

Research Abstract Outline for DAC Projects

(200 words maximum)

Research Question:

- Summarise key aim of the research
- List research question/s

Rationale:

- Why this is an important research question in the New Zealand context, i.e. scientific and/or policy relevance.
- How the question can be addressed using information from the *Growing Up in New Zealand* study.

Proposed Methodology:

- Datasets required/to be used
- Proposed methodological approach

Expected Outcomes

- Anticipated findings and dissemination plan
- Proposed timeline
