. Places for this on-campus course are therefore strictly limited.
- It is a requirement for admission to this course that the student must be a full time student during this semester of study and has been accepted into the Northern Regional Alliance ultrasound training programme. It is the student’s responsibility to obtain this position via his/her employer.

**Log on to SSO and submit a concession request for CLINIMAG 709: ‘Principles of Clinical Ultrasound’**.

You will need to provide:
- A supporting letter of release from your employer *(see above)*
- A completed University of Auckland Clinical Training Position Agreement

The above information needs to be emailed to the Medical Imaging Clinical Liaison Team at MIClinical@auckland.ac.nz no later than:

- 5pm, Monday 29 January 2018 for semester 1
- 5pm, Monday 18 June 2018 for semester 2

You are now enrolled in CLINIMAG 709 ‘Principles of Clinical Ultrasound’
- If you have not yet completed MEDIMAGE 716: ‘Fundamentals of Clinical Ultrasound’ you must also enrol in this course
- If you have already completed MEDIMAGE 716, you may choose to enrol in either MEDIMAGE 701: ‘Imaging Anatomy and Pathology’ or MEDIMAGE 702: ‘Professional Issues in Medical Imaging’
