

FRACP Paediatric Part 1 Written Examination Teaching (for Australian-based trainees only)

Do you need help to pass the written examination?

We provide

- Lectures by Paediatricians (general, community, and sub-specialty), child psychiatrists, a paediatric dentist, and scientists
- 29 (2 hours each) weekly electronic lectures available via a website specifically teaching relevant topics for the Paediatric written examination
- A recommended reading list
- Practice multi-choice questions each month which are integrated with the topic presentations - these are marked and critiqued
- Practice Paper 1 and 2 examinations in Jan - Feb 2020

Course format

The teaching programme is organised from The Department of Paediatrics: Child and Youth Health, The University of Auckland, New Zealand.

It consists of documents and video recordings of weekly interactive lectures on topics aimed at providing a framework of the knowledge necessary for passing the Part 1 Paediatrics Written Examination.

Dates

The course begins on 20 June 2019 and continues through 13 February 2020.

Venue

Video recordings of the lectures viewed at your convenience!
