

ADVICE TO SPORT & EXERCISE SCIENCE students with GPA below 3.5

Entry from NCEA or CIE is guaranteed into the programme (degree) but this does not guarantee entry into the courses, which may have a higher entry requirement. BIOSCI 107 requires a GPA of 3.5.

It is strongly recommended that students enrol into BIOSCI 101 and CHEM 150, as well as ensure that by the end the first year of study their GPA of 3.5 to be able to apply for BIOSCI 107 in the following year.

Students with GPEs below 3.5 are strongly recommended to enrol into

Semester 1

BIOSCI 101

CHEM 150

SPORTSCI 101

SPORTSCI 103

Semester 2

MEDSCI 142

PSYCH 108 or 109 (student can enrol into both if they wish to consider SPORTSCI and PSYCH as a double major)

1 x General Education

4th course - student's choice
