The purpose of this bibliography is to provide easy access to and research assistance on various environmental law topics covered by articles published in the New Zealand Journal of Environmental Law. All articles published in Volumes 1–19 (1997–2015) are organised under subject headings. It should also be noted that articles may be found under multiple relevant headings.

At the end of this document, there is a complete article list provided. This list is alphabetically ordered by author surname.

This document was prepared by Ryan Chao as part of a community placement task.
1. **General: Background, Sources, Concepts and Policy**

Hsu, B.F.C., “A Public Trust Doctrine for Hong Kong” (2011) 15 _NZJEL_ 89.
