

FOOD SCIENCE & NUTRITION TIMETABLE FOR STUDENTS WHO'S GPA IS BELOW 3.5

NOTE: If student's GPE or GPA is below 3.5 it is recommended they follow the programme of study below. This enables them to enrol into a full-time load and complete the required courses for Nutrition pathway of Food Science & Nutrition

IMPORTANT ADVICE STUDENTS:

1. Students must achieve a GPA of 3.5 in the first semester of enrolment to be able to progress as indicated below. By end of second semester of enrolment, GPA must be 3.5 or higher to get into BIOSCI 107 in Year 2
2. Students are to be advised that Stage II and III Science and MEDSCI courses mostly have GPA requirements – usually written in the class notes, ensure you read this information. It is not automatic that students will be able to progress with courses if they do not meet the prerequisite or GPA requirements
3. If unable to enrol into all courses in Year 1 at the start of the academic year, apply for concession. Their concessions will be considered after Semester 1 results are released
4. NOTE: Students will go over by 1 course as has introduced CHEM 150 in Semester 1 of Year 1

NUTRITION PATHWAY Year 1

Semester 1
