I Love My Heart

WORKSHEET 2

# The beat really DOES go on!

How many times has my heart beaten in my lifetime?

1. From the previous worksheet I know that my heart beats approximately _____ times a minute

2. Therefore it beats _____ times an hour (Q 1 X 60 minutes)

3. Therefore it beats _____ times in a day (Q 2 X 24 hours)

4. Therefore it beats _____ times in a year (Q3 X 365 days in a year)

5. Therefore it has beaten _____ times until my last birthday .(Q 4 X my age)

6. It has been _____ days since my last birthday.

7. Therefore I must multiply this number by the answer in question 3 _____

THE TOTAL NUMBER OF TIMES MY HEART HAS BEATEN IS =
        NUMBER 5'S TOTAL ADDED TO NUMBER 7'S TOTAL.   _____

WOW !!!

My heart has beaten _____ times

since I was born.
