## Application Form Summer Scholarships in Mathematics

To be returned, with a copy of your academic transcript, to  
the Mathematics Office (4<sup>th</sup> Floor, Building 303)  
by Friday 29 August 2014

The main aim of the summer scholarship programme is to encourage students to consider postgraduate study. The Department of Mathematics wants to enhance the diversity of its postgraduate student body, and strongly encourages applications from women, Māori and Pasifika students.
