

INFORMAS satellite meeting

- International Congress on Nutrition

When: 20 October 2017 11am to 5pm

Venue: NH Hotel Crillón, 796 Santa Fe Avenue 796 (500m from conference venue)

Registration: Numbers limited. No cost. Please register by Monday 9th October; email Sally Mackay sally.mackay@auckland.ac.nz)

Synopsis:

INFORMAS is taking the opportunity of having many people from its network being in Buenos Aires for the ICN to host a satellite workshop.

Objectives:

- 1. INFORMAS progress and future directions:** To share the progress of INFORMAS to date and to discuss future directions including:
 - a. Regional systems for monitoring support, training, regional databases/websites etc (Latin America currently investigating this)
 - b. Funding, network functions, communications, country comparative analyses etc.
- 2. INFORMAS modules:** To share experiences and improve specific modules (processes, protocols, dissemination, publication etc).
- 3. INFORMAS within accountability systems:** To critique the draft section of the Lancet Commission on Obesity report related to monitoring for accountability.

Draft program

11.00-12.30	INFORMAS progress and future directions Plenary presentations (Boyd Swinburn, module leader representative, country leader representative) Panel discussion
12.30-13.30	<i>Lunch</i>
