

INSTRUCTIONS:

Now that you have a good RESEARCH QUESTION, you can design and test your survey.

Record your final research question (aim) and hypothesis in the boxes below.

Remember **an HYPOTHESIS** is a prediction.

What do you think you will find out from your survey? **Give a reason** for your prediction.

Our / My RESEARCH QUESTION or AIM

To find out whether...

HYPOTHESIS

I think that...

REASON WHY

I think this because...
