

SELF ASSESSMENT

Processing Data

My graph had:

- C Clear ruled lines and presentation
- L Labels on axes - with units if needed
- E Even spacing and numbering along the axes
- A Axes are in proportion
- T Title for graph
- S Size of graph is about half a page

Remind yourself of what today's **WALT** is and then look back over the work you have done today in *Activity 13: Collecting and Processing Data*.

I am pleased with this piece of work because _____

Next time I collect and process scientific data I will _____
